LOANS OF THE COMMONWEALTH	These different medicines represent the most recent medical discoveries, founded on the principles of Chemistry and therapeuties. They must not be confounded with secret or quack medicines, as their names sufficiently indicate their composition; a circumstance which has caused them to be appreciated and prescribed by the faculty in the whole world. They widely differ from those numerous medicies advertised in the public papers as able to cure every possible disease, as they are applicable only to but a very few complaints. The most stringent laws exist in France, with regard to the sale of medical preparations, and only those which have undergone an examination by the Academy of Medicine, and have been proved efficacious, either in the Hospitals, or in the practice of the first medical men, are authorized by the Government. This fact must be a guarantee for the excellency of Mess. GRIMAULITS ET CO. medicines.	THE
