CAPITAL PUNISHMENT. The execution of Bridget Deignan, on Fri-

military and the police to maintain any sem- has ever issued from a government deblance of order. To add to the horror of the partment. occasion, it is said that the condemned wo-man was deliberately drugged with whisky, and in this condition and with these surand in this condition and with these sur-soundings which recall the old scenes of Tyburn, Bridget Deignan was launched into another world. For such a scene there is no excuse, and for its positive immorality and ments but which prove nothing and are not consequent ill-effects upon the welfare of ments, but which prove nothing, and are not to time. The ablest paper in Cincinnati even consequent in-enects upon the wehare of pertinent to the subject matter he may hap- went so far as to publish portraits of the two society there is no denial. The Legislature of New Jersey is bound to protect society from such disgraceful and dangerous scenes. They are unworthy of the civilization of this They are unworthy of the civilization of this

society.

dignity of Winnemore's private execution as to be forced into the admission that "if, in-dced, it could be secured that every murderer shall be hanged with the same decency that muscl in the name of Winnemore come was used in the case of Winnemore, some-thing of the loathing and hatred with which his intellect over ours. After six long columns thing of the loathing and hatred with which we look upon the gallows might be softened, *ij not wholly done away with.*" This is an immense concession from a pressident from the sought of this sort of thing, Binckley arrives at the great truth which he has sought to establish. Here it is: "But the great responsibility which appears to me to arise on such an occasion, where the physic all operator of the death penalty. Men like Karl Mittermaier, who has labored in Germany for thirty or forty years in this cause with rare ability, have accomplished much for humanity by modifying the almost indiscriminate use of capital punishment, which only a few years ago prevailed throughout Christendom. Seventy years ago the number of crimes threatened with death the number of crimes threatened with death | rience of history to teach us the result of con- | SIGNOR BLITZ.-The immortal Blitz inaugurates in England, amounted to 160; it is now re- tempt indulged for Binckley. If we knew his fall season at Assembly Bullding to-night. duced to seven, while murder alone is now | that, we would then be able to read the future | being rapidly done away, and, at the same time, the enlarged opportunities afforded to accused persons for their defence are con-discover the depth of their descent. If Mr. The sound have the sound and the same problem in the sound have the stantly diminishing the force of the principal sistant, and does not either discharge him, or stamped. French Bookseller, Stationer and Engraver. 202 Bouth Eleventh street. 202 Bouth men as we have cited have accomplished in the cause of humanity, they have failed to rather few at present, and, as Stanbery has in the cause of humanity is a stanber in the standard in the the cause of humanity, they have failed to present any positive proof that capital punz ishment for murder is either unlawful or in-the vargue that because life is the Cabinet, as a reward for his zeal. They argue that because life is the Cabinet, as a reward for his zeal. or abolished, capital crimes have not in-creased. They forget that that very modifica-should not remove the disability of rebel

Jersey on Friday last, and to surround the include the rebels who were stationed in last penalty of the law with every safe-guard | Canada, and who, during the war, organized against those demoralizing effects which un- raids upon our frontier States, murdered and doubtedly follow such exhibitions.

## BINCKLEY.

clerk, ex-reporter of the National Intelligencer, ex-claim agent, nephew of the rebel General Joe Johnston, and at present Acting Attorney-General of the United States, is doing his very best to acquire notoriety and Isle, tortured our soldiers with a refinement win the favor of Andrew Johnson. The pub-lic became aware of his existence when, by his ridiculous zeal in attempting to injure be willing to extend the greatest clemency to be willing to extend the greatest clemency to several loyal Congressmen by implicating them with Sanford Conover, he sunk from those who love justice would rather desire to, respectable obscurity to very discreditable harden their hearts in the case of these men." fame, but Binckley felt that the tide in his Even if their cause had been righteous, their affairs was at the flood, and he determined to treatment of our imprisoned soldiers and their The execution of Bridget Deignan, on Fit-day last, was one of those painful exhibitions in unfortunately rick and Binchlay Cowardly attempts upon our Northern cities day last, was one of those paintul exhibitions is unfortunately sick, and Binckley were clearly in violation of the laws of war, that shock every idea of public morals and arm the advocates of the abolition of the death penalty with one of their strongest ar-guments. The execution of this wretched criminal was attended with circumstances of the tor give "opinions" upon questions of law that may arise. It is usual we believe for the Attorney-General to reserve his criminal was attended with circumstances of the most disgraceful impropriety. The law of New Jersey has abolished public execu-tions, but an unprincipled Sheriff evaded that wise provision, by enrolling upon his jury hundreds of spectators, eager to glut their morbid curiosity upon a scene from which morbid curiosity upon a scene from which would not be called upon, and so, with an to believe in his patriotism are not convinced any decent man would gladly hide himself. New Brunswick was crowded with thousands of visitors, attracted by the dreadful tragedy, and inside and outside of the prison walls it required the combined efforts of the bit required the combined efforts of the
