It is not the right | the soldier. The tune is a new one, and they

attention to the discussion and adjustment of diomestic and local questions, which had been, in a measure, held in abeyance during the war. This dream of peace has been rudely broken, and, before the armor had been fairly laid aside, the trumpet again sounds the alarm, and once more the pressing needs of an imperilled liberty demand the whole attention and the most strenuous efforts of every loyal Republican.

Andrew Johnson is showing the country his full power for mischief, and his daring purpose to press that power to its utmost.

All men see that but a single plank stands the revolution with less provocation than you have been left with heads the most monance in Europe would and no monance in Europe would and two peoples as you have been oppressed for the past five years; kings or princes there would not have been left with heads upon their shoulders had they dared to do to their dawn, for they knew that they got it down, for they knew that they got it down, for they knew that they got i

purpose to press that power to its utmost.

All men see that but a single plank stands between his mad designs and their terrible consequences to the country, and that Congress is the one bulwark upon which we can now rely. All men remember how much now rely. All men remember how much congress has needed the moral support of its constituency when, from time to time, it has been called upon to meet the great emergentics of the rest fan the figure of the remonstrance of 100,000 men should go to Abouty and say to the Legislature there, 'Thus far shalt thou go and no farther.' This is like to the state of things against which the Colonies arose, yet they were not half so much oppressed as you are. I am more and more surprised that a people so courageous and respected, so sensitive of their rights, as the citizens of New York, and so jealous of their power, should bow in taine submission to this tyranny of Albany, done by Commission." cies of the past few years. And now, when The harangue, of which the extracts given receive in the same quarters. Union soldiers above is a sample, was clearly intended to and Democratic Copperheads can only amal- J. S. YOUNG, ALTEMUS & CO., incite to riot, arson and bloodshed, and the gamate when the soldier forgets or the Condemagogue who uttered it would rejoice in | perhead repents and atones for the past. The McMullin and Barnes Committee of

mer of 1863 re-enacted in the streets of this Common Council made a report yesterday. wretchedly governed city. No man better They stated that sufficient evidence was proknows the necessity of legislative interference duced to warrant the impeachment of Wm. in New York, if life and property are worth McMullin and Wm. H. P. Barnes, but in preserving. Yet he deliberately utters a consequence of the opinion of the City speech, the present intention of which is to Solicitor, stating that Councils had no powerincite to riot, and which has for its more mittee had agreed to report the whole subject tive interference in the affairs of the city and to Councils. The Committee spoke in fit terms of "An Alderman of the city, a sworn Mayor of New York, handed over to the Governor of Georgia, at the breaking out of the the rebellion, arms and munitions of war that

Conservator of the peace, a Councilman elected to legislate for the good of the public, shown to have been the ringleaders of a mob the rebellion, arms and munitions of war that had been seized by the police while being that some of the evidence, upon which this that some of the evidence, upon which this c.
