dence or produced before the commissioners, the cases laid before us, which were submitted to eminent counsel on either side of the question, together with the opinions thereupon; also the report on the subject made by the committee of A NUMBER of directors of the Farmers' and Fig. the Lower House of the Convocation of the Province of Canterbury, and the resolutions passed troller of the Currency to revoke his order appointing a Receiver for the National Bank of Brooklyn. The Comptroller refused the request. In the Radical Congress in Geneva yesterday morning a sharp attack was made upon the Soialists of the United States, which gave rise to an excited discussion. Some ill feeling was crealed, and before the close of the session many of the members withdrew from the Congress. WM. A. MILLIKEN, of La Grange, Tenn., was arrested some weeks to by the military for asanted a writ of habeas corpus in pon an application of Attorney-Gens the case of John Jenkins, a freedman, convicted of the murder of young Brantford during the riot in Charleston, S. C., June, 1866, and who was three times respited by General Sickles, a notification has been served on the Sheriff by General Canby, that he has fully examined the case, and that there will be no further interference the understanding that it does not exclude the consideration of cases, in which the authority of MOVEMENTS OF OCEAN STEAMERS TO ARRIVE.

Atlantic. New York Bremen Sept. Id forty days by a battery built on a spit of land at Itapiru armed with two 68-pounder guns: and after a campaign of two years the allies held about A report on the military operations which was ransmitted to the foreign office of London in April states that the allies could not then place in the field more than thirty-two thousand effective men, a fifth of these being three months' recruits: the whole number of the troops of Lopez was supposed to be reduced to about twenty thousand, and they were suffering great privations: "The women and children are made to work for the WM. C. KENT. THOS E. ASHMEAD, CHARLES SPENCER, MARINE BULLETIN. PORT OF PHILADELPHIA-SEPT, 13. while successfully attaching a torpedo to the screw of a Brazilian iron-clad. They have been ARRIVED VESTERDAY while specessfully attaching a torpedo to the screw of a Brazilian iron-clad. They have been repeatedly cut down at the very muzzles of the guus which they have been madly endeavoring to drag by main force out of the embrasures. It is, however, confidently asserted that they have never been able to withstand in the open field the bayonet charges of the Brazilian infantry, and that of late they have showed signs of discouragement.

"The Brazilian troops, of whom fully one-half are negroes, and the greater part of the remainder mulattoes or Indians, appear to be in a very efficient state. Although great attention is paid to their drill, it is said that, in spite of their individual bravery, which characterizes European troops, and sometimes become unmanageable. Each soldier is provided with three complete suits of uniform made of good serviceable material. When in heavy marching order the weight carried by the rank and file, including sixty rounds of ball cartifide, has been reduced from fifty-two pounds to forty pounds. With the exception of one battalaion, lately sunabled with needleaguns the to forty pounds. With the exception of one battahon, lately supplied with needle-guns, the troops are all armed with Minie rifles of a large large at the content of the co
