cock's kindness of heart and gauantry as a sol-dier, and truthfulness as a man, and who would always be found a stern defender of the flag of our

Bixteen years ago a few intelligent eitizens of the bars there taught me. As a soldier, I know in differ and have pretty more they association and misconstruction arising from the passions of the hour, and soread by those who do not know that devotion to duty has governed my actions in every trying hour, may meet me, but I four them not. My highest pride do commonweelth, assembled and organized the banget of the welfare of the benefit of my country, the honor of my profilesion, and, I trust, also for the welfare of the benefit of my country, the honor of my profile committed to my care.
I ask, then, citizens, that I may not be judged in advance, and that time may be permitted to be develop my actions. Judge me when I act, by the deckel I may perform, and, conscious of my devertion to duty and my country, I will be easistified with your verdied, and my country, it will be easistified with your verdied, and if a generous country where eminently realized; so that the society was universally acknowledged, and its benefits was further than to discuss them. If I can administer the achieved, as a soldier I am to administer the achieved, at a to the satisfaction of my country, I will be easisfied to not duty and indister the achieved, at a soldier, I am to administer the achieved, at a to the satisfaction of my country, I what in the increased and still mercasid and s

to do hohor to a binder to a binder the performance of the Republic; to a man who, in every emergency, has proved fully equal to the occasion; a man who has devoted his life to the service of his country, and has shed his block in its defence. When quite a young math he went with the great army of General Scott to Mexico, and in that army was soon reckoned among the most distinguished of the distinguished young officers of that day, and was breveted for brilliant to leave Washington, not the capital of a great nation, but a miscrable remnant, a solitary ruin, to mark the existence of a desolated country, and a dismembered Union, General Hancock came forward to the defence of the nation and

ublie-the great Union, not in name alone,

2 **Gen. Hancock Screaded --- Another spect by President Johnson.** A screade was given last night, at the Matro-point in Hote, Washington, to Major-General Hancock, by his resident Washington friender The portice of the front entrance was festoned with dass, and adorned with a large number of thinese lanetrus. There was a display of rock-est and other fireworks. A large issemblage of cok appeared before the spectators and met after repeated calls, Mojor-General Han-cock appeared before the spectators and met atter cheer being given. Gen. Cobb, of Wisconsin, addressing hisfellow-titizens of Washington, said that six years ago be had the good fortune to hold a command meder Major-General Hancock in the Army of

always be found a stern defender of the flag of our country. Gen. Hancock was received with cheers, and spoke as follows: *Citizens of Washington*: I thank you for this testimony of your appreciation of my past ser-vices and confidence of my ability to perform my duty in a new and different sphere. Educated as a soldier in the military school of our country and on the fields of the Mexican war and Ameri-can Rebellion, I need not assure you that my course as a District Commander will be charac-terized by the same strict, soldierly obedience to the laws there taught mc. As a soldier, I know no other gulde or higher duty.

Washington, 1 rejorce with yor tharm and 0, with allIt mis tendect maper to taken in the trans, the capital of our nationIt mis tendect maper to taken in the trans, the the richest purchaser1-t Dihour of the rebellion, the capital of our nationin the stength andin the cultivation of the soil; and the country block and in the cultivation of the soil; and the country block and in the cultivation of the soil; and the country block and in the cultivation of the soil; and the descriptionShare market where the richest purchaser1-t DiIshall carry with me the recollection of this occasion, and when I return, may I not hope that none who are present here is person, or inspirit, mull regret the participation in the honors you have done me to-night?In the honors you have done me to-night?Share market where the richest purchaser is the sense with beautiful buildings, highly cultivated fields, gardens, fruits and flowers. Under its instanton in its useful influences "the wilderness and the desert to rejore and blossom as the rosc."Share market where the richest purchaser is done to soil the instanton in its useful influences "the wilderness and the desert to rejore and blossom as the rosc."Share market where the richest purchaser is done to soil the instanton in its useful influences the beautiful on useful influences the beautifuences the My Friends and Fellow-Citizens—For 1, too, am a citizen of Washington, where I have spent the better part of my life, and where I intend to pass the remainder—you have assembled this evening to do honor to a brave and patriotic soldier of the Republic; to a man who, in every emergency, has proved fully equal to the occasion; a man

to mark the existence of the nation and a dismembered Union, General Hancock came forward to the defence of the nation and the constitution, and his glorious career is not the collect that occasion well, for I was then means used to induce men into the army, did, in the principles of universal liberty and correspondence much abused, and yet the records of this great war show that the city of. Washington, a city that has been at the city of. Washington, and in the principles of universal liberty and correspondence means used to induce men into the army, did, in the transit war show that the city of patrotism and devotion, send the transit the trans the transit and great means used to induce men into the army, did, in the transit was the transition to the transit and the transit was the transition to the transition the transition to the transition to the transition to the transition to the transition that the city of washington and devotion, send the transition the transition to the tra

Republic—the great Union, not in name alone, but in fact—and make it what its founders in-tended it to be—the home of a happy and really united people; united not only upon the parch-ment of the Constitution, but in heart and con-viction, devoted to the, whole country, and re-

<text><text><text><text><text><text><text><text><text>

Gen. Cobb, of Wisconsin, addressing his fellow-citizens of Washington, said that six years ago he had the good fortune to hold a command under Major-General Hancock in the Army of the Potomae. He esteemed it a great privilege, s an old companion in arms, and now standing by his side, to bear testimony to General Han-cock's kindness of heart and gallantry as a sol-dier, and truthfultives as a man, and who would ernment should see fit to make known to the government of the Emperor its appreciation of

THE DAILY EVENING BULLETIN. - PHILADELPHIA, WEDNESDAY, SEPTEMBER 25, 1867.

minister them in spirit, with all chirity to the governed, and to the satisfaction of my country, I shall indeed be happy in the consciousness of a duty performed. I am about to leave your city, the capital of our conntry, bearing the proud name of Wash-ington. As an American citizen, the rapid de-velopment and increase of its wealth, beauty and prosperity is a matter in which I am deeply interested. But far, far beyond this, citizens of bour of the rebellion, the capital of our nation contributed as freely in proportion as any State

the true spirit of patriousin and devotion, sold into the ranks a much larger number of volunteer soldiers than any other city in the Union, in pro-portion to its numbers. And now, fellow-citizens, General Hancock is entering upon a new career, and although his And now, fellow-citizens, General Hancock 18 entering upon a new carcer, and, although his new trust is military, still, in point of name, it has its civil duties, and imposes a task of the ut-most difficulty in its proper fulfilment, I have no doubt that his laurels marked with his blood, and that of the enemies of his country, in Mexico ord in the later of the lat and that of the chemics of his county, in action the beauties of civilization, and in the cultivation and in the cultivation and in the cultivation and in the cultivation are civil wreaths, which add, new honors to those appreciate and fully realize that his life is embicated with gold lace, and containing appreciate and fully realize that his life is embicated with gold lace, and containing appreciate and fully realize that his life is embicated with gold lace. civil wreaths, which add new honors to those earned upon the battle-field. He has truly said his duty is to carry out the haws of his country, and has said wisely, because a soldier of the republic most truly defends a country when he defends the laws of that coun-try; and, fellow-eitizens, he will not be adjudged as to whether the law is wise and expedient or as **The Brans Graff Estate**. The Brans Graff Estate. The Secretary of State has received the follow-try; and, fellow-citizens, he will not be adjudged as to whether it be otherwise. His duty is purely a to whether it be otherwise. His duty is purely a time since, in an American paper, to the effect time since in an American paper and the base of the parent and the provide the parent and the

Sented in the Constitution, unless to all cases of the part of the judicial authorities, the exective officer must and is sworn to execute it as one of the laws of the country. But, fellow-citizens, while I am sure that Gen. Hancock will execute the laws in a true spirit, farm aster that for exercise the spirit of charity and according to the meaning that must be placed upon them, I am also sure that he will do it in a spirit of charity and kindness; for, gentiemen, the truly brave manis always magnanimous to his conjured foes, and it is by the spirit of his conjured foes, and this is conjured that we must restore the kindness and charity that we must restore the his conjures. There the form along the true the thorn to be, with great respective. Huch Ewing.
Huch Ewing.
A Paris letter to an English paper says:
"I have just heard an anecdote, showing in a true spirit, for and post that such publication. The specified must be placed in the true years and kindness in the true and source the the responsible. The true of the specified must be placed in the true of the specified must be placed i ment of the Constitution, but in heart and conviction, devoted to the whole country, and re-viction, devoted to the whole country, and re-viction, devoted to the whole country, and re-viction, devoted to the whole country, and re-domestic energy. I thank you, gentlemen, for the indelgence with which you have listened to these, the only few remarks 1 have now to offer. William G. Robinson was repeatedly called for, with who had poken on the field of battle, and mad met the energy at the cannon's mouth, and also the distinguished citizen, who had just ad-domestic in the receivable of the City of which the exercision party of American atly so the distinguished citizen, who had just ad-dressed them, had uttered all that could be said on this occasion.
