LUTTERFORMENCE of the Philidelphia Evening Bulletini) between the parties in question. The Em-Rears, Friday, Sept. 20, 1867. I speke in my petor's "return visit" to Berlin is now contra-PARIS, Friday, Sept. 20, 1867. I speke in my petor's "return visit" to Berlin is now contra-PARIS, Friday, Sept. 20, 1867. I speke in my petor's "return visit" to Berlin is now contra-Were sending of the Phildelphile Evenit, Balletin, PARS, Priday, Spt. 20, 1867.—I spekke in my name performance of the prime in more demonstrated framework in the informed by event the prime in the informed by event t it were, only tolerated in Europe, is now (thanks to America) looked up to. Like a man who has get "good connections," she comes in for a share of the reflected glory of her great sister confede-ration across the Atlantic to whom she may, in many respects, boast of having put in practice the same principles several centuries beforehand. It is impossible, for instance, to read the interesting History of the Swiss Confederation, and especially of the eight more much the enderice is undericable; and Switzerland has fisen in his essay is valuable; and no one can read it his essay is valuable; and no one can read it his regards Thorwaldsen's relations to the without a higher sense of his own being, and of her position in the midst of surrounding monarher own eyes, and in the cyes of Europe, and feels her position in the midst of surrounding monar-chies to be secured and consolidated, by the splen-did development assumed by republican insti-tutions in the United States of America. To come to recent occurrences, it may be attributed in a great measure to this increased. Prestige of the Holvetic Confederation that cer-tain parties have recently bought to make it the theater of their social and political demonstra-tions and maneuvres. The Workingmen's Con-gress (so-called) at Lawanne (a Congress of de-mageorues, 1 should be inclined to name it), the World), are notable instances of such attempts, of which you have no doubt read and heard. the Universal reace Congress at Geneva (Whose chief business seemed to be to make war on all the world), are notable instances of such attempts, of which you have no doubt read and heard. Bart; Jutenberg spoke for Ment2: Authent was pleaded for by Maximilian I.; Christian IV, broke a lance for the good right of Copen-hagen; Warsaw, Rome, and many other Now, that associations to protect the interests | cities took part in the contest, which ap-(the real interests) of the working classes, or to peared to increase in acrimony, when the romote peace and alleviate that curse of very gods came in for their claims likewise. Enropean governments, immense and ruin- Juno warmly defended the sole right of ous standing armaments-that such com- Olympus, when just at the right moment ous standing armaments—that such com-binations are in the highest degree useful and praiseworthy, no one. I presume, will ven-ture to deny: But when we see such professed the big of the ment of the name of the nam

trary to their own, quickly made our people maderstand that they had nothing to do in com-mon with these foreign demagogues, and could ac-cord them no sympathy." Everywhere the voice of Switzerland is the same, and aff eminent citi-rom of Geneva added sarcasm to his rebukes by The form all essentially German, and Thor-

probable that he still meditates a youp de main Societies of Art, the whole people of Geragainst Rome. Should be succeed, as there is no | many paid him homage such as rarely has delineated the gods of heathenism?-)e d) [saying but he may, he will add another emtar- been paid to one of her sons during his liferasement to the many which hang over the En- time. Verily Thorwaldsen is no stranger to this to be guided less by his sentiment, than Season peror Napoleon, and make the French expedition to Rome turn out in the end as signal a failure as of Mentz conferred upon him holds good all the severe beauty, copied from the Greeks,

auguration of a statue to M. Billault, and make a speech in favor of peace. He declared great wars to be well-nigh impossible at the present day, and that all the efforts of the government and all the policy of the Emperor were directed to the maintenance and *long duration* of opeace. This language coupled with previous declara-nouncing the formal disavowal by France and Lustria of all idea of interfering with the inter-nal affairs of Germany, at Salzburg, has produced agood effect and made people here feel toler-
