THE ORGAN OF THE MANUFACTURERS OF THE CA TRIAL OF FIRE-PROJF SAFES.

THE

CHALLENGE ACEPTED. Mr. M. C. Sadler, Agent of Lillie's Safes in this eity, having published in he city papers an offer burn in a test fire, in the 22d inst., one of Lillie's Chilled Iron Safs with one of our make, of like size and thickness, containing Sanborn's

Steam Improvement the test to be, "fairly made." we hereby inform him and the public that we necept the challenge the details of the trial to be as The recent publication of the "Litture," the organistic term of the "Litture, " devoted to the pro-pagation of doctrines and measures hostils to our manu-facturing interests, renders this Journal a necessity not only to the manufacturer, but to the people at large, who or give a prior to be becauded in the model in the term of the result, to be chosen, three members by each

party, and another by these six. The "PROTECTIONIST AND AMERICAN MANU." 2. The Sate to be of the size burned at Norrig-FACTURERS' CIRCULAR" is published Monthly, at \$3 town, and 40 be made in the usual way of their respective manufacturers, with walls six inches in thickress from outside to inside.

3. The trial to be made in an open space, the factures should subscribe to this Jours safes sanding the thickness of one brick above the gound, and the fire made with dry wood placed around the safes, and as hot as either party may desire, and to be continued until one or the other safe shall fail; the committee to see that the wood is equally distributed and the safes axposed alike to the fire; the party whose safe ails first to pay the whole expense of the trial, and the winning party to have the safes after

they are burned. We will add that we are willing and ready to go into a trial of Safes with Messrs. Marvin & Co., Farrel, Herring & Co., and any other parties men of Philadelphia to be present and see for hemselves that the test is fairly made. As to the accusation of Mr. Sadler, "that we have conspired to cheat, deceive and humbng the community," we consider the source whence it came, and regard it unworthy of notice; and

the honorable gentlemen of the committee who superintended the trial at Norristown, who are Also, Bombazines, Biarritz, Tamise, also included in the accusation, will consider it We have no desire to deceive the community

tonsive assortment of Miscellaneous | nor to injure any man's business; but no man's ousiness has any claim to stand in the way of the public good. This is not merely a personal mater between safe-makers. The public, who have valuables to preserve, have a right to know what safes are reliable, and what ones will fuil in any severe exposure.
