went to the river to make a way the way never recovered. Another witness testified that about ten days after the occurrence, while out salling on the Busquehanna, he saw a body floating with the head out of the water; but the wind, was too strong to enable him to make an effort to secure it.

The defence set up that the claim is a fraud. It was alleged that Richards secured an incurance of \$20,000 in all on his life, four months before the incident narrated as

Rumors of Changes in the Cabinet.

The President Intoxicated with Joy.

And 600 Broadway, New Yor AFFREY, OUT DOOR AGENT AN EVENING BULLETIN. Thursday, October 10, 1867.

1862 AND 1867. It is only at very important elections that the Pennsylvania Republicans show their strength. The contest just closed has been the counterpart of that in 1862. This year the only State office to be filled was that of the Democratic candidate carried the State by 3,524 majority, in a total vote of 434,758. The grief and mortification of the Republican loyalists in 1862 were much greater than the war; Abraham Lincoln was President; the Copperheads were eager to claim their victory as a sign that Pennsylvania was tired

especially in Philadelphia, had difficulties to contend with besides the usual one of apathy and indifference when no great and members and properly and indifference when no great apathy and indifference when no great and members and properly and indifference when no great and members and properly and indifference when no great and members and properly and indifference when no great and members and properly and indifference when no great and members and properly and indifference when no great and members and properly and indifference when no great and members and properly and indifference when no great and members and properly and indifference when no great and members and properly and indifference when no great and members and properly and indifference when no great and members and memb pared with their loss between 1860 and 1862, and to Americans, who have given their sup-

THE ELECTION. The result of the election in Philadelphia nas surprised Democrats and Republicans alike. The former had no serious hopes of surely suffer the death penalty. This is a quire that the Republic shall be formally reanke. The former had no serious nopes of electing any of their ticket, except Judge gloomy and terrible picture, and if it is cognized by Austria, as the Government of rendered confident and inert by continued. successes, generally believed that their whole ticket would carry itself by a somewhat rethe polls. On every hand we find Republicans, staunch and true to their principles as ever who acknowledge that they voted for principle, or for Lyle, or Leech, or popularity and position. Ballier, because they had been soldiers. But nowhere can we find defections to the Democratic ranks. There are as many Republicans in Pennsylvania to-day as there to-day to give their sympathies, their influence and their votes with their party on a rigorous censorship of the press, a measure

it was met, defeated and destroyed same principles at home. a vindication of the course of Andrew Johnposed to every principle of progress and
liberty. They know that whatever classes
and institutions in America represent
ignorance, prejudice, vice and oppression
find their home within the limits of the
Democratic party. They know that education, intelligence and improvement, civilization, freedom and religion, all find their interests promoted by a pure Republicanism.

The Republican party of this country cannot
be overcome or destroyed by any human
combination or device. To destroy it would
be to destroy Americanism, and to turn
aside the great current of destiny which

of the late election is the fact that there is a nation from the clutches of a crew of half candidates for office. It is rare for any con isfaction from this condition of things, they siderable number of Democrats to revolt | are welcome to it. against regular nominations, and much as they may denounce successful candidates for There is one respect in which New York nomination in the first flush of a choice, the is ahead of Philadelphia. The "Commercial whip of party discipline brings all recusants Metropolis" has a Morgue, which is fashioned to terms before the day of the election, and upon the French plan, and the institution when the struggle comes they pull together serves to advance the cause of humanity and in the party harness as a united whole. This decency. As a feature of the system descripdiscipline and subordination to the imperious tions of dress and persons of unknown bodies behests of party has always been impossible that are found are regularly advertised by the in the organizations that have from time to Gothamite Coroners and every possible time been in opposition to the Democracy, facility is thus afforded for the prompt identiwhether they have been known as Whig, fication of the unfortunates who have met 603 AND 605 CHESTNUT STREET. 603 AND 605 CHESTNUT STREET. 603 AND 605 CHESTNUT STREET.

People's party, Union or Republican. This with violent deaths. In Philadelphia there opposition has always numbered in its ranks is no Morgue, nor are there any the intelligence of the country, and the citizens advertised descriptions of the unknown dead; who gave it strength and substance would | and unless the reporters take the trouble to not submit to be treated like "dumb driven | procure and publish such descriptions, the cattle," and forced to the support of men or | dead long remain unidentified; while survimeasures that were distasteful to them. In ving friends suffer the agony of doubt and susall parties that have the prestige of success pense as to their fate. If our City Fathers about them there will always be a set of will not youchsafe us a Morgue, they might at active men who make a trade of politics, and least authorize such advertisements as we who manage to push themselves forward as refer to. The public have a right to the inhe representative men of their party. The formation they convey, humanity demands it delegate and convention systems enable these | and fair play protests against the trouble and men to get control of the machinery of party labor being imposed upon reporters, while nominations, and they too often make selec- gratuitous publication is imposed upon newstions of candidates who do not enlist the active | paper publishers. support of the mass of the party because they

Different Views Concerning It ANDREW JOHSNON AND THE DEMOCRACY. (Correspondence of the N. Y. Herald.) w GHINGTON, Det. 8, 1201, 11.30 relocations are markable feature in the manner the Republicans her ceive the election news from Ohio, is the coinciden their views as to the cause of their defeat. All the beautiful the constitution of the constitu their views are to the cause of their defeat. All the is laid upon the amendment to the State Const. One prominent Radical was heard to ex. "That unfortunate amendment." In its fall torn down with it the Republican party, other said that negro suffrage was rapidly ing towards breakers, and the Republican oughtto cave itself by enting lose from the Most of the radicals, however, accept the reverse great good humos, although evidently greatly asto by the magnitude of the defeat, which seems to be not illy unexpected to even those politician are best informed. The attempt of those, which shall a large proportion of the depatches annot the progress of the elections in Penn-ylvadia Ohio, to identify the present democratic, with the old dissunion copperhead party, alluding to the Republican party as the Vinion party with severe condemnation among many of the covative Republicane tere. They were indignant atth justice of the terms. The result of the election in

lecapitúlation—Republicans, 19; Democrats, under the amplees of the Conservative Army and Navy Luion, presided over by Colone 10 Br ne. The President takes the news to-day very calmly. There has not been an unusual number of visitors at the White House during the day. [Correspondence of the N. Y. Tribune.] WASSINGTON, Wednesday, Oct. 9.—The city has been in a state of general excitement all day long. The White House and the offices in Newspaper Row have been crowded all day. Despatches were being continually received at these places. The proprietors of the Intelligence,
had a carriage in use, taking the returns from their office
to Mr. Johnson. Tonight, the general belief is tha
Pennsylvania has gone Democratic, that Ohio elect
a Republican Governor by a few thousand majority, bu
the l'emocrats have the Legislature, and the Amenduce
is defeated, and that there have been Democratic gains it
Indiana and lova. The old Washington rebels, and ther
