LILLIE'S SAFE READY FOR BATTLE. Institute the great splurge in the newspapers of the 44th instant, hended "Trial of Safos; Saller backed out," &c., and spined lowang & Watson. Men who will surrer, but of hurn (with the done simisteur down) in the night when them (with the done simisteur down) in the night when them (with the done simisteur down) in the night when them (with the done simisteur down) in the night when them (with the done simisteur down) in the night when them (with the done simisteur down) in the night when the spectra in the spectra of the second second the interested , articles only are present, may be expected to be very ready to burn safes, when they knew, by public an-nouncement days previous, that the test was postponed, and for what reason and it is not surprising that men do-ing this will make false charges also, and cay Sadler backs-out, or anything else, to effect their object. When I was a boy I was tola uper to erow until I got out of the woods, and I offer this advice gratis to Messire. Evans & Watson. The great Bafe Test will positively come of as an nounced, on Torrey and Twenty-first streets, between Arch and (herry, on the 6th of November next (weather permitting), and Lillie's Chiled Iron Safe will be burned with Evans & Watson's, with the Boston Steam Patent atched. Will Events of the second states and the second states and the second states will be burned in a furnace equally, thoroughing, and fairly, whether Kynams & Waken respond or not, in presence of the people. The burglar-proof test will also be most thorough. The two streat leading principles of Lillie's and the Steel Safe will be tested with drills, wedges, and in every way applicable to the burglar, that the people may be able to judge for themselves as to their merits. M. C. SADLER, Agent, 639 Arch street. P. S.—The public will be quife as well asfisfed no doubt, to see Evans & Watson's Burglar-proof Bafe fairly tested with Lille's on the ground as to read their yarns about pretended failures of safes in years doubt, I conced that Mesars. Evans & Watson may have a great advantage in showing the amount of loss in safes by heing robbed. Their's aro robbed so often and so casily that no prudent unan date leave them alone with valua-bles that a burglar could use; while Lille's are left alone with large amounts all over the country, the owners having full confidence in them. I concede, also, that Lille's former safes are cometimes robbed, and in the above fast propose to show that his present safe cannot be robbed by burglars. Action, not words, is my motio. Action, not words, is my motio M. C. S., Agent. oc25-315 PHILADELPHIA, October 25, 1867.

> The Indian Treaty. Sr. Louis, Oct. 25. - Letters and telegrams from Medicine Lodge Creek, Kansas, say that the will proceed to Montpelier, Vt., and be received grand council of Indians commenced on the 19th, on the part of the State. when Senator Henderson explained the object of the council and the desires of the Government. Nothing definite resulted, the tribes not being represented. Satanta, head chief of the Kiowas, the leading man of the Southern Indians, expressed his objection to leaving the plains and being confined insured in Baltimore offices, Arkansas river as belonging to the Kiowas and pany, of Virginia; Georgia, Home and James Camanches and does not want to give any away. Next day, however, the Kiowas and Ca- sey City Company, of Jersey City; Philadelphia manches made a treaty with the Commissioners, the provisions being the same as those of the treaty made on the Little Arkansas two years ago, with the exception that an agricultural reservation is set apart for them on the main branch of the Red River near the Washita Monntains, where those can go who chose, and are Convention is over 70,000. permitted to hunt on their ancient lands south of the Arkansas River. Satanta protested strongly against going into

houses like the whites, but finally signed the The Arrapahoes were to meet the Commissioners on the 22d, and the Cheyennes on the 25th, in separate councils.

Commercial. BALTIMORE, Oct. 25.—Cotton market stronger: Georgia Middling, 19. Flour very dull, and there are no sales worthy ef note. Wheat is better; prime to choice red. \$2 7062 75. Corn steady; white, \$1 3864 143; mixed Western, \$1 35. Onts steady; prime, 70672 centa, Rye dull and unchanged. Provisions coutinue very dull.
