This invaluable toilet article was discovered by a colo-brated chemist in France, and it is to him that the Ladies of the Courts of Europe owe their beauty. With all its simplicity and purity there is no article that will compare with it as a beautifier of the complexion and preserver of the skin.

M. C. McClusky purchased the receipt of him some ten years ago; he has since that time given it a perfect trial smong his personal friends and the aristocratic circles of Philadelphia, New York, Baltimore, Boston, New Orleans, Bt. Louis, Savannah, Charleston, Wilminbon, N.C. & C. They have used it with ungualified admiration, and would consider the toilet imperfect without this delightful and purely harmless preparation. Victoria Regia and Oscela de Persia has given such entire satisfaction in every intance, that he is now compelled to offer it to the public. This article is entirely different from anything of the kind ever attempted, and is warranted
