HAREM LIFE
HAREM LIFE EGYPT AND CONSTANTINOPLE, BY EMELINE LOTT. WITH A PORTRAIT OF THE AUTHOR.

From the Author's Preface.

"It was reserved to an humble individual like myself,"
in my official capacity as Governees to his Highness, then
Grand Pacha Ibrahim, to become the unheard of instance
in the annals of the Turkish empire, of residing within
those foot of intrigue, the Imperial and Vicerogat Harense in the annals of the Turkish empire, of redding within those fore of intrigue, the Imperial and Vicerogal Harems of Turkey and Egypt; and thus an opportunity has been afforded me of, asmodeus-like, uplifting that, impenetrable veil, to accomplish which had hitherto bailed all the exertions of Eastern travelers. It has been my aim to give a concise yet impartial and sympathetic account of the daily life of the far famed Odaliques of the nimeteenth century—those mysterious impersonifications of eastern loveliness. With what success I have achieved this difficult task is left to the judgment of the public tentine. Price 81 50 in Paper; or, 82 00 in Cloth.
