GRAND POPULAR MOVEMENT

TO ERECT THE

GETTYSBURG ASYLUM

Invalid Soldiers.

UNDER A SPECIAL

Charter from the State of Pennsylvania, Passed March 6, 1867.

AN APPEAL TO THE AMERICAN PROPLE.

The object of this Association is to provide, by public exertion, a NATIONAL HOME for our Disabled Sedilers, to erect an asylum for those, who, in their patriotism have served their Country at the expense of their health and happiness: who, in the battle for the Nation's life were maintenance. France has her Hotel Des Invalides where maintenance. France has her Hotel Des Invalides where rest the sakes of the great Napoleon; England her Greenwich and Chelsea Hospitals, the former being one of the wich and Chelsea Hospitals, the former being one of the finest architectural structures ever devoted to Charity. Russia, Prussia, and in fact, nearly all European, Countries have magnificent retreats for the unfortunate Boldiers—Monarchies provide for the sileviation of the suffering caused by war, but free, prosperous Republican America has no place for her crippled and sick soldiers but the country poor house, or the sidewalks of her crowded Cities. These noble patriots left happy homes to save our cammon Country in the hour of her deep distress. We pledged to them our lasting gratic tide, and now those who are dependent look to us in their utter need to redeem those pledges—they have performed their patr—we enjoy the result of their sacrifices—we must not be recreant to our obligations. Let us each devote but a single dollar to this purpose, and the Cettys-burg Asylum will afford the Soldiers a Home and our Country will be honored by the noble Institution.

THE LAND HAS BEEN PURCHASED

By this Association, and Ten Thousand Dollars have already been paid towards the preservation of the Battle. AN APPEAL TO THE AMERICAN PROPLE

I recommend to all Postmasters that they shall aid this truly benevolent and patriotic enterprise.

Being satisfied with the integrity of your enterprise, we cheerfully consent to display your diamonds at our establishment.
