"In the hours of our happiness and prosperity let s remember the unfortunate and disabled soldiers who saved us a country and a nationality."-Lin GRAND POPULAR MOVEMENT TO ERECT THE Invalid Soldiers. vania, Passed March 6, 1867. AN APPEAL TO THE AMERICAN PEOPLE.

The object of this Association is to provide, by public exertion, a NATIONAL HOME for our Disabled Seddiers, to creet an asylum for those, who, in their patriotism have served their Country at the expense of their health and happiness; who, in the battle for the Nation's life were maintenance. France has her Hotel Des Invalides where rest the askes of the great Napoleon; England her Greenwich and Chelsca Hospitals, the former being one of the finest architectural structures ever devoted to Charity. Russia, Prussia, and in fact, noarly all European Countries have magnificent retreats for the unfortunate Soldiers—Monarchics provide for the alleviation of, the suffering caused by war, but free, prosperious Ruyunitoan America has no place for her crippled and sick soldiers but the county poor house, or the side and sick soldiers but the county poor house, or the side walks of her crowded Citics. These noble patriots left happy homes to saye our common Country in the hour of her deep distress. We piedged to them our lasting gratitude, and now those who are dependent look to us in their utter need to redeem those piedges—they have performed their part—we enjoy the result of their sacrifices—we must not be recreant to our obligations. Let us each devote but a single dollar to this purpose, and the Gettysburg Asylum will siford the Soldiers a Home and our Country will be honored by the noble Institution.

THE LAND HAS BEEN PURCHASED Meade's Headquarters) have been set apart for the uses of the Asylum.

LEXINGTON AVENUE, NEW YORK, Octet 1 th. 1867. Having labored for three years to erect a Home for our Crippled Veterans, and having passed a bill. For that purpose in the New York Legislature incorporating some 100 of our best citizens as Directors,—but under which bill no action has been had, from that time to this,—and knowing the great and crying necessity of the case, the shame of leaving our disabled veterans to starve or beg, I hereby most cordially endorse your suterprise, and it shall have all the aid of my tongue, pen and influence. Very truly yours,

CHAS. G. HALPINE. Fully sympathizing with your great object, I tender you, gratuitouely, the services of my Full Orchestra, on the occasion of your Festival, at Irving Hall.

THEODORE THOMAS. I recommend to all Postmasters that they shall aid this truly benevolent and patriotic enterprise.

A. W. RANDALL. Being satisfied with the integrity of your enterprise, we y consent to display your diamonds at our cetal BROWNE & SPAULDING, 568 and 570 Broadway. We hereby certify that we have examined the Diamond Goods, Pearls, Emeralds, Rubies and other precious Stones, as described in the list, and find them all genuine.
