should consider it almost miraculous if some press advices do not state that any loss of life | BOY GIRARD NATIONAL BANK. ington intimate that there were casualties resuiting from the catastrophe. It is stated in these reports that the greater part of the officers and crew of the De Soto were saved, while a portion only of those of the Monongahela were rescued. Before giving implicit faith to this sad report, we prefer to await further intelligence among the merchantshipping when full accounts onthered and forwarded to us. The carthquake-was felt over a large area, and the accomanying storm must have worked sad havoc in

The corvecte Monorganela, attached to the North Atlantic equadron, was built at the Phila-delphia Navy Yard in 1861, Merrick & Sons furnishing the engines. She was 1.378 tons burden id carried since the war seven heavy broadside and pivot guns. She was one of the fastes tes in the navy and saw much hard service in the war. She was engaged in the first attack on Port Hud-on; assisted at the siege of that stronghold; rescued the New London from under the guns of College Point: silenced the guns of the rebel battery at Aranzas Pass, Texas, and assisted to capture it; and finally, under Captain James H. Strong, performed a distinguished part in the Mobile fight, when she attacked and rammed the Tenpessee wifes and sided to demorphize he Tennessee twice, and aided to demoralize and use up her crew. She has been attached to he North Atlantic squadron since 1865. The De Soto was a well-known merchant stammer before the war. She was purchased and fitted out as a blockader in 1861, carrying ten guns. She was a fast, well-built side-wheel steamer of 1,600 tons burden. She was exceedsteamer of 1,500 tons burden. She was exceedingly fortunate during the war in capturing blockade runners, one of her commanders having realized over \$100,000 in prize money in one cruise. She succored the defenceless people of Cape Haytien at the time of the attack of the British eloop-of-war Bulldog, and she subsequently conveyed Mr. Secretary Seward and party on their trip to the West Indies. She has been two years attached to the North Atlantic Squadron in the West Indies.

Mr. Späiding (Ohio) said he did not know that he should be opposed to the resolution, but he wished to discuss, and therefore he should object to its being adopted now.

The resolution was read, received and there were impatient cries from many members for the regular order of business.

Financial and Commercial News from New York.

New York, Dec. 6.—Stocks steady; Chicago & Rock New York, Dec. 6.—Stocks steady; Chicago & Rock White man until assistance came. Dr. Wool-

Francis, Joseph Williams, John Williams, L. Gowan and William Morgan (colored), were convicted of a charge of burging in breaking into the store of Mrs. Lisbon, on Hurst street, on Friday last. Sentenced to two years and six months.

Thomas McConnell who convicted of a charge of assant and battery upon Eliza Eldridge. Sentenced to three months.

Occurre Species, Judge Ludlow.—The case of H. B. and Barry Barlol, charged with maintaining a michace in the shape of a sagar reinery on Passyunk Road, below Carpenter street, was commenced yesterday. The testimony developed the fact that too noise disturbed the neighbors to such an extent that thoy were unable to sleep, owing to the vibration. This morning a juror was absent. He was sent for. He appeared at 11 o'clock and stated that his child was lill, and he was unable to leave. The case was not resumed when our report closed.
