Mr. Charles Trumbull White has written a charming account of the familiar legend of "The Three Holy Kings." It is beautifully printed by the Riverside Press, is illustrated with six capital full-page photographs, and is published by Hurd & Houghton—of itself an imprint that implies excellent work in all the mechanical parts of the book. In this little monogram of thirty-six pages, Mr. White has collected all the legends and traditions, all the history, profane and sacred, that could serve his original purpose, a familiar biblical lecture. The thoroughness with which that congenial task was completed, has enabled the author to give the public the benefit of his careful investigation of the art history of his subject.
