SAFETY RAILROAD SWITCH

MAIN TRACK UNBROKEN.
 I am now prepared to furnish railroad shroughout the United States with my Patent Railroad Switches, by the and it is impossible for any accident to occur from the misplacement of switches.
 The saving in rails, and the great saving in wear of the rolling stock, which is by this means provided with a level, smooth, and firm track at switches in place of the caused by the open joints and battered ends, is a matter deserving the especial attention of all Railroad Companies.
 AB A MATTER OF ECONOMY ALONE this inven-tion needs only to be tried to insure its adoption; but beyond the economy THE PERFECT IMMUNITY FROM ACCIDENT caused by misplaced switches is a subject not only of importance in respect to property saved from destruction, but it concerns THE LIFE AND LIMB OF ALL TRAVELERS UPON RAILROADS.
 Trefer to the Philiadelphia and Reading Railroad Com-pantes, and twill glady give any information in destail that may be desired,
