In the Fenian "Funeral seven acres. Obsequies" which are to take place in this city on Wednesday next, the police are ex-pected to take part in the glorification of the tary Seward. Their avowed motive was to prevent the Convention from enuring to the ington by General Gillem has been sent to Wash benefit of the Democratic party. This was District to report the condition of efficient of effic benefit of the Democratic party. This was between the condition of affairs in urged so earnestly, and apparently with so much honesty, that Mr. Raymend fell into District comprises Mississippi and Arkansas, nent fitness in extending an invitation to all into the contribution of affairs in the contribution of affairs in the contribution of affairs in the contribution of the contributi much honesty, that Mr. Raymond fell into District comprises Mississippi and Arkansas, nent fitness in extending an invitation to all the trap, trusting, with childlike innocence, where a very discouraging state of affairs Colonel Bingham's post-office subordinates, in the world? Because his tail comes out of his in the word of Andrew Johnson, supported | exists. The fatal policy of Mr. Johnson is | to take part in the public glorification of | head.

NEW PUBLICATION.

Seward must have known that it was going to be so. But the Democracy and its leaders are as little pleased with the double-faced conduct of Mr. Johnson, in this business, as were the Republicans. The chief organ of the party, demned Mr. Johnson as not entitled to the respect or confidence of Democrats. It inti-mates that they may still make use of him in opposing the Radicals and accepting

considence in Johnson and Seward, and sin-ereally repentent of his conduct. He deserves comes will be sufficient for their wants. The all the communities where he lived and labored. Westliche Post-office and a state of the communities where he lived and labored. cerely repentant of his conduct. He deserves eredit for this, and the Republicans ought to be grateful for the exposure he has made. THE SALT NUISANCE. While the community at large are rejoic-ing over the abolition of the salt nuisance and pointing triumphantly to the practical illustration afforded by the easy and com-fortable removal of the late fall of snow, the advocates of the nuisance are still at work

where it is to be applied, including all parts of Freedmen's Bureau. Neither the whites nor ledge which applies to the ordinary wants of worked up into other edifices. It also provides that, at all these points, con- its aid, especially in the Southwest. The composition of the solids and fluids the following remarkable item: "Edward Watte, nections shall be made with the underlying withdrawal of the agents of the Bureau from which constitute our ordinary food are a son of Colonel J. G. Sperry, of Boletourt sewers. This new bill looks pretty enough districts where they are no longer needed at first sight, but a little examination shows would facilitate its operations where they are that while it "will not hold water," it will hold a vast amount of the abomination from agents would make it easier to secure only hold a vast amount of the abomination from hold above hold a vast amount of the abomination from hold above which we have just been delivered. Railway the services of proper and reliable men for corporations are not more virtuous than other the difficult and often delicate duties which the difficult and difficult trouble to examine it carefully will be sure to just was refused.
