The tiller ropes were gone, and the vessel Senate 4 in favor and 21 opposed. was helplessly steaming along. One passenger, formerly an engineer, attempted to get to the engine-room, but before he could do so his clothes caught fire, and he rushed screaming back to the deck. His clothes were torn off by

to command the flag-ship of the North Atlantic of the province of the secretary of the Service o nack to the deck. His clothes were torn off by night a river thief got on board the brig Essex, als fellow-passengers, but his sufferings were so lying at Pier No. 4. East river, and while prowlhis fellow-passengers, but his sufferings were so intense that he leaped into the sea and was drowned. As one of the boats was being lowered, captain Mills go that he is a suffering were so intense that he leaped into the sea and was drowned. As one of the boats was being lowered, captain Mills go that he is a rope ladder hand he clung, and all were struggling in the sea. Captair, Mills cannotswim, but, fortunately, a huge way threw him against a rope ladder hand he clung, and finally scrambled on deck. Once more on the deck Captain Mills found Captain Marston, the Purser, and the Purser's wife. This woman implored her husband to leave the ship but he refused, as he was an officer unless ordered by the Captain. Capt. Marston then bade him do the best he could for the safety of himself and wife. Alife-preserver was then fastened to the Purser's wife, and an attempt was made to lower he'r into the sea. Capt. Mills seeing Capt. Marston on the deck, said to him, "I think I'll take my charces with you on the deck; as I cannot swim. Your experience, I have no doubt, points to this place as the most secure of all." Captain Marston advised him to make an effort to save to this place as the most secure of all." Captain supposing it to be flour, mixed some of it with Marston advised him to make an effort to save himself by some means—with a hatch-cover, a into cakes, which she ate. She was soon after-into cakes, which she ate, She was soon after-into cakes, which she ate to make an early all the same of the door, or anything that he could lay his hands on. As for himself, Captain Marston continued, he should not leave the ship until every one clse had done so; he had with pair in the stomach, and calling at a drug store took an emetic. This afforded no relief, and a physician was summoned, but without avail, as she died during the day. The done so once when there was no hope of saving the vessel, and he was called a murderer and a coward from one end of the country to the other, menade in front of the St. Nicholas, was acciand he could not again pass through such an ordeal. Captain Marston died at his post. Captain Mills fastened a life-preserver around his own waist, and lowered himself into the sea, but a through such as popular through such as popular waist, and lowered himself into the sea, but a through such as popular through the sea through such as the present a such as the present and the such as the present a such as the pre thrusts with a poniard, but did not hit him.
