AN ORIGINAL POEM BY HALLECK. | Canada, they are unjustifiable, and had the | youd midnight. Contrary to very genera

A FAREWELL TO CONNECTICUT. I turned a last look to my dear native mountain he dim blush of sunset grew pale in the All was still; save the musle that leapt from the And the wave of the woods to the summerwind's sigh

Far around, the gray mist of the twilight was And the tints of the landscape had faded in blue, Ere my pale lips could murmur the accents of

My heart was still warm with a mother's em-

bracing, My check was still wet with a fond sister's Like an infant's first sleep on the lap of its shown patriotism, courage and even heroism; ing to the frost, which caused a delay in getmother, Were the days of my childhood—those days are the leaders a remarkable regard for the condi-no more the days of my childhood—those days are the leaders a remarkable regard for the condi-tion of their purses, and the safety of their range of buildings was entirely consumed and And my sorrow's deep throb I had struggled to

we had be build in a build of the build in the building and the Passy artesian well, Was that infant's wild cry when its first sleep drawn the attention of the civilized world which furnished an abundant supply of water,

of that hour! Yet still in his day-dream the wanderer hovers

And Hope lingers near him, her wildest song sent into danger. The existence of this breathing, sympathy so wide-spread and universal has considered would not be exagbreathing, And points to a future day, distant and dim, When the finger of sunset, its eglantine weav-

\_\_\_Putnam's Magazine for February.

The Catholic Standard of this city, understood to be the organ of the Bishop of she governs Scotland, Fenianism will die of Philadelphia, contains, this week, the following leading article:

The Right of Revolution. In times of great excitement it too fre- isfied with good government. quently happens that principles well known, and clearly understood under ordinary cir-cumstances, are lost sight of, and even, occa-and abhor British rule in Ireland just as sionally, hastily condemned. And there are much as the hottest Fenian; but mere feeling Points the quick car and wags the expectant tail. as those which determine the Catholic doc- | it may be possible to strike a successful blow, but to remind them of what some may be in danger of forgetting. All Catholic Divines teach that tyranny on the part of a government, when carried to

such an extent as to be insupportable, does, under certain circumstances, justify armed rebellion. It is only amongst Protestant writers that we find defenders of the doctrin that the kingly power is given by God di rectly to the Sovereign, and cannot be for feited by him no matter how unbearable his tyranny. This right of revolution becomes clearer still, when the tyrant originally had no just title to power. But, to render lawful an attempt at an armed uprising against even a tyrant, another condition is required, namely, that there be at least a probability f success. Otherwise, the attempt would

EUROPEAN AFFAIRS.

ENGLAND AND AMERICA. British View of the Congressional Dis-cussion in Regard to the Rights of Naturalized Citizens,

[From the London Times, Jan. 8.] The United States Congress is already acting upon the President's suggestion, and the liabiliics of naturalized citizens must soon become the quotations. subject of serious negotiation. We cannot be surprised, and we ought not to be offended, at the keen interest manifested by the Americans in inculcated by Suarez, and received from whom are immigrants from British territories, and inculcated by Suarez, and received from them by every Catholic writer who has treated of the subject. According to the celebrated Bianchi, whose writings have merited the special favor of the Holy See, the early Christians had the right to revolt against the persecuting Emperors, who were denying them the most precious of who were denying them the most precious of all rights, true liberty of conscience, allowed to them by the constitution of the Empire, as well as guaranteed by the law of nature. But as they mere denying do i the means of But, as they were deprived of the means of stained that it is peculiar to English jurispru-successful resistance, they patiently yielded dence and is not recognized in the United every day to the heart of the city to meet the dence and is not recognized in the United every day to the heart of the city to meet the to brute iorce, and languished in prison, and died without a murmur, for the faith of

and tyranny. We are never required to do anything that would involve a recognition of all; for the same eminent authority negatives, as rivers from the north, the Mooshassuck and the right of the tyrant or usurper; but we introduce the standard It is for this reason that the Catholic clergy of Ireland has constantly set its face against Fenianism. Not that it believes the English usurpation in Ireland to be now, or to have ever been, a legitimate government; not that it does not believe that, even had it ever been a legitimate government its at mental and habilities of native Irish-men so long as they reside in America, it is cipally certain that no American law can govern insufficient and it so hap-pens that, whatever conflict may exist between a legitimate government its at delow the interest of the two counties there is here. a legitimate government, its shameless op-pression of centuries, its persistent mainte-no conflict between their respective codes. On STREETS. a legitimate government, its shameless op-pression of centuries, its persistent muinte-nance of outrageous grievances, would not give just cause for rebellion; but, that it knew that there was no chance of success, especially with the means Feninais had at its disposal. And the heart of the priest yearned for their people, and they implored the young men of their flocks not to engage in made entexprises which could be productive of much evil, and of no good. Experience has proved that the priests were right. The want of proportion of the means employed by the such fatal consequences. Fenianism has filled British gaols with prisoners, it has fur-nished victims to Englished? It has furnished some lazy loafers with a better support than they will ever have again; this is the sum total of

nes Stephens was all Boulogne came on with great eclat. The men believe that James Stephens was all along in the pay of the British Government. Certain it is, at all events, that the English Minister at Washington was kept regularly informed of the most secret plans of the con-spirators. In one word, the whole move-ment was so badly managed that we are forced to the conclusion that the leaders were either fools or knaves. In either case, they are not to be trusted. But, even were they honest and capable, they could not have anceeded. An expediare not to be trusted. But, even were they honest and capable, they could not have succeeded. An expedi-tion from the United States to Ireland is a mere chimera. It could never succeed. Dur-ing the late civil war, our Government had undisputed control of the sea. Yet our Southern expeditions were always fraught with danger, and our gallant sailors bfeathed ing the troops safely at their destination. What, then, could be the chances of Ireland, guarded as they would be jealously and effec-tually by the English navy? As for raids on menes of the club. The feite, which began tually by the English navy? As for raids on menes of the club. The feite, which began tually by the English navy? As for raids on menes of the club. The feite, which began tually by the English navy? As for raids on wints the spin date and sile. they would be intervaled in land-ing the English navy? As for raids on tually by the English navy? RETAIL DRY GOODS. For this reason we are opposed to the or- liffet, Countess Paul Demidoff, Madame Sauuticles. We may be told that Fenianism has "chain" of volunteers was formed between Mr. Bright on Tory Reformers. madverted on the inconsistency of tories, and "During that session of 1866 it is impossi scarcely justified if the bill had been so bad the pursuit of office reminds me of some lines and in good faith. We venture to say that if which were published a good many years tion than when they describe the course of the tory party last year. The poet in the Rejected Addresses says: street, Rush sympathetic dogs from their retreat,

Beam with bright blaze their supplicating eyes, Sink their hind legs, ascend their joyful cries/ Then, wild with hope, or maddening to prevail. no principles of which this is so often true, never made a successful revolution. When [Loud Laughter.] Just so the gentlemen of as those which determine the Catholic doc-trine on the right of Revolution. We beg in the name of God let all Irishmen join here bride to state what is the teach-here bride to state what is the teach-here bride to state what is the teach-there bride to state what is the teach-ther eave, then, briefly to state what is the teach- | hands and strike it; until that day comes, let | them benind who thought that above leave, then, briefly to state what is subject, | us, as O'Connell taught, strive by peaceful | something to be had. Inspectally, and going of Catholic Theologians on this subject, | us, as O'Connell taught, strive by peaceful | all, the lawyers, who have since been gorged not, indeed, to tell our readers anything new, means to better the condition of our poor, with patronage, and for the sake of that patronage and plunder, which, in India, is called loot, formed a combination to overthan empty vaporings and foolish boasts that | throw the bill of 1866. To place themselves in office and keep themselves there they con-sented to pass a bill infinitely worse on all the points for which they condemned the ill of 1866, and I venture to say their conduct on this occasion leads to the conclusion that there is scarcely any institution of the country, however honorable and ancient, that they would not sell for the permanent possession of office." [Cheers.] Mr. Bright has probably added to the stock of Parliamentary and Congressional

The Cove of Providence.

It has been proposed to fill up the "Cove," died without a murmur, for the faith of Christ. Indeed, but too often practical duty is determined by the arbitrament of brute force. Principles are eternal, and do not change with the changing circumstances of worldly things: but, in practice, we plain covered with houses and streets, to which neither breezes nor water from the sea of worldly things; but, in practice, we them, carcially abstains from denying its right often have to submit patiently to injustice over natural born subjects returning within its own jurisdiction. He elsewhere affirms this right would ever come, and under which, in such and tyranny. We are never required to do we purpose and under unaverse and under unaverse and under the two severs as might be devised, the two severs as might be devised.

hazy loafers with a better support than they ever had before, and than, we hope, they will ever have again; this is the sum total of its record. Fenianism cannot free Ireland. Its lead-ers are not to be trusted. One of them, O'Mahony, was at least half crazy. If we are to believe what the leaders of the two contending factions say of their opponents, they are all a pack of rogues, ready to betray their country of English cold and the hang. 8123.094 14 . \$39,783 88 .. 14,123 81 4.474 56 22,182 3 \$80,564 50 F. # MEDICAL IF YOU WISH TO BE BEAUTIFUL. Use Oscella de Persia, or Victoria Regia. foi Beautifying the Complexion and Preserving the Skin. This invaluable toilet article was discovered by a col-brated chemist in France, and it is to him that the Ladies of the Courts of Europe owe their beauty. With all its simplicity and purity there is no article that will compare with it as a beautifier of the complexion and preserver of with it as a beautifier of the complexion and preserver of the skin. M. C. McClusky purchased the receipt of him some teo years aço; he has eince that time given it a perfect tria; among his personal friends and the ariatocratic circles of Philadelphia, New York, Baltimore, Boston, New Orleans, St. Louis, Bavannah, Charleston, Wilminton, N. C. dc. They have used it with unqualified admiration, and would consider the tolict imperfect within out this delightful and purely harmless preparation. Viotoria Regia and Oscella do Persia has given such entire satisfaction in every instance, that he is now compelled to offer it, to the public. This article is entirely different from anything of the kind ever attempted, and is warranted FIED FROM ALL POISONOUS SUBSTANCES. After using Oscelir for Persia and Victoria Regia for a short time, the skir fil have a soft, satin liko texture; it imparts a freshner semoothness and softness to the ekin that can only be coduced by using this valuable article. It presents no virkar liquid or other compounds, and it nee cannot possibly be detected by the closest observer. FOR REMOVING TAN, FRICKLES, SUNBURM ANE

l presente no vuigar liquia or other compounds, and az se cannot poesibly be detected by the closest observer. OR REMOVING TAN, FRECKLES, SUNBURN AND CUTANEOUS DIBEASES FROM THE SKIN, IT IS INVALUABLE. M. C. McCluskey has every condidence in recommending his Victoria Regia and Orcella de Perzia to the Ladiga as being the only perfect and reliable toilet article now in ma Genuine Prepared only by M. C. McCluskey, And his name stamped on each label-no other is genuins Depot, No. 109 North Seventh Street.
