#### CHTY RULLETIN.

THE INSTITUTION FOR THE BLIND .- The thirtyfifth annual report of the lastitution for the Blind, of this State, has been published. It speaks well for another of Pennsylvania's noble chariwell for monter of inmates is, at this time 185: 32 of these, including 19 in "The Home," support themselves wholly, or in part, as assistant teachers, or in the work department. The school department includes all of the school department includes all of the branches taught in our common schools, to which is added music, which, beside affording pleasure to all, affords a source of livelihood to many as organists, teachers, piano tuners, &c. The Principal, in his report, speaks of the necessity of some fixed plan for affording aid to those blind who have been taught trades, but were too the afficiently event to care their own may not be sufficiently expert to earn their own

living unassisted, and suggests a manufactory where they might be employed, or from which they might obtain work to do at their own homes. The manufactures for the year just passed are reported at \$16,865, of which \$2,150 were made by females. May their efforts for the good of the blind be crowned with full success.

The Board of Managers, in concluding their report, thus refer to the death of one of their number.

number:
"The Board have to deplore the loss of one of their own members, Mr. Pierce Butler, who; tor many years, had served as a Manager, and regularly participated in its meetings and proceedings, whenever circumstances would admit of his so ever desirous to extend to them and to the whole cause his efficient aid and support."

IMPORTANT LEGAL DECISION .- In the Court of Nisi Prius, before Judge Strong, yesterday and to-day, a suit was tried, brought by Robert Thompson against the Philadelphia, Germantown and Norristown Railroad Company. The plaintiff alleged that he left the city for Germantown on the 8th of May last in the 12 o'clock train, and that the train did not stop a sufficient time at Germantown to allow him to alight; that he jumped while the train was in motion, having a bundle in his arms, but was struck by the car and threwn and seriously injured. The Company proved by a number of witnesses that the train stopped longer at Germantown than usual, on account of the pumps of the engine being ob-structed, and it was shown that the plaintiff was engaged in conversation, and did not notice the

the case was argued by Thomas K. Elcock, Esq., for plaintiff, and by Henry M. Phillips and Edward H. Well, Esqs., for defendant. Judge Strong charged the jury that if a person jumps from a railroad car whilst the train is in metion, he is guilty of negligence; and if he contributes to the accident he cannot recover; and that under the uncontradicted evidence in the case it was their duty to find for defendant. The jury found, accordingly, for defendant.

Rior, &c .- Wm. Martin, Edward Flanigan and John Cunningham were arrested last night, at Nineteenth and Market streets, for riot and assault and battery. Michael McAlcer and some friends were coming in from West Philadelphia and when they reached Nineteenth and Market sind which they reached Rindershift and Market streets they were attacked by the defendants and three others. The noise caused by the assault attracted the attention of the police, and the ac-cused were captured. The three others escaped. The prisoners had a hearing this morning before Alderman Jones, and were held in \$800 bail for trial.

RELIEF OF THE SUFFERING POOR .- The following communication explains itself:

Gentlemen: Will you permit me to say to your generous readers that there is a good deal of suffering among the industrious poor who cannot obtain work? I have assisted two hundred and ten persons since 1st of January, besides giving recommendations for soup to that noble charity, the Pine Street Soup House, 338 Griscom street. Donations in money, coal, clothes, woman's shoes, coffee, tea, sugar and rice are solicited, and will be thankfully received. My address is 624 South street, or 619 Bedford street.
"John D. Long, Missionary."

THE SOUTHWARK SOUP SOCIETY distributed in seven weeks last season 68,000 pints of soup and 15,207 loaves of wheat bread, supplying 481 families or 2,000 persons daily. The Society is in full operation, and the demand is rapidly in-ereasing. Contributions in money, also, bread, beef, beans, potatoes, barley, &c., will be thank-fully received at the Soup House. Sutherland be-low Queen street, or by the President, Philip Powell, 218 South Front, and 1219 South Fourth street. Also, the Treasurer, Alexander Greaves, 206 North Fifth and 816 South Fourth street.

RECEIVING STOLEN GOODS .- Robert and Annie Smith were before Alderman Patchell, charged with receiving goods alleged to have been stolen by John Holland from Monteith's store, at Twentieth and Pine streets, and by Luke Sullivan, from O'Hara's store, on Pine street above Sixteenth. Holland and Sullivan have also been arrested.
All the parties were committed for trial.

BREAKING LOCKS .- Two colored men, named Henry Williams and John Thomas, were arrested yesterday while attempting to break into a store on South street. They had a small spike, with which they were endeavoring to break the lock. This spike also fitted the marks made upon several other doors on which the locks had been broken. Williams and Thomas were committed by Alderman Tittermary.

RUNAWAY .- A pair of spirited horses, attached to a carriage, ran away on Teuth street, below Spruce, yesterday afternoon. At Spruce street, a lady and child, the occupants of the vehicle, were thrown out. The child was thrown over the dasher of a passenger railway car, which had been stopped at the corner, and landed upon the platform. Neither the lady nor child was badly in-

IN THE PROVISION LINE .-- A man named Jacob Gabel was arrested at half-past six o'clock, this morning, at Dock street wharf, for larceny. He had loaded on a wagon two firkins of lard, one irkin of butter and a half barrel of fish, and was about to drive off when he was captured. The provisions were directed to P. Sherman, Norristown. The accused was committed by Alderman

House Robbery .- John Kennedy was arrested yesterday upon the charge of having broken into a house on Wilder street, above Fifth, and carried off towels, pants, jewelry and other articles, which he packed up in a pillow-case. He was taken before Mderman Mink and was committed in default of \$1,000 ball to answer a

FREEDMEN'S COMMISSION.—A public meeting of the Pennsylvania Branch of the Freedmen's Commission of the Protestant Episcopal Church will be held at St. Luke's Church, on Sunday evening next, at half-past seven c'clock. Addresses will be made by the Rev. Charles Gillette, Secre-tary and General Agent of the Commission, and Rev. Dr. Haight, of New York.

THE SARNGERBUND .- The annual bal masque of the Süngerbund will be given at Hortleultural Hall on Morday evening next. The Committee of Arrangements have adopted every measure to make the ball one of enjoyment to the partici-pants. The entertainment will begin with an operatic selection, to be given by members of the

ALLEGED SWINDLE .-- Wm. H. Jones was before Alderman Beitler last evening upon the charge of false pretences. It is alleged that through misrepresentation he induced Edward McEwe, a farmer of New Jersey, to send to him potatoes valued at \$267, and was then unable to or did not pay for them. He was committed to await a requisition from the authorities of New Jersey.

"STEALING MEAT. - This morning, about two o'clock, as the butchers were unloading meat on Shippen street wharf, Elizabeth Mulien seized several pieces and ran off. She was pursued and captured. After a hearing before Alderman Tittermary, she was sent to prison.

Snow Case Robbed.—The show case of Wm. Barber, optician, No. 248. North Eighth street, was broken open this morning before it had been put out from the entry on to the street, and was robbed of opera glasses, spectacles, &c., valued

LARCENY .- Wm. Jackson, colored, was before Ablerman Lungren, this morning, for stealing a handsome whip from a piace on Baring street. When arrested, a pair of ladies' skates were found on his person. He was committed.

THE AMERICAN BUNDAY SCHOOL UNION .- We learn with pleasure that through the instrumentality of the American Sunday School Union, over 50,000 Sunday Schools have been organized, from which more than 1,000 churches have grown to adorn and bless the land. In these schools two million five hundred thousand children have received instruction.
There yet remains in our extended country four millions of children without the privileges of the Sunday School, and the Society is making efforts to bring those neglected ones within its influence; but to accomplish this work they need immediate help. It is feared the Society will be obliged to discharge one-third of its missionaries, for the want of means to sustain them. We hope the friends of the Sunday School Union will aid this important

FATAL RESULT.-Mary Jane Munce, who was badly burned at No. 1025 South street, on Thursday night, died yesterday afternoon at the Pennsylvania Hospital.

#### NEW JERSEY MATTERS.

PETTY THIEVING .- This business is carried on to a great extent in Camden, the light-fingered members of the fraternity operating in some instances in a very bold and during manner. They take all kinds of articles, from valuable overcoats to horse blankets and buffalo robes. An evening or two since Dr. Schenck had his buffalo robe stolen from his horse while it was standing in front of his own house, and a short time pre viously Dr. Marcy had his carried away. Several of these operators have been made to fill the just penalty of their crimes.

THE COURTS .- In the Camden County Courtsnow in session, the civil business has been disapposed of, and the following named persont pleaded guilty to the several charges agains; them: Edward Eike, selling liquor on Sunday, Littleton Williams, do., and without license; Jeremiah Julius, two indictments for assault and battery; Peter Hook, two indictments for petty larceny, John Taylor, assault and battery; Hermann Shultz, selling liquor on Sunday; Her-mann Shultz, selling liquor on Sunday; Ellen Crawford, assault and battery; Andrew Collings, grand larceny; Thomas Needham, assault and battery; Lydia F. Gifford, three indictments of grand larceny; Charles Keonkle, malicious mis-chiet; Robert Forman, Daniel Forman and James Jackson, layeny of corn Jackson, larceny of corn.

DRUNKENNESS.—During the past week there has been an unusual number of drunken persons has been an unusual number of drunken persons arrested in Camden, indicating that the quality of the liquor is degenerating, or else the persons drinking it are less careful of the quantity they swallow. Barney Horn was twice arrested for drunkenness, Daniel Doyle was found "dead drunk;" Phillp Calaway was found in a similar way, a night or two since. These and several others paid the penalties which the law in such cases provides. cases provides.

DEDICATION.—The Second Baptist Church of Camden have erected a large and handsome edifice for the purposes of Divine worship, at the corner of Fourth and Mount Vernon streets, South Ward, and will dedicate the basement portion of it on Sunday, the 26th inst. The Pastor is the Rev. C. M. Deitz. The dedicatory sermon will be preached by Rev. Dr. Boardman, of Phila-delphia, at 3 o'clock in the afternoon. Sermon in the evening by Rev. Levi Beck, of Pennsyl vania. Services in the morning at 1014 o'clock

A GREAT DISADVANTAGE .- A few weeks ago thereby causing much disadvantage to the citi zens, as they now have but one mail per day. The reason assigned in Atlantic City for this discontinuance is that no one has been sworn in to deliver it from the cars to the post-office. Mr. Keats, the baggage-master, has taken such an oath, and the arrangement for delivering the mail in the evening ought to be made at once.

THREE LADS DROWNED.—On Friday afternoon while a number of lads were skating on Evans' Mill Pond, near Haddonfield, five of them broke through the ice. Two were rescued, but three of them, named Toole, Cafferty and Shinn, were drowned. Their ages range from eight to twelve years. Toole was quite a promising boy, and was taken in Church last Sabbath. He was about ten years of age.

LIFE-SAVING STATIONS .-- An effort has been made by some of the Democrats of Monmouth and Atlantic counties to induce Congress to divide the life-saving stations on the Jersey coast into three districts. This is designed to give positions to two Democrats, whereas it is now held by a Union man, Mr. Ivins.

IMPORTANT TO SKATERS.—Never go out to the parks without first procuring a good supply of the "Century." If you are doing well it gives clasticity and suppleness to your muscles, and if you fall it canbles you to bear the bumps and thumps of life with fortitude and resignation.

A School Mistress, while taking down the names and ages of her pupils, and the names of their parents, asked one little fellow, "What's your father's name?" "Oh, you needn't take down his name; he's too old to go to school to a woman," was the reply. But nobody is too old to buy that magnificent coal sold by Mr. W. W. "Boots at the Holly Tree In."—Mr. Dickens, in his reading of this story, paid a glowing tribute to the old-fashloned, home-like English Inns, where the most attractive thing, next to the beer, was the landlord bimself, with his face and hands full of smiles and elxpences. In a few rural towns of England to-day may counterparts of the Holly Tree Inn be found. "Mr. Trollope again gives us one of his novels of Italian private life of the present day. The descriptions of the city of Siena—of the country around—of Savona, the desolate town of the Marchman—are wonderfully graphic, and bear witness to tueir having been done from the life by one who has lived in the places and loved them. The scene in the great church of Savona is brought vividly before the reader, who will not easily shake off the impression it produces. We would recommend the reader to learn for himself the unraveling of the plot and the tinal result. The story will repay perusal, and the interest increases as it proceeds.—Atteneum,

## ACROSS THE CONTINENT,

ARE NOW COMPLETED, THE TRACK BEING LAID AND TRAINS RUNNING

Within Ten Miles of the Summit: OF THE ROCKY MOUNTAINS.

The remaining ten miles will be finished as soonles the weather permits the road-bed to be sufficiently packed to receive the rails. The work continues to be pushed forward in the rock cuttings on the western slope with un abated energy, and a much larger force will be employed during the current year than ever before. The prospec

was never better. The means so far provided for con-truction have proved ample, and there is no lack of funds for the most vigorous prosecution of the enterprise These means are divided into four classes:

1.-UNITED STATES BONDS.

Having thirty years to run, and bearing six per cent, cur rency interest, at the rate of \$16,000 per mile for 517 miles on the Plains; then at the rate of \$45,000 per mile for 130 miles through the Rocky Mountains; then at the rate of \$32.000 per mile for the remaining distance, for which the United States takes a second lien as security. The in terest on there Bond is paid by the United States govern ment, which also pays the Company one-half the amount

By its charter the Company is permitted to issue its own First Mortgage Bonds to the rame amount as the bonds issued by the Government, and no more, and only as the road progresses. The Trustees for the Bondholders are the Hon. E. D. Morgan, U. S. Senator from New York, and the Hon. Oakes Ames, Member of the U. S. House of Representatives, who are responsible for the delivery of these Bonds to the Company in accordance with the terms

#### 3.-THE LAND GRANT.

The Union Pacific Railroad Company has a land grant of absolute donation from the Government of 12,500 acres to the mile on the line of the road, which will not be worth less than \$1.50 per acre, at the lowest valuation. 4.-THE CAPITAL STOCK.

The authorized capital of the Union Pacific Railroad

Company is \$100,000,000, of which \$8,500,000 have been

neid on the work already done.

## The Means Sufficient to Build the Road.

Contracts for the entire work of building 914 miles of first-class railroad west from Omaha, comprising much of the most difficult mountain work, and embracing every expense except surveying, have been made with responsible parties (who have already finished over 540 lifty-eight dollars (\$65.058) per mile. This price includes all necessary shops for construction and repairs of cars depots, stations, and all other incidental buildings, and also locomotives, passenger, baggage and freight cars, and other requisite rolling stock, to an amount that shall not be less than \$5,000 per mile. At present, the profits of the Company are derived only from its local traffic, but this is already much more than sufficient to pay the interest on all the Bonds the Company can issue, if not another mile were built. It is not doubted that when the road is completed the through

traffic of the only line connecting the Atlantic and Paci-tic States will be large beyond precedent and as there will

be no competition, it can always be done at profitable

rate.
It will be noticed that the Union Pacific Railroad is, in fact, a Government Work, built under the supervision of Government officers, and to a large extent with Government money, and that its bonds are issued under Government direction. It is believed that no similar security is so carefully guarded, and certainly no other is based upon a larger or more valuable groperty. 'As the
