920 CHESTNUT STREET. PHILADELPHIA. CIGARS AND TOBACCO. "MARIANA RITA."

-Our standard Havana cigars, just offered and branded as above, contain only the highest grade Vuelta Abajo Havana Tobacco, imported by ourselves for our own use. Owing to its high cost such leaf cannot produce "low-priced" cigars, but only fine cigars, such as we now offer, equal to the best imported, at 25 to 40 per cent, loss cost. Each of our partners has had years of practical experience in this manufacture at Havana—that of our senior rartner alone embracing over thirty-eight consecutive years, a portion of which were spent in the Vuelta Abajo district itself. Owing to excessive import duties on cigars, we determined to make this experience available in the manufacture of fine cigars here, and, to have everything under our own control, we established our factory thing under our own control, we established our factory. the manufacture of me cigarance and our factory thing under our own control, we established our factory at our place of business, where it is under the constant personal supervision of two members of our firm.

We secured (carly last summer) a full supply of the finest vultahabajo Leaf (of lees crop), sufficient to carry us through without variation of quality until the next incoming crop (of 1897), of which we have arranged to secure our share when it shall be ready to ship next summer.

mer.

Having the necessary experience in the leaf and its proper use; holding a supply of the right material, and being determined to use it; we feel sure that fout of 1885 crop) no better cigars can be made at Havana than we are making here under "Mariana Rita" brand.

All strictly first-class factories there use this Leaf-from the Veelta Abajo district—a tract of about 0.0 to 70 miles long by less than half that breadth—and all the miles of could be suffered to the country of the miles long by less into this space is of high grade, without leaf cultivated in this space is of high grade, without much difference of flavor, the chief difference being that the leaf from some Vegas, (or farms) yields more eigars the leaf from some Vegas, (or farms) yields more eigars the leaf from some Vegas, (or farms) yields more of the leaf from some vegas, and walked through the more prominent factories—pretend to unusual wiedom respecting Hayana eigars, and intimate that special manufacturers "grow their own leaf," or "monopolize all that is the first with the y"impart, by secret process, a distinctive flavor to their eigars," or, that they "more invest," and the other equality incorrect information.

We believe our exterience has well taught us the ins and outs of the business. There is no mystery about it, and the only "secrets" at Havana, are knowledge of the and the only eight the with the will and means to secure it, and Leaf, united with the will and means to secure it, and Leaf, united with the will and means to secure it, and then to twist of the interpretations.

There is no natural aroma.

There is no more moistening, than at Havana, if as leaf requires no more moistening than at Havana, if as much. In meither place could it be stripped of its stems and relled into eigars without being first slightly damp-ored. oned.
Our standard Hayana Cigars are branded only oned.
Our standard Hayana Cigars are branded only "Mariana Rita." Other brands of ours, such as "Fra Diavolo" and "Louis d'Or," we use upon cheaper grades of Cigars, each brand being peculiar to a separate grade and cuch guaranteed to be of the finest material possible, in its special class.
These three brands (copy-righted) bear our name and TO GROCERS, HOTEL-KEEPERS, FAMILIES AND Others.—The undersigned has just received a fresh supply. Catawba, California and Champugne Winas, Tonic Ale, (for invalids), constantly on hand.

8t. Xaverie Academy Destroyed.

Express the Plate and Garden of the Computer and St. Variety o the sisters. Nothing could be done, however, to save the building, and their whole efforts were turned toward the contents.

The want of water on the premises was a very serious drawback, of course, on all efforts to extinguish the fire. For some time past, we are informed, the cold weather has reduced the quantity of water so that scarcely enough for cooking purposes could be got. Notwithstanding, therefore, all efforts to save the buildings, the whole institution was destroyed.

The Bisters, after taking all necessary care of the pupils—numbering about one hundred—performed wenders in saving musical instruments, valuable furniture, the marble aftar of the

the whole institution was destroyed.

The Sisters, after taking all nocessary care of the pupils—numbering about one hundred performed wenders in saving musical instruments, valuable furniture, the marble altar of the chapel and ornaments. Through the efforts of the Sister in charge of the trutks of the scholars, although an invalid, they were removed from the burning building in safety. The Sisters lost their own wardrobe in their eager desire to care for and protect the young ladies from all possible injury or loss.

Immediate measures were taken to send the pupils to their homes. By sleds and other conveyances they were sent to Latrobe, and thence by eastern and western trains, passed free of charge to their homes.

The Pittsburgh pupils, about twenty in number, arrived in this city Saturday evening, on the Altoona accommodations at the Convent who were unable to reach their homes were provided with accommodations at the Convent who were unable to reach their homes were provided with accommodations at the Convent who were unable to reach their homes were provided with accommodations at the Convent who were unable to reach their homes were provided with accommodations at the categal and the residuce of Dr. Thomas C. Finhor of pupils arrived in this city Saturday evening, on the Altoona accommodations at the Convent of who were unable to reach their homes were provided with accommodations at the Convent who were unable to reach their homes were provided with accommodations at the Convent of who were unable to reach their homes were provided with accommodations at the Convent of the pupils arrived in this city Saturday evening, on the Altoona accommodations at the Convent of who were unable to reach their homes were provided with accommodations at the Convent of the whole were unable to reach their homes were provided with accommodations at the convent of the pupils arrived in this city Saturday evening, on the horse and a number of pupils arrived in this city Saturday evening, on the horse and a number of pupi provided with accommodations at the Convent on Webster street, and several Sisters and a number of pupils arrived in the city yesterday.

The hour at which the fire took place alone accounts for the safety of both Sisters and the children under their charge. This, amidst the general gloom, is a matter for joy and thankfulness.

The distance of Event and the city yesterday by Coroner Keenan at the residence of Dr. Thomas C. Finnell, No. 132 West Houston street, on the body of two infants, one named Ann McKenna, and the other unnamed, who were on Saturday, by order of Coroner Keenan, removed from the commercial interests still continue in operation, and cause much uncertainty as to the other unnamed, who were on Saturday, by order of Coroner Keenan, removed from the commercial interests still continue in operation, and cause much uncertainty as to the future.

Washington, February 4.—The House Committee on Foreign Affairs, expected to have consisted on Foreign Affairs.

sidered the subject at their meeting to-day of recommending the necessary appropriation for the purchase of Walrussia, but Gen. Banks.

NEW YORK, Feb. 4.—The losses by the fire in Beekman atreet, this morning, will not exceed to attend the session, therefore the matter was designed to attend the session, therefore the matter was NEW YORK, Feb. 4.—The losses by the fire in postponed.

A resolution, however, was adopted, permitting the counsel for what is known as the Perkins claim against Russia to appear before the committee and argue their case. The counsel main-mittee and argue their case. The counsel main-time to the control of the control

SARATOGA, N. Y., Feb. 5.—George Bibby & Co. and Connery & Hicks, brewers, in Glenris Falls, have been arrested by United States Marshall

pecial Despatch to the Philadelphia Evening Bulletin. Minister was not presented to the President today as expected, on account of the failure of Mr.
Johnson to have his reply, which is to be in
writing, entirely finished.

Bradford County Convention. TOWANDA, PA., February 4.—The Republicar Convention of Bradford county, held on Monday tion of the committee to examine the matter thoroughly, and in view of this, a large number of witnesses have been summoned to appear on Friday. The friends of Justice Field are endeavoring to hush the matter up, and, if possible, to avert the coming investigation, but in this they will be disappointed as the members of the Judiciary.

Kialo are committing brutal outrages and murters on white and colored Unionists on the counties of Maury, Gilles and Montgomery, in Tennessee, and that great terror and uncertainty prevails there, and instructing the Committee on Freedmen's Affairs to inquire into such outrages and thurters on white and colored Unionists of the counties of Maury, Gilles and Montgomery, in Tennessee, and that great terror and uncertainty prevails there, and instructing the Committee on Freedmen's Affairs to inquire into such outrages and thurters on white and colored Unionists of the counties of Maury, Gilles and Montgomery, in Tennessee, and that great terror and uncertainty prevails there, and instructing the Committee on Freedmen's Affairs to inquire into such outrages and the counties of Maury, Gilles and Montgomery, in Tennessee, and that great terror and uncertainty prevails there, and instructing the Committee on Freedmen's Affairs to inquire into such outrages and the counties of Maury, Gilles and Montgomery, in Tennessee, and that great terror and uncertainty prevails there, and instructing the Committee on Freedmen's Affairs to inquire into such outrages and murters of the counties of Maury, Gilles and Montgomery, in Tennessee, and that great terror and uncertainty prevails there, are the committee of the counties of the count disappointed, as the members of the Judiciary Committee express themselves firmly determined to sift the case, and will not hesitate to claring as the sense of the House that it is inexreport articles of impeachment against Justice pedient to attempt by treaty to regulate duties Field, if the statements are proven to have been on imports, or otherwise to interfere with the on Imports, or therefore interface which the revenue arising therefrom. Referred to the Committee on Ways and Means.

Mr. Logan (Ill.) asked leave to offer a resolution to tax U. S. bonds 2 per cent. semi-annually, WASHINGTON, Feb. 4. 1868.
SENATE.—The Chair laid before the Senate a

communication from the Secretary of War relative to the constitutionality of the laws of Maryland in regard to the apprenticeship system. Referred to the Judiciary Committee.

Messrs. Cragin (N. H.) and Henderson (Mo.) Mr. Logan asked leave to offer a resolution looking to the distribution of the West Point cadets among the colleges in the different States, but Mr. Holman objected.

The House proceeded to the consideration in the morning hour of the bill reported from the Committee on Foreign Affairs, concerning the rights of American citizens in foreign States. Messrs. Cragin (N. H.) and Henderson (Mo.)
presented petitions of some citizens of New
Hampshire; in regard to the rights of American
citizens abroad. Referred to Committee on Foreign Relations.

Mr. Cragin presented a petition of citizens of
Colorado, asking admission as a State. Referred.
Mr. Henderson presented a report of a Special
Committee of the Mississippi Convention on the
subject of destitution in that State Referred
to the Committee on Appropriations.

The House proceeded to the consideration in
the morning hour of the bill reported from the
Committee on Foreign Affairs, concerning the
rights of American citizens in foreign States.
Mr. Butler (Mass.) suggested a substitute for
the bill, declaring it to be the settled rale of
public law that a citizen of any country, not
a fugitive from justice, has an indefeasible right
to expatriate himself, to absolve his allegiance
to the country of his birth; that every naturalized last clause.

Mr. Sherman (Ohio) asked Mr. Howard if Mr. Jenckes (R. I.) proposed his substitute, as calling for such information was not unusual.

Mr. Howard replied that it was not entirely so. given in yesterday's proceedings.

Mr. Higby (Cal.) proposed, in view of the great importance of the subject, and of the impossibility of discussing it in the morning hour, that the House should hold an evening session for That it was not a privileged question. The amendment was agreed to and the resolution adopted.

The Senate then took up, on motion of Mr.

The Senate then took up, on motion of Mr. The blill regulating the tenure of certain officers. The question was on Mr. Sumner's motion to except special agents of the State Department.

Mr. Higby then gave his views in criticism of the bill as reported from the Committee on State Department.

Mr. Sumner (Mass.) presented a letter from the Secretary of State on the subject, giving the names of twenty-two agents, the whole number employed since March 4th, 1861, and setting for the necessity of continuing the system.

Mr. Sumner said that persons had been employed during the last two years in Canada and provent the issue of rebel rams from British being Fenians, the expense being defrayed out of this fund. During the war persons had been employed, among them Mr. Evarts, to look after and prevent the issue of rebel rams from British being reported from the Committee on Mr. Higby then gave his views in criticism of the bill as reported from the Educate.

To this Mr. Judd (Iil.) objected:

Mr. Higby then gave his views in criticism of the bill as reported from the Committee on State Department of the bill as reported from the Educate.

Mr. Higby then gave his views in criticism of the bill as reported from the committee on State Department of the subject, giving the hall as reported from the subject, giving the hall as reported from the Committee on The balance and the subject, giving the balance and secretary of State on the subject, giving the hall as reported from the Committee on The balance and the substitute proposed by Mr. Jenckes that the substitute proposed by Mr. Jenckes that the substitute proposed by Mr. Jenckes the substitute proposed by Mr.

Kizer, McCormick master, from Baltimore for Philadelphia, was run into and sunk at 4 A. M., off Old Point by the steamer Adelaide. Patrick McDougall. John McGill and a colored mannamed William Hill were drowned. The balance of the crew have gone to Philadelphia. opposed the amendment, the latter alluding to a.
bill of one thousand dollars, presented by one
of these agents, and contested by the Secretary Destructive Fire.
