BUSINESS NOTICES:

Monday, February 10, 1868. THE LEGISLATURE. The people of Pennsylvania are to be conof 1868 has, thus far, been free from the scandalous incinuations and open accusations of stempt at first to prevent an organization, demoralized the session, as that of 1867 was demoralized, by the successful trickery—to use a mild phrase of the election of United states Senator. But the mere fact of the

no rich corporations wanting to accomplish or defeat legislation, and ready to pay for which can come up from the capes to the which can come up from the capes to the which can come up from the capes to the which can come up from the capes to the which can come up from the capes to the which can come up from the capes to the which can come up from the capes to the which can come up from the capes to the which can come up from the capes to the which can come up from the capes to the which can come up from the capes to the which can come up from the capes to the which can come up from the capes to the which can come up from the capes to the which can come up from the capes to the which can come up from the capes to the which can come up from the capes to the which can come up from the capes to the which can come up from the capes to the which can come up from the capes to the which can come up from the capes to the which can come up from the capes to the white successfully performing his salling direct, he went to Bermuda, and the conversion the new type of the can come up from the capes to the white successfully performing his errand, he was sent to New Orleans in the interest of the great Morgan sugar estates of Louisiana. On coming back to Philadelphia he established himself in business, and was made agent for the sale of the crops of these estates. He had the full of the crops of these estates. He had the full of the crops of these estates. He had the full of the crops of these estates. He had the full of the crops of these estates. He had the full of the crops of these estates. He had the full of the crops of these estates. He had the full of the crops of these estates with the present Legislature. In fact, out from Sandy Hook, they can come around the members generally, especially those of the party in the majority, have either a higher sense of honesty than is usual, or they have

resolved to adjourn the session on the 16th of him to do a brisk business in the paying of the session on the 16th of him to do a brisk business in the paying of the session on the 16th of him to do a brisk business in the paying of the session of the 16th of him to do a brisk business in the paying of the session of the 16th of him to do a brisk business in the paying of the Academy of Music, and it is doubtful if it impossible to supply any but practical agriculture fine than the session on the 16th of him to do a brisk business in the paying of the Academy of Music, and it is doubtful if it impossible to supply any but practical agriculture fine than the session on the 16th of him to do a brisk business in the paying of the Academy of Music, and it is doubtful if it impossible to supply and such persons as are recommended than the total the Academy of Music, and it is doubtful if it impossible to supply and such persons as are recommended than the total than the total than the section of Congress and immense deman the total than than the total than the total than tha law-makers of a great commonwealth; that day, under the new system of Rings, that are to much heard of in the national and State-reats of government, are the tional and State-seats of government, are the the grompt payment of taxes will tend to renatural outgrowths of corrupt legislation. lieve the dullness of the dullest month in the claring that in the Pennsylvania Legislature city.

moral habits, and no one is more attached to his

irnordinary fifth section of Mr. Sherman's hill; no increase of the National Bank currency at the risk and cost of ray fally reducing the volume of Treasury Greenschacks, as in Mr. Henderson's proposition, and an unsetting the National Bank, circulation together by substinuing, and thus inflating greenbacks, as in the Randall bill. The Senate bill is believed to be thoroughly sound on these points, and the Bepublican majority in the House are rapidly becoming so.

The import Entries for the past week, including the Dry Goods return in our less paper, amount to \$5.07.001; against the total entries of \$5.729.558 same week as year. The Export Clearances of Monoscie Produce amount to

to speculative purchases of Kive-wentes for augmentant and if gold remains firm and bonds keep up as well as they have done of late in Europe the demand from this source will quie en.

The stock market was ussettled by artificial clique influences during early part of the week, but it after-

influences during early part of the week, but it attemwas became firm, and on Friday and Saturday there was a revival of speculative activity and prices westrongly in the ascendant. The previous decline was engineered by parties, who had sold out, their stocks, and were desirous of having them back again. This purpose having been accomplished to a great extent a freely any ward movement is the result, and Erie having suffered the greatest artificial depression, it is probable that it will experience the strongest re-action, as it is reliving to the fitten per cent, below the other leading rail way shares, and therefore the cheapest stock on the list way shares, and therefore the cheapest stock on the list it is against the nature of things that a great corporation should be managed much longer for the benefit of one man in Wall street, and if a number of enterprising capitalists will combine and give their provise before the next election to Mr. Vandorbill Erie will be a ten per election to Mr. Vandorbill Erie will be a ten per election to Mr. Vandorbill Erie will be a ten per election to Mr. Vandorbill Erie will be a ten per election to Mr. Vandorbill Erie will be a ten per election to Mr. Vandorbill Erie will be a ten per election to Mr. Vandorbill Erie will be a ten per election to Mr. Vandorbill Erie will be a ten per election to Mr. Vandorbill Erie will be a ten per election to Mr. Vandorbill Erie will be a ten per election to Mr. Vandorbill Erie will be a ten per election to Mr. Vandorbill Erie will be a ten per election to Mr. Vandorbill Erie will be a ten per election to Mr. Vandorbill Erie will be a ten per election to Mr. Vandorbill Erie will be a ten per election to Mr. Vandorbill Erie will be a ten per election to Mr. Vandorbill Erie will be a ten per election to Mr. Vandorbill Erie will be a ten per election to Mr. Vandorbill Erie will be a ten per election to Mr. Vandorbill Erie will be a ten per election to Mr. Vandorbill Erie will be a ten per election to Mr. Vandorbill Erie will be a ten per el FINANCIAL and COMMERCIAL.
