Wounds, &c. OUR ENTIRE ASSORTMENT OF Fairm Brown: It gives me great pleasure to say to you, that your Ointment is such an article that there cam be but praises bestowed upon it, when used and it becomes known. For you well recollect how dreadfully I was scalded in both legs by steam and hot water, so much so that the flesh came of at least one-half inch in thickness; and by the use of your Ointment, and that alone, in a few weeks I was entirely restored, and am now as well as ever; not a muscle or leader contracted, and hardy a scar is left. There is no telling the amount of suffering it would relieve, if it was freely used in scalds or burns of any kind. By referring persons to me, I can give them ample satisfaction of the truthfulness of its qualities.
