of charme—a rare thing in modern opera, it must be admitted. The scene is laid in india, at the period when the Commander Dupleix defended the French Colonies against the aggressions of the English-far superior in numbers and with better ap-pointed army A ways of the time of the time. in India, at the period when the Commander Dupkit defended the Praceholder, bright of the Praceholder, bright of the Praceholder of the times of the tines of the times of the times of the tines of the times of the In the second act we are in Madras, in the drawing-rooms of the English Governor, who is giving a great ball in honor of the safe return of his niece Helene, who has been released and returned to her uncle's protection by the two gallant Frenchmen, Bergerac and De Mailly. Here come a ballet to represent the gay dances of the Governor's guests, and in the height of the festivity is introduced our friend Gaston, who, in his turn, has been made prisener; in his edgerness to approach Helen after her liberation-he has-been surprised and taken. The Governor treats him as a guest and invites him to be of the party. as a guest and invites him to be of the party. He finds himself at once the object of the which at once carries us back to the earlier of which will always have great interest for 1868. politeness and attention of all the com-pany, as he is, of course, a model times of Scottish history, and is correct. Englishmen, would recommend him favor-enough for even the sternest critic. To Mr. ably to this country. Before that war was pany, as ne 18, of course, a model chough for even the sternest error. To hr. ably to this country. Before that war was of chivalry and elegance. Helen grows less sby. Bergerac and De Mailly have made efforts to conciliate him. Later, these diviser, Mr. George Scharf (an excellent his Government to coursel a policy of recon-chivalry and elegance. Helen grows have a diviser, Mr. George Scharf (an excellent his Government to coursel a policy of recon-chivalry and elegance. Helen grows have a diviser, Mr. George Scharf (an excellent his Government to coursel a policy of recon-chivalry a diviser, Mr. George Scharf (an excellent his Government to coursel a policy of recon-chivalry a diviser, Mr. George Scharf (an excellent his Government to coursel a policy of recon-chivalry a diviser and be diviser and b made efforts to conciliate him. Later, these advised, Mr. George Schalt (an excented in Scovenment to Counsel a pointy of fetchi-sympathies of the company seem redoubled antiquarian and no mean artist), with great ciliation. He reminded Mr. Seward that the ISEOS.

in the most incomprehensible fashion. Bergerate approaches and tells intitute the tart in the use of the dresses and belached in the tories about the tart in the sudden passible for the fashed for the
