FRIEND BROWN: It gives me great pleasure to say to you, that your Ointment is such an article that there can be but praires bestowed upon it, when used and it becomes known. For you well recoiled how dreadfully I was readed in both less by steam and hot water, so much so that the fiesh came off at least one-half inch in thickness; and by the use of your Ointment, and that alone, in a few weeks I was entirely restored, and am now as well as ever; not a muscle or leader contracted, and hardly a sear is left. There is no telling the amount of suffering it would relieve, if it was freely used in scalds or burns of any kind. By referring persons to me, I can give them ample satisfaction of the truthfulness of its qualities.

Respectfully, your friend.
