Wednesday, March 18, 1868. vance in the value of real estate there. It is the hand of improvement AN OBJECTIONABLE STATE TAX. This paper has several times urged the aided by capital that has effected this differrepeal of the Income Tax imposed by the United States Government, and its remarks the corner of Strawberry street, stands various correspondents. There is another upon a spot which scarcely more than on the subject have been commended by twenty years ago was covered with frame tax, imposed by the State of Pennsylvania, shanties. The tasteful Bank of North indicates which ought to be repealed. That is the two America has taken the place of an antiquated per cent, tax on emoluments from onice. This is felt to be oppressive upon clerks and other dwelling which for many years did service as per cent, tax on emoluments from office. This persons employed by corporations, who are a banking-house for this venerable institubarely able to eke out a living from their tion. So it is with the Farmers' and Mebarely able to eke out a living from their chanics' Bank, which transacted its business moderate salaries, which, moreover, are taxed in the ancient detailing of Robert Marris until also by the Federal Government. The State in the ancient dwelling of Robert Morris until tax also operates unfairly, as it applies only beautiful white marble structure was erected called offices under the State or municipal scarcely got warm in its massive granite governments or under corporations. Salaries n mercantile, manufacturing or other estaba sum that is certainly fully thrice what the lishments, not incorporated, are not taxed. effete hotel which it succeeded would have enough to do away with many of the taxes been valued at by discreet assessors. Leaving banking houses and taking a stride

revenue small, and the Legislature would do further westward, we find abundant evidences well to revise the whole of the tax laws and of how values have been increased by capital, abolish most of them. The collateral inheritance tax is one that has driven many good ago, where the Continental Hotel now stands, citizens into other States, and it ought to be there stood a temporary building that was abolished; but of this we may speak more at used as a theatre, that would not have made anonsned; out of this we may speak more at length on another occasion. The text on emoluments from office is, however, one that calls for immediate action. It is oppressive to many excellent citizens who have but similarly many and there is no account to the contract of imited means, and there is no reason why the property has been improved since that their hard-earned wages should be levied upon by the State any more than the profits of time is apparent to everybody who passes each individual from his private business. It along Chestnut street. These improvements is earnestly hoped that before the Legislature adjourns this and some other taxes, unworthy of the great and rich State of Pennsylvania, will be abolished.

dull old mansion. THE ADMISSION OF ALABAMA. Upon the motion of Mr. Stevens, the bill On Broad street, the Academy of Music, for the admission of Alabama was yesterday | the Union League House and Horticultural recommitted. This is an excellent move, Hall stand on lots that were entirely unimand in strict accordance with the general proved until within a few years, and these wish which has been freely expressed in all three buildings alone add nearly half a million parts of the country. The objection to the of dollars to the value of the taxable property provided for the adoption of the new Con- marked instances for comment, because the stitution expressly required that a majority of properties referred to are in the central part | NE the whole number of registered voters should of the city, and where they best illustrate the the polls. This provision unquestionably as a means of rendering the city attractive, allowed the Constitution to be defeated increasing its prosperity, and adding to the by the default of any number of public revenue. It is not necessary to refer sale at reasonable prices, by voters to vote at all, if the at length to the thousands of improvements mhittamres number who thus refrained from voting was that have been made through private entersufficient to keep the majority at the election | prise and liberality in all parts of the city, below one-half of the whole number of regis- nor to the miles of handsome dwellings that tered voters. This policy was resorted to, have been added to its bounds. These things and although there was an overwhelming vote and their importance are self-evident.

thousand less than a majority of the whole ago, would have deemed the present average quired of the ago, would have deemed the present average quired of the article to be mended, or the Cement. registered vote.

The bill which was yesterday recommitted abulous, if any prophet in real estate had represented the article to be mended, or the Cement. A ways ready for use. For sale by Ways ready for use. For sale by Gall the shared article to be mended, or the Cement. A ways ready for use. For sale by Gall R. DOWNING, Stationer. registered vote. The bill which was yesterday recommitted had all the character of an ex post facto law, foretold what ground and houses would have had all the character of an ex post facto law, foretold what ground and houses would have and provided for the admission of Alabama upon a new basis, which certainly over-rode 1888 will deem many of the values on prothe letter, if not the spirit, of the law under which the election was held. We are glad that the bill has gone back to These results are due to capital, enterprise,

To.EDO, Ohio, March 18.—A destructive Fire.

To.EDO, Ohio, March 18.—A destructive fire seeded there in anticipation of trouble. Last night Secretary Stanton received a telegram from him stating that although the robels were secretly arming with the intention to get possession of the Capitol and State archives, he was fully prepared to take care of them with the State milita, and it would not, in his ophilon, be necessary to call upon General Thomas for troops. This despatch intimated that if those persons attempted to violate the law from Liverpool, have arrived.
