(Special Despatch to the Philadelphia Evening Bulletin.) WASHINGTON, April 4 .- The managers the .4816 offered two schedules, giving a list of removals and appointments of heads of departments by the President, since the formation of the Government, at any time during the session of the Senate. Most of the list, which numbers about thirty, were appointed as acting Secretaries for the various Departments, generally of the Treasury. War and State, during a temporary absence of the Secretary himself. A contest occurred as to whether the managers could ask the witness from whom the letters authorizing these appoint they could.
