RESOLUTION GRANTING PERMISSION TO make a certain attachment.

Resolved, By the Select and Common Councils of the City of Philadelphia, That permission be and is hereby granted to Company "B" Philadelphia Fire Zouaves, to make an attachment to service pipe in the Engine House of Delaware Water Works, for the purpose of lighting their drill room with gas through a private meter. Provided that the same be done under the supervision of the Chief Engineer of the Water Device of Permission of the Chief Engineer of the Water Device of the Chief Engineer of the Water Device of the Supervision of the Chief Engineer of the Supervision of the Chief Engineer of the Supervision of the Chief Engineer of the Supervision of t buildings, stands the engine-house, where the motive-force is supplied by a splendid engine of 80 horse-power. A carpenter's shop and a sta-ble for horses are comprised among the other As the factory will be connected by private telegraph wires with the Publishers' Office at their new wholesale house, now completed, at the ne same advantages will practically be enjoyed or the personal and successful supervision of ness, as if all the departments were in New York and under the same roof.

Previous to fixing upon the plans of the Brooklyn structure, the leading printing houses and binderles of Europe were examined, with a view to incorporate their best peculiarities in the new edifice; and the result was the adoption of some of the best features of the mammoth establish ment of Mame at Tours, France (the model book-factory of the Old World), with a variety of original improvements, especially adapted to American usages and tastes. As a whole, it may confidently be asserted that the premises here

iescribed are without a superior, of their kind, in the world.
