C., the first day was: Whites, 56; blacks, 179. Second day—whites, 103; blacks, 105. Middle Sound Precinct, two days—whites, 50; blacks, 37. cond day—whites, 103; blacks, 105. Middle sound Precinct, two days—whites, 50; blacks, 37. The excitement over registration is very great, but no disturbances have taken place. In the rebut no disturbances have taken place no disturbances have taken place. In the rebut no disturbances have taken place no disturbances have taken place. In the rebut no disturbances have taken place no disturbances no disturbances no disturbances no disturbances no disturbances no disturbances but no disturbances have taken place. In the remaining three days it is thought the whites will outnumber the blacks.

A joint resolution has passed the Pennsylvania Legislature requesting the President of the United States to give protection to all persons. It generally appears as a star of the star called Agol, in the constellation of Persons. It generally appears as a star of the star called Agol, in the constellation of Persons. It generally appears as a star of the star called Agol, in the constellation of Persons. It generally appears as a star of the star called Agol, in the constellation of Persons. It generally appears as a star of the star called Agol, in the constellation of Persons and to cause the go-This district of the grant of the grant of the grant of the second magnitude, and so it remains for between the Island of Alta Vela, in the Caribbean Sea, which was forcibly wrested from our citizens. The joint resolution was despatched to the President at once.

The match of billiards for the championship of America, between John McDevitt and Melvin Poster, commenced at Library Hall, Chicago, at half-past 8 last night. At ten minutes of nine the game stood: Foster, 113; McDevitt, 35. Call on seventeenth innings was: Foster, 512; McDevitt, 64. In the fifty-fourth innings McDevitt ran 293. The score stands: Foster, 1,034; McDevitt, 845.

The gold, silver and bronze medals which were The gold, silver and bronze medals which were awarded to the United States exhibitors in the light of the faintest star now by the steamship St. Laurent, from Havre. There are several hundred of these medals, each of are several hundred or these medals, each of are several hundred from the star by the steamship st. Laurent, from Havre. There is an expectation of the star star has not yet. The result of the star star has not yet. The result of the star star has not yet. cases were required to contain them. They are consigned to the United States agent, Mr. J. C. Derby, and will be forwarded by him to Wash
This question the writer was unable to the Customs Parliament." t. They will be placed on exhibition at the solve. He consulted such of his friends and acquaintances as he thought most likely to Capitol for a short time, and afterwards dis- acquaintances as he thought most likely to TARDOUARTEES THER MILITARY DISTRICT dress a letter to a gentleman, with whom he Thomas Mulcaby in the chair. The reports from the Headquarters The Military District (Georgia, Alabama and Florida), Atlanta, Ga., April 4, 1868.—General Orders, No. 51.—I. The recent assassination, at Columbus, Georgia, of the Hon. G. W. Ashburn, late a member of the constitutional Convention of said State, and other acts of violence and atrocity committed about the same time in various parts of this District, and the simultaneous publication of incendiary articles, and the receipt by many persons of threatening letters, indicating a concert of action, by violence and infinited and by this means affect the results of pending elections in this District, all of which acts apparently emanate the District, all of which acts apparently emanate the Spiritual Property of the population and by this means affect the results of pending elections in this District, all of which acts apparently emanate the secure of the population of pending elections in this District, all of which acts apparently emanate the secure of the population of pending elections in this District, all of which acts apparently emanate the secure of the population and by this means affect the results of pending elections in this District, all of which acts apparently emanate from a secret organization, for no good purpose, which seems to be rapidly spreading through which seems to be rapidly spreading through these States, makes it necessary for the Commanding General to warn all persons against the commission of such acts, the publication of such acticles, the sending of such letters or connecting themselves with such evil organizations, and to assure all the good people of this District that he will use all the powers he possesses to protect will use all the powers he possesses to protect and property and in the exercise of their homes and property and in the exercise of their personal rights and political privileges.

If the therefore directs all military and civilents of the conding the exercise of their persons who may herefore print, publish or in any manner give circulation and publicity to such interest and property as the care of second magnitude, those up to some other distance are of second magnitude, and so not to the smallest that we can see with a telescope—say fifteenth magnitude, whether their existence has been long or short we are unable to see as stars. Now, it is probable that the light from all stars of the fifteenth magnitude, and even were made to the present price, with the standard measure, thirty-site can be received and any property and in the exercise of their persons and property and in the exercise of their persons who may herefore print, publish or in any manner give circulation and publicity to each would not appear as stars, but as generally diffused sky.

The meeting adjourned until to day, to hear the report of the committee appointed to confer with the standard measure, thirty-site can be received the above contract be until the time above mentioned. New Methods and even will sake to advance until the time above mentioned. New Methods and property and in the exercise of their persons with single price, with the standard measure, thirty-site can be provided. That we, the carpet manufacturers of Philadelphia, do hereby bargain and agree to pay the present price, with the standard measure, thirty-site can be provided. That we, the manufactu manner give circulation and publicity to such incendiary papers or threatening letters, and furthermore to arrest all persons who may be known as above referred to, resulting in breaches of the peace and injury to persons or property.

III. The Commanding General furthermore in any manner give circulation and publicity to such as stars, but would make the sky a little brighter." Here then, thanks to the courtesy of this eminent astronomer, was a solution to the difficulty. It seems curious, however, that no work on astronomy in our language (as the writer beastronomy in our language).

REAL ESTATE SALE.—James A. Freeman, auctioneer, sold at the Exchange, yesterday, the following:

of pay and allowances to omeers out the retired list, and protesting against the pending bill on the subject. Referred to the Committee on Military Affairs.

Mr. Harlan (Iowa) called up the bill to exempt the property held and used for school purposes in the District of Columbia from taxation.

Mr. Wilson (Mass.), from the Committee on Mr. Wilson (Mass.) reedmen and refugees.

Also, favorably to joint resolution authorizing the Secretary of War to issue clothing and sup-plies to the exploring expedition under Profes-sor Powell, on the Colorado river.

Mr. Howard called up the bill relative to filing the reports of railroad companies. He stated, in reply to a question from Mr. Fessenden, that the bill requires such reports to be filed in the office of the Secretary of the Treasury as now. They would thus all be on record in one place.

Mr. Sumner (Mass.) presented a petition from the grand and traverse jurous of the United
