CHARGED WITH RODDERY .- George Miller, elias Monk Miller, was arrested last night by Policeman Moulile, of the Fifth District, upon the charge of having been concerned in the attempt to rob the tailor store of H. C. IVezoy, on South Tenth street, a few nights ago. He will have a hearing at the Central Station this after-

Henry Gable was held in \$800 ball yesterday by Alderman Toland, to answer the charge of having stolen a breast-pin and a small amount of money belonging to a woman residing on Beach

street.

This morning Alderman McCloskey had before him Virginia Magee, charged with robbery. She resides at Eighth street and Passyunk road. Yesterday an agent of an ice company went to the house to collect a bill. He had two men with him. After being in the house a short time two of the nien went out. A blanket was then thrown over the head of the remaining one and he was robbed of \$28 60. Virginia, it is alleged, participated in the robbery and locked the door to prevent an alarm from being raised. She was committed for a further hearing.

An Exaggreation.—The following telegraphic despatch is now going the rounds of the news-

despatch is now going the rounds of the newspapers throughout the country:

"PRILADELPHIA, April 13.—A street fight occurred here to day, between rival fire companies,
during which one man was killed and several
wounded. The ringleader was arrested."

This probably refers to a squabble which occurred on Sunday afternoon, at Sixth and Queen
atreets, between some men who had indulged too
freely in egg nogg. The affairs of fire companies
had nothing to do with the disturbance. Nobody was killed, and only one person was injured, and he was slightly hurt by a flying brick.
Sech exaggerated despatches are calculated to
injure the fair fame of our city abroad, and should
not be sent:

A BLOODY RECEPTION .- Alderman Heins had before him yesterday Michael McKinney. charged with assault and battery on Michael chairs with assault and battery on Michael Morgan, with intent to kill. Morgan, it seems, married a sister of McKinney. Mrs. Morgan has recently gone to reside with her parents, on Germantewn road above Oxford street. Morgan went to the house on Saturday night to see his wife, and was attacked by some of her relatives. A fight ensued, and Morgan was cut upon the head with a hatchet in the hands of Michael Mc-Kinney. He received quite a severe wound. A warrant for the arrest of the assailant was obtained, and he was taken into custody yesterday. The accused was held in \$1,500 ball. Mrs. Morgan has entered suit against her husband for desertion. He has been held in \$890 ball.

NICOLSON PAVEMENT ON TWELFTH STREET .-The following petition, to be presented to City Councils, is now receiving numerous signatures

onneus, is now receiving numerous signatures:

"The undersigned eltizens of Philadelphia respectfully represent that Twelfth street being the only one between the Delaware and Broad street unobstructed by rails, and therefore the only one convenient and agreeable for ordinary driving, bog your honorable bodies to cause it to be improved by the substitution of the Nicolan or proved by the substitution of the Nicolson or other approved paving for the present cobble-stones—the latter not meeting the reasonable demands of the public.
"APRIL 13th, 1868."

Subsequently the team was recovered at Twenty-second and Pine streets, by the Flifth District police. The horse bore evidence of having been driven very hard. A notorious character named Hugh McGary was in the wagon at the time, and he was arrested. This morning he was taken before Ald. Patchel, and was held in \$1,500 ball.

ASSAULTED HER FATHER-IN-LAW. -- Alice Multen was before Alderman Heins this morning upon the charge of assault and battery. It is alleged that she went to the house of her father-in-law in Rainbow street, above Otis, and assaulted him with a club. She then huried at his head a huge stone, but fortunately the missile missed its mark. As she was leaving the premises she threatened to kill the old man. She was helden \$500 bail to answer. held in \$500 bail to answer.

The reason why Mishlers Herb Bitters cures so many different diseases, is because it is the best remedy for a deranged stomach, or Dyspepsia, now known, and because it invigorates the entire system, strengthens the nervous fibres, elevates the standard of all the vital forces, and sustains a most healthful tone of the entire human organism. Medicine that will do this, will cure any disease, for the simple reason, that nature will do the rest.

We guarantee, that no woman or calld, however pale and emaciated, can use these Bitters regularly for twenty-one days, without the return of the rosy checks and fair complexion characteristic of good health.

Mr. H. T. HELMBOLD:

August 11, 1865.

Bear Sir:-In regard to the question asked me as to my opinion about Buone, I would say that I have used and sold the article in various forms for the past thirty years I do not think there is any form or preparation of it I have not used or known to be used, in the various diseases where such medicate agent would be indicated.

You are aware, as well as myself, that it has been

extensively employed in the various diseases of the bladder and kidneys, and the reputation it has acquired, in my judgment, is warranted by the facts. I have seen and used, as before stated, every form of Buenu-the powdered leaves, the simple decoction, tine ture fluid extracts; and I am not cognizant of any proparation of that plant at all equal to yours. Eighteen year

experience ought, I think, to give me the right to judge of its merits, and without prejudice or partiality. I give yours precedence over all others. I value your Buchu for its effects on patients. I have cured with it, and seen cured with it, more diseases of the bladder and kidneys than I have ever seen cured with any other Buchu, or any other proprietory compound

of whatever name. Respectfully yours, &c., GEO. H. KEYSER, M. D. 140 Wood street, Pittsburgh, Pa.
