EVENING BULLETIN. Tuesday, April 28, 1868.

THADDEUS STEVENS. When it is remembered that Thaddeus Stevens is one of the members of Congress sinover-ruled, however, and a bill was framed Philadelphia, and while this fact insures stagled out by the President as a target for his and sent up to Harrisburg by Councils, with bility in the character of the population and especial abuse before the people, the calm the active co-operation of many of our most gives each housekeeper a direct interest in wondered at. And when to the fact of his | public spirited citizens. The city delegation, the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the careful keeping | the general welfare, as in the bitter provocations are added that power of bill reported for the property which he occupies, it tends versaries, and that intense earnestness which characterizes the man, it seems strange that Mr. Stevens was able to refrain from pouring the passage of the law. We will venture to New York. Mr. Stevens was able to refrain from pouring out before the Senate those passionate utterances which would have been the natural expression of the indignation and scorn with state. Philadelphia alone excepted that would telegraph announces the death of Mr. James C state, Philadelphia alone excepted, that would Warner, of this city, at Panama, on the 15th inst.

respondent" now arraigned at the bar of the accomplished lawyer, a true patriot and a for. Many persons believe that, under the terms | Philadelphia papers as Chess editor, and afterextraordinary vitality into this splendid argument, and while here and there his trenchant native humor and withering sarcasm flash out with all their wonted brilliance, the sound statesman. He has brought all of his flash out with all their wonted brilliance, the speech itself is a calm, thoughtful, very earness and very able discussion of the great rest and very able discussion of the great Penn to the city to be used in any of cerlist and a player of very considerable originality tain specified ways. Now if this present and strength. He was a young man of much inquestion involved in the trial of the President. proposed disposition of the ground be of tellectual promise, and his early death will be rresistible conviction with it to all honest minds, and leaves the Senate without a choice in the execution of its high and responsible data.

Mr. Stevens possesses a mind which, by nature and by long training, deals little with small details. Those who are accustomed to read his speeches in Congress are familiar with this recollerity, and in his argument of little with this recollerity, and in his argument of little with this recollerity, and in his argument of little with this recollerity, and in his argument of little with this recollerity, and in his argument of little with as that which has now been put into shape, will not be sacrificed at the behest of a few ignorant country members, incapable of little with little with last which has now been put into shape, will not be sacrificed at the behest of a few ignorant country members, incapable of little with last which has now been put into shape, will not be sacrificed at the behest of a few ignorant country members, incapable of little with last which has now been put into shape, will not be sacrificed at the behest of a few ignorant country members, incapable of little with last which has now been put into shape, will not be sacrificed at the behest of a few ignorant country members, incapable of little with last which has now been put into shape, will not be sacrificed at the behest of a few ignorant country members, incapable of little with last which has now been put into shape, will not be sacrificed at the behest of a few ignorant country members, incapable of little with last which has now been put into shape, will not be sacrificed at the behest of a few ignorant country members, incapable of little with last which has now been put into shape, will not be sacrificed at the behest of a few ignorant country members, little with last will hold on to-more will ha with this peculiarity, and in his argument of judging as to whether the proposed movewith this peculiarity, and in his argument of yesterday, he adheres closely to this habit of mind. Passing by all prolix reference to the yesterday, ne adheres closely to this habit of mind. Passing by all prolix reference to the details of the case, and scarcely touching many of the questions which have been so elaborated on both sides, he seizes the central idea that the chief sworn duty of the President of the United States is to obey the laws dent of the United States is to obey the laws himself and to see that others obey them. He charges upon the President a willful and persistent violation of this duty. He sweeps away, with contemptuous brevity, the pitiful quibbles and subterfuges to which the President and his counsel have resorted. He chows that there are are a recorded to for their them. The charges upon the President are the charges upon the President a willful and persistent violation of this duty. He sweeps away, with contemptuous brevity, the pitiful quibbles and subterfuges to which the President and his counsel have resorted. He charges upon the United States is to obey the laws manner proposed, without needing any enabling act from Harrisburg. This, atter all, is a question for the Courts, and we sincerely trust that means will be taken to test it without loss of time. Nothing so conducive to the permanent prosperity of the city has been proposed for a long time, and there is no specific for their charges are the United States is to obey the laws himself and to see that others obey them. He charges upon the President a willful and persistent violation of this duty. He sweeps is a question for the Courts, and we sincerely trust that means will be taken to test it without loss of time. Nothing so conducive to the permanent prosperity of the city has been proposed for a long time, and there is no specific in the Exchange to morrow, at 12 o'clock, a hand-ome residence on Tulpohocken etreet, and one on Queen street. Included in the same sale will be a very desirable property belonging to the estate of A. H. Alburger, dec'd., on Callowhill street. shows that there are no precedents for them to fall back upon, since the law which he has to fall back upon, since the law which he has so outraged is one created during his own favor, so that it ended in obtaining the approadministration. He proves that Mr. Stanton val of almost all our most public-spirited comes fully within the operation of the Tenure citizens, and the active aid of many of them. of Office act, and offers the defence the two We trust that these gentlemen will not abanwhich there is little choice for them.

the question of the constitutionality of the president has broker.

law which the President has broken, 3ir. Statistics are often valuable, but some thoughtless people are carried away by them thoughtless people are carried away by them thoughtless people are carried away by them to very absurd conclusions. A writer in the peated debate, conference and deliberation.

April number of the Combill Magnetine. peated debate, conferer ce and deliberation. April number of the Cornhill Mayazine, Disposing of the plea that Johnson only said to be "An American," furnishes an artiwished to jest the validity of the cle on two cities, New York and San Franlaw, Mr. Stevens denies that such a cisco, which begins by announcing that New ABSCrts, what is true, that there is no authority by which the Executive can make himself "the obstructor of an unrepealed law."

I OFR Contains 729,386 numan beings, the figures being apparently derived from the State census of 1865. He goes on to say: "Of these obstructor of an unrepealed law."

Mr. Stavens outs blickes his absence of the state of the obstructor of the state of the obstructor of the obs plea is any way palliates the offence. use of his patronage. Upon further conside- condition" for infants in arms, but is the FRIME MEXICAN VANILLA BEANS. use of his patronage. Upon further consideration he seems to have taken pity upon the Doolittles of the Senate "who contracted to Doolittles of the Senate Doolittles of the Senate "who contracted to accept the office of recruiting sergeants for his shabby army to purchase the position or most of them, "raise their food" by a protection or most of them, "raise their food" by a protection or most of them, "raise their food" by a protection or most of them, "raise their food" by a protection or most of them, "raise their food by a protection or most of them, "raise their food by a protection or most of them, "raise their food by a protection of them." I believe the position of the senate "who contracted to a believe the food they eat?" Do not all, Bergamot Casella: Given the position or most of them, "raise their food" by a protection of the senate "who contracted to a believe the food they eat?" Do not all, be of a commander of this band of pardoned traitors and corrupted renegades." The omitted portions of his speech were, however, in a commander of the process, or of the dangerous of the speech were, however, in a commander of this band of pardoned traitors and corrupted renegades." The omitted portions of his speech were, however, in a commander of the process, or of the dangerous of the dangerous of the process, or of the dangerous of the process of the process of the process of the dangerous of the process of the process of the process of the process of the dangerous of the process of the pr telegraphed to the country, and will be found in to-day's Bulletin. They constitute a fearful denunciation of those traitors to their party and principles. "Doolittle, Cowan and almost with their brenthing and misch."

They constitute a fear-they not a kind of inductive philosophy, they not a kind of inductive philosophy, party and principles, "Doolittle, Cowan and that tribe of men." The fearless old statesman and patriot tears the flimsy draperies and easy way, and without any of the risks, and way the risks, and easy way, and without any of the risks, and easy way, and without any of the risks, and easy way, and without any of the risks, seek chamber, or which continuences almost with their breathing, and which the risks, and which the risks, seek chamber, or which continuences almost with their breathing, and which the results and easy way, and without any of the risks, seek chamber, or which continuences almost with their breathing, and which the risks, seek chamber, or which continuences almost with their breathing, and which the risks, seek chamber, or which continuences almost with their breathing, and which the risks, seek chamber, or which continuences almost with their breathing, and which the risks, seek chamber, or which continuences almost with their breathing, and which the risks, seek chamber, or which continuences almost with their breathing, and which the risks, and which the risks, seek chamber, or which continuences almost with their breathing, and which the risks, and which the risks are represented by the risks and the risks are represented by the risks and represented by the risks are represented by the risks are represented by the risks and represented by the risks are represented by t away from the corrupt alliances which Mr.

Johnson entered into for his own ambitious ends, and holds them up in all their naked ugliness before the Senate and the world. He liness before the Senate and the world. He liness before the Senate and the world. We work girls and boys, aged between two liness before the Senate and the world. We work girls and boys, aged between two lines to the livesies of the lives of the livesies of the lives of the livesies of liness before the Senate and the world. He strips the recreant Senators of the liveries of the Republic and clothes them with their cause they also "do not wish to raise the food they eat?" Have they all thus seriously convict dress,—"the faded uniform of gray."

No one can take exception to the personality of these closing sentences of a speech, which is in all human probability the final great flort of a long life spent in the service of the public. This hopest denunciation of a sworn the happiness of conjugal and proposed for the lines for the last forty years. Advances made in large and sixteen years, remain unmarried because they also "do not wish to raise the food they eat?" Have they all thus seriously considered the great questions of marriage and the world. He last forty years. Advances made in large likhed for the last forty years. Advances likhed for the last forty years. Advances likhed for the last forty years. Advances linde in large likhed for the last

great effort of a long life spent in the service of the public. This honest denunciation of a corrupt President and his miserable tools comes from a man who knows them well; who hates and abhors hypocrisy and treachery; whose fearless discharge of his own duty may make him intolerant toward men was proposed in the more complex mysteries of the multiplication table? And is their principal reason for this that "they do not wish to raise the mysterical through lack of more control toward men food they eat?" The writer candidly gave the more conditions as to have fore.
