

CITY NOTICES.

OUR RIVER BOAT.—During the winter the steamboats which ply on the Delaware have been overhauled and fitted for the present season.

REMOVAL OF THE SINGER SEWING MACHINE WORKS.—It is always gratifying to chronicle the success of a worthy enterprise.

THE PILOT BOY, CAPTAIN CRAWFORD, has also resumed her river trips, and the Edwin Forrester makes her daily excursions to Trenton.

THE GERMAN FESTIVAL.—The Germans will celebrate Whit Monday (June 1st) with considerable splendor.

THE LINDENFELD, LIEDECKER and Liedertafel d. f. g. m. will have a senger picnic at Washington Retreat on the same day.

THE GERMANIA MENSCHER, COECILIA GOSANG, YERIN and Orpheus Singing Society will have a picnic at Engel & Wolf's farm on Monday, July 13th.

SPRING PARADE.—The National Guard, under the command of Major Harmanus Neff, will make their spring parade on Monday afternoon.

MANTLE AND PIER MIRRORS.—Mr. George C. Reukant, of 929 Arch street, who is now entirely remodeling his establishment.

MOONLIGHT DRILL.—The Gray Reserve Regiment, under command of Lieutenant-Colonel J. W. Latta, will turn out for battalion drill on Monday evening next.

LARGELY OF CIGARS.—Robert Maddock went into the cigar store of Amanda Rogie, at Seventh and Noble streets, yesterday.

LARGELY OF SHAD.—A colored man named Charles Wood was before Alderman Belter this morning upon the charge of the larceny of 22 shad, belonging to Mary Carpenter.

THE BOAT BURNED.—A small steam tug, on the way up the Delaware, took fire last evening about seven o'clock.

SLIGHT FIRE.—Young's carpenter shop, at Duponceau and Davenport streets, was slightly damaged by fire about five o'clock this morning.

MAY BALL.—The fourth fancy and citizens' dress ball of Prof. Asher will be given on Monday evening next at Musical Fund Hall.

FAST DRIVING.—John Wilson was arrested at Broad and Oxford streets yesterday for fast driving. He was taken before Ald. Pritch and was held to keep the peace.

THE LATE THOMAS EARP leaves a fortune of over a half a million of dollars. His biography and will are published in to-day's Commercial List and Price Current.

ATTENTION is invited to the advertisement in another column of "desirable rooms to rent."

A CORRESPONDENT writing from BOSTON, MASS., speaking of the improvement and progression of that city, mentions, among others, that the firm of Messrs. TURNER & Co., sole proprietors and compounders of the celebrated Dr. J. C. WOOD'S UNIVERSAL NERVINE, are about to remove to more suitable and extensive premises.

WORTH KNOWING.—Catarrh, like a Fever-sore, depends upon a humorous condition of the blood, and its cure is not to be sought in the removal of it. The success of Dr. Kennedy's "Fountain Cure for Catarrh" lies in the fact that it purifies the blood, gives tone and vitality to the system, while the ulcerated membrane is cleansed and healed by soothing applications.

We call attention to the advertisements of Mr. J. S. Clark's Cold and Cough Remedy, which he has in full operation at his establishment, No. 1068 Market street; also his Baltimore Fire-place Heater Persons building or altering their heaters should give him a call and see for themselves.

THROUGH TO FAIRMOUNT.—On Sunday next, the third of May, the Spruce and Pine street cars will commence running through from the Exchange to Fairmount Park for a single fare.

The Prussian government has bought in Brussels a gun composed of thirty-seven cannons, which will discharge grape-shot at the rate of 300 shots per minute.
