Late From the Indian Territory. THE IMPEACHMENT COURT. MR. BINGHAM'S ARGUMENT.

WASHINGTON, May 4th .- The following report has been forwarded to the Bureau of Indian Af-LARNED, Konsos, April 10th, 1868.—Hon. Thomas
Murphy, Superintendent of Indian Affairs—Sir.

[Coerespondence of the associated of the control I have the honor to state that I have lately returned from the Indian comps of the Indians of my agency, and found them all in a very happy i into this trial as an authority the decision of the buffalo having left the country in which they were ranging. They appeared well pleased with their tion. He referred to the action of Washington

slave law, until its abolishment, and in this con with its various characteristics. He spoke of the furnished precedents for Johnson's crimes, as bold, calumniating slanders on his memory. The suspension of the habeas corpus was not made by him, but by the civil war, which rendered it necessary. In regard to the passage of the Indemnity act, he said the purpose of Con-gress in such legislation was to furnish authority to the courts to dismiss cases brought against the President's agents for what they had done in pur-suance of the Constitution. If their acts had been unwarranted, the Indemnity laws would

The Court then took a recess. issue to test the ownership of certain machinery.
