discretion which is not allowed to a ministerial officer. The President is not increty a ministerial officer. It is his function to construct laws as well as to execute them. The Constitution does not vest him with judicial power, but it does increted him with a discretion as to the mode of executing laws.

From first to last, to bring this question to judicial arbitration. In conclusion, Mr. Stanbery spoke as follows:

Senators, it was not at all necessary for the defence of the President that in the exercise of that was discharged. He was charged with taking some clothing from a physician to clean and failing to return it. He, however, all right.

Discharged.—Robert Sanders had a further bearing before Alderman Hibberd on Saturday, and was discharged. He was charged with taking some clothing from a physician to clean and failing to return it. He, however, did return the article to the satisfaction of the doctor.
