CITY BULLETIN.

ROBBED BY A CAR ACQUAINTANCE.—James J. Taylor, a resident of Montgomery county, came to the city from Pittsburgh on Monday last. When the train reached Lewistown he made the acquaintance of a passenger who said that he had traveled from St. Louis. On the route the two became quite familiar. Mr. Taylor was treated at different stations, and when the train stopped for supper Mr. Taylor's new made friend would not allow him to pay for the meals which they ate. After arriving in this city the two men put up at the Washington Hotel, in West Philadelphia, and went to bed in the same room. Yesterday morning when Mr. Taylor awoke his room mate had disappeared. He made inquiries, but nobody seemed to know anything about his departure. Mr. Taylor then discovered that he was minus about $5 90 which he had with him on the previous night.

THE COMING ROWING MATCH.—The rowing match between Hamill and Coulter is to come off on the 18th of next month on the Schuylkill. Both men have gone into active training in Pittsburgh, and each will try his best to get to the "scratch" in the finest possible condition. Hamill, since he went into training, some two weeks ago, has got rid of thirty pounds of superfluous flesh, so that he now weighs but one hundred and sixty-eight pounds, or a trifle over his ordinary rowing weight. The exercise Hamill takes is something extraordinary. A day or two ago he pulled eight miles, at a slashing pace, on the river, and then took an eight-mile walk over the hills. Coulter is also doing well—taking strong, vigorous exercise. The race will no doubt be an exciting one.

WIFE BEATERS.—A German named John Stillman, residing at Forty-first street and Lancaster avenue, was arrested yesterday and taken before Alderman Maull upon the charge of having beaten his wife. He was committed for trial.

Alderman Carpenter had before him Frederick Cass, residing at Ninth and Brown streets, upon the charge of assault and battery on his wife. The accused was held in $400 bail.

William A. Firth was before Alderman Massey on a similar charge. He was held in $600 bail to answer at court.

REV. HERRICK JOHNSON, D. D., the talented gentleman called to the pastorate of the Church on Washington Square (so long the scene of the Rev. Albert Barnes's labors, whose failing health made it necessary to retire from active pastoral work), will come to Philadelphia, and commence his duties next Sabbath morning. This is now definitely fixed, and we doubt not that it will be a cause of great satisfaction and pleasure to many of our citizens, especially those living in the eastern section of the city, to know that Rev. Dr. Johnson will so soon enter his new field.

SHOOTING INSECTIVEROUS BIRDS.—Wm. Holt was arrested yesterday, at Forty-first and Ludlow streets, upon the charge of shooting insectiverous birds, contrary to act of Assembly. He was taken before Ald. Maull, and was find five dollars.

JUVENILE THIEF.—Frank Gysi, aged 14 years, was arrested yesterday on Second street, below Coates, upon the charge of the larceny of some mantel ornaments. He was committed by Alderman Toland.

AN OWNER WANTED.—The Fifth District Police desire an owner for a cow, which was found astray in the streets yesterday.

FOUND DROWNED.—The body of a man was found in the Delaware, at Callowhill street wharf, this morning.

IN GREAT BRITAIN gentlemen who confer public benefits, are often elevated into the titled ranks. A house that could clothe a battalion of citizens, from millionaire to laboring man, at a few moments notice, would at once be styled "Clothiers to the Royal family." To the Philadelphia public the great clothiers are Wanamaker & Brown, corner of Sixth and Market streets. The magnitude of Wanamaker & Brown's trade is such that all competition is distanced, whether in custom-work or ready-made.

NORTHERN DISPENSARY.—A meeting will be held on Thursday evening next at the hall of the Northern Dispensary, No. 603 Spring Garden street. The object is to increase the facilities and usefulness of the Dispensary. It is proposed to introduce free baths and other sanitary measures for the prevention of disease. This institution is one of the most deserving in the city, and it is to be hoped that the managers will be successful in their new undertaking.

ANNIVERSARY SERVICES.—To-morrow evening at 8 o'clock the Spruce Street Baptist Mission will celebrate its tenth anniversary at the Spruce Street Church, Spruce, below Fifth street. The programme is an excellent one, and the exercises will doubtless be very attractive.

NEW JERSEY MATTERS.

ELECTION.—The annual election for officers o the borough of Riverside, New Jersey, which was recently incorporated by the Legislature of New Jersey, was held yesterday, and resulted as follows: For Justice of the Peace—Melledore Speigle. For Councilmen—Edward A. Heintz Oscar Teltze, Henry Garbe, Jacob Wolfschmidt E. C. Elliott. For School Directors—Edward A Heintz, one year; George Pfau, two years; Rudolph Stoecker, three years. For Assessor—August Schell. For Collector and Treasurer—Wienceslas Peletier. For Constable—Philip Espenshits. For Judge of Election—S. A. Barthoulot. For Inspectors of Election—Charles Miller, Frederick Leak.

SUPPOSED INFANTICIDE.—On Monday, a man and his wife, named Steelman, residing near Somers's Point, Atlantic county, were arrested, and committed to the jail at May's Landing, on the charge of infanticide. On the examination before a Justice of the Peace, it appeared that the child had mysteriously disappeared, and as no satisfaction was obtained in regard to it, the parents were locked up. The Courts will not commence in that county until the 8th of September next.

MASS MEETING.—The Union League of Atlantic City have exercised a very important influence in shaping the politics of Atlantic City, and it is in a very flourishing condition. On Monday evening next the Republicans, under its auspices, will hold a mass meeting in the Mansion House Hall, for the purpose of discussing the issues of the day, and to commence the political campaign. They extend a special invitation to the Democrats to attend, in order that they may hear some truths which that party generally overlook.

ROLLING STOCK.—The Camden and Atlantic Railroad Company will, by the opening of the bathing season, have two additional locomotives, and eight very elegant new cars to place upon their road. It is anticipated that the season will be a good and profitable one, as extensive preparations are making to accommodate those who desire to visit the seaside. It is proposed, also, to run the express train down to Atlantic City in one hour and a half, instead of two, as heretofore. This would be another great accommodation.

CAMDEN COURTS.—The May term of the Camden County Courts commenced yesterday. These courts have been so crowded with business for the past few years that it has been found necessary to summon two sets of traverse jurors, one class to serve until the 19th, and the second class from that time until the close of the term.

CITY NOTICES.

BARTLETT is in the field, at the head of the spring fashions. Specimens of his creative genius, in the shape of the most *rech-erche* boots and shoes ever worn by American gentlemen, may be seen and secured at moderate prices, 33 South Sixth street, above Chestnut.

"A DISTINCTION WITHOUT A DIFFERENCE."—An English paper has discovered the line which divides a distinction from a difference: "A little difference frequently makes many enemies;" while "a little distinction attracts hosts of friends to the person on whom it is conferred." The cheapest way to possess an enviable distinction among men is always to dress in clothing of the cut and finish of that sold at Stokes &o.'s, under the Continental.

JUDICIOUS mothers and nurses use for children a safe and pleasant medicine in BOWER'S INFANT CORDIAL.

ST. LOUIS AND IRON MOUNTAIN
RAILROAD COMPANY'S
First Mortgage
Seven Per Cent. 25-Year Bonds.
Interest Coupons due 1st February and August, payable in the City of New York.
The title of the St. Louis and Iron Mountain Railroad having been confirmed by Act of the General Assembly of the State of Missouri, and the Bonds declared valid, the work of extending the same to a connection with the Southern system of roads, at Columbus, Ky., is now going rapidly forward. Ninety-one miles being in profitable operation, forty-five miles of new work graded, with rails enough on hand for forty-seven miles, it is expected that the whole line, from St. Louis to Belmont, one hundred and ninety-three miles, will be opened for business early next year, so that there will be a continuous line from St. Louis to Mobile, New Orleans and other Southern cities. A very large traffic is anticipated.
The old part of the road (ninety-one miles) already earns enough to secure all the interest on the whole mortgage debt, and the extension completed will vastly increase the earnings. The proceeds of these Bonds going into the extension of the road adds to the security, and a projected branch, southwestwardly from Pilot Knob, for which a cash subsidy of $16,000 per mile is granted by the State, as a free gift to the Company, will add very much to the value of their property.
THOMAS ALLEN,
President, St. Louis, Mo.
H. G. MARQUAND,
Vice President, New York.
We, the undersigned, cordially recommend these Seven per cent. Mortgage Bonds of the St. Louis and Iron Mountain Railroad as a good security. The revenue of the road will be large, and the administration of the affairs of the Company is in capable and experienced hands, and is entitled to the greatest confidence of the public.
JAMES S. THOMAS, Mayor of St. Louis.

A limited amount of the above-named Bonds for sale at EIGHTY-FIVE for the present. We invite the attention of capitalists and others to them as, in our opinion, a very desirable investment, destined to rank as a first-class security.

A CLEAR, SMOOTH SKIN AND BEAUTIFUL COMPLEXION follow the use of HELMBOLD'S CONCENTRATED EXTRACT SARSAPARILLA. It removes black spots, pimples, moth patches and all eruptions of the skin.

IN THE SPRING MONTHS THE SYSTEM naturally undergoes a change, and HELMBOLD'S HIGHLY CONCENTRATED EXTRACT OF SARSAPARILLA is an assistant of the greatest value.

YOUNG LADIES, BEWARE!
OF THE INJURIOUS EFFECTS of Face Powders and Washes. All such remedies close up the pores of the skin, and in a short time destroy the complexion. If you would have a fresh, healthy and youthful appearance, use HELMBOLD'S EXTRACT SARSAPARILLA.

NOT A FEW OF THE WORST DISORDERS that afflict mankind arise from corruption of the blood. HELMBOLD'S EXTRACT SARSAPARILLA is a remedy of the utmost value.

HELMBOLD'S EXTRACT SARSAPARILLA cleanses and renovates the blood, instils the vigor of health into the system, and purges out the humors that make disease.

QUANTITY vs. QUALITY. HELMBOLD'S EXTRACT SARSAPARILLA. The dose is small. Those who desire a large quantity and large doses of medicine ERR.

THOSE WHO DESIRE BRILLIANCY OF COMPLEXION must purify and enrich the blood, which HELMBOLD'S CONCENTRATED EXTRACT OF SARSAPARILLA invariably does. Ask for *Helmbold's*. Take no other.

HELMBOLD'S CONCENTRATED EXTRACT SARSAPARILLA is the *Great Blood Purifier*.

SARSAPARILLA
ERADICATES ERUPTIVE AND ULCERATIVE DISEASES
OF THE
Throat, Nose, Eyes, Eyelids, Scalp and Skin,
Which so disfigure the appearance, PURGING the evil effects of mercury and removing all taints, the remnants of DISEASES, hereditary or otherwise, and is taken by ADULTS and CHILDREN with perfect SAFETY.
TWO TABLE-SPOONFULS of the Extract of Sarsaparilla, added to a pint of water, is equal to the Lisbon Diet Drink, and one bottle is equal to a gallon of the Syrup of Sarsaparilla, or the decoctions as usually made.
AN INTERESTING LETTER is published in the Medico-Chirurgical Review on the subject of the Extract of Sarsaparilla in certain affections, by Benjamin Travers, F. R. S., &c. Speaking of those diseases, and diseases arising from the excess of mercury, he states that no remedy is equal to the Extract of Sarsaparilla; its power is extraordinary, it is more so than any other drug I am acquainted with. It is, in the strictest sense, a tonic with this invaluable attribute, that it is applicable to a state of the system so sunken, and yet so irritable as renders other substances of the tonic class unavailable or injurious.
