The morning hour was largely consumed in the The Northwestern delegations are divided be- reception of petitions and addresses by delegad. Geer, 26 hours from Providence, tween Wade and Colfax, with a strong prepon- tion from Evangelical Association . oung, 13 hours from Baltimore, with derance in favor of the former.

On the whole the indications this morning are that the fight will be narrowed down between Wade and Hamlin. The latter's friends have no organization, hence the chances are against them. Mr. Wade's friends, who are alert and working industriously, claim this morning that he will get one hundred and seventy-five votes on the first ballot. The most important part of the Convention

work, that of framing the platform, has been very little discussed as yet. Rigana Baltimore, Reuben Foster, son, New Bedford, Sinnickson & Co. Coan, Boston, J E Baley & Co. Millville, captain. Millville, captain. the course of those Republican Senators who
