COAL.—Mr. W. W. Alter, the well-known coal merchant, during a recent extended tour through the coal regions, selected an immense stock of the finest varieties of the black diamond, both in the Lehigh and the Schuylkill districts. He is now prepared, at his yard on Ninth street, below Girard avenue, and at his branch office, corner of Sixth and Spring Garden streets, to offer to the public advantages in quality and price which cannot be procured elsewhere. Those who contemplate purchasing their yearly supply of coal will serve their own interests by calling upon him now. Indeed every one should make it a point to lay in a stock at this season of the year. The saving in price will more than compensate for the outlay, for now that the winter's demand is over prices have touched bottom, and will remain depressed but for a short time.
