Though somewhat I be rusty, dull and frail,
Do not refuse me;
No weapon in Almighty hands can fail;
O Maker, use me.

Draw out the music from my heart-strings mute,
Notes high and glad
Of thanks and praise; or, if it better suit,
Low, sweet and sad.

My jangled chords a tuner's care and pain
Too much require;

further cavil. An article on the Talmud, by
Calvin E. Stowe, is timely and informing; the
excellent biblical and hebraic writings of Mr.
Stowe, disembarrassed of all technicality and addressed to the people, are at once scholarly, lucid, balanced and attractive. A remarkably picturesque sketch of Theophile Gautier, the
French pictorial writer, is from the pendor or shall we say the pencil—of. Eugene
Benson, artist and critic. "Abyssinia and King Theodore," by G. Reynolds, is largely de
too heavy to be separated by the water in the sluice, and too large to get through the holes.
The dish is then removed, and a man, shaking the basin like a sieve, brings to the top the sand, small nails, &c., which are among the gold dust. The nails are removed by a magnet, and the sand is washed off by a peculiar jerk just sufficient to take it over the basin.

"The sludge mill consists of a circular vat of about the same size as the puddling mill.

My jangled chords a tuner's care and pain Too much require; King Theodore," by G. Reynolds, is largely de- of about the same size as the puddling mill, But, good or bad, the player makes the strain voted to prophecies and speculations now per- but here we see revolving four nearly hori manently settled by the artillery of Magdala. | zontal spouts or gutters of metal, down which Mr. Bayard Taylor contributes two articles—a the sludge, which has been mixed with more Speak unto me. Webb that he had arrested James Ellinger in New Section 1. The Select and Common Councils

persons assembled yesterday morning, in St.
Luke's Episcopal Church, to witness the ceremonics attending the ordination of several candidates for the Gospel ministry. Owing to the absence of Bishop Stevens, who was detained by the extreme illness of his wife, Bishop Lee, of Delaware, presided. Rev. Mr. Kelly read morning prayer, assisted by Rev. Dr. Spear. The sermon was delivered by Rev. Daniel Washburn, Rector of the Episcopal Church at Ashland, Pa.
The ordination was administered by Bishop Lee, to Rev. George B. Allen and Rev. William McGiatery, candidates for the Priesthood, and Mossrs. Reginwald H. Howe, Daniel G. Anderson and James B. Barnard, candidates for Deacon's orders. At the close of these services the Holy Communiton was administered. A considerable number of Clergymen and Divinity Students were present.

CRUELTY TO Animals,—William Connell was

of three-tenths of one for contum on the part value of such certificates so issued shall be appropriated quarterly out of said income and taxes to a sinking fund, which fund and its accumulations as linking fund, which fund and its accumulations.

which will be of interest to the admirers of our and we see some three feet or so of the trough and we see some three feet or so of the trough a situation in a store or Countinghouse, as clerk or segletant book-keeper. Best of reference can be given. The water is turned off, and we are allowed address "W," box 1977, Post Office.

magnificently shown in Byron's itinerary poems, removed pro tem., and a horse slung in its of linking episodes like cameos to the chain of place.

the narrative, without shock or dislocation; but

* * "Our guide warns us not to stir"

GIRARD F. AND M. INSURANCE COMPANY, Office N. E. corner CHESTNUT and SEVENTH Mr. Swinburne's episodes are good in themselves, as our readers had proof yesterday in the extract we quoted paying tribute to Saint Catharine of Siena. The subsequent plea for pity on an erring and unfortunate heroine of Siena, the lady Pia Guastelloui, is full of grace, and blends in go.

At the first light which we come to, as some enters the shaft when the level of the surface of the surface of the earth is reached, but the cage continues its course some forty feet higher. All the works are at this level in order to get rid of the stuff which is left from the washing, by Mr. Swinburne's episodes are good in themselves, at the first light which we come to, as some streets. ing and unfortunate heroine of Siena, the lady Pia Guastelloui, is full of grace, and blends ingoniously into another plea for that "mightier maiden" who is called "Italia;" easily leading off to brilliant hopes for the future of Italy, as a republic and the bride of a purer church. Mr. Swinburne misses, we are obliged to say, under the strain of a long historical and topographical narrative like this, much of the richness and

Swinburne misses, we are obliged to say, under the strain of a long historical and topographical narrative like this, much of the richness and verbal felicity that constitute his ordinary traits;

we find the precincts of the electron day of no means 'warm,' but remain is our mining dress, as we are to be photographed, and occupy the time till all is ready for that operation by watching the process of that operation by watching the process of and his metrical caprices constantly lose the character of charms and take the form of liber-stuff as it comes up in the trucks is first put ties; still, as a broad and burning picture, full of the light of Italy, his "Siena" strikes us as better than anything in Rogers, and only inferior to diameter, round which two instruments like
