Admittance 25 cents. Season Tickets, 50 cts. ap27-tf QUARTER SESSIONS-Judge Allison.—The whole and the lands through which it runs producing everything required for the sustenance of man, as well as annually pouring hundreds of millions of wealth into the lap of the civilized world.

Ellmaker sold at auction the brig stance based and her cargo, consisting of about two hundred barrels of whisky. The vessel brought four thousand seven hundred dollars, and the whisky was sold for the government tax. There was a considerable attendance of speculators anxious for bargains.

Quarter Sessions—Judge Allison.—The whole morning was occupied with the hearing on a writ of habeas corpus, designed to test the custody of a child. The writ was issued by a lady who took the child, a foundling, when it was slx weeks old, and has kept it until within three weeks barely and the lands through which it runs producing the production of the cargo, consisting of about two hundred barrels of whisky. The vessel brought four thousand seven hundred dollars, and the whisky of a child. The writ was issued by a lady who took the child, a foundling, when it was slx weeks old, and has kept it until within three weeks barely and the lands through the production of the cargo, consisting of about two hundred barrels of whisky. The vessel brought four thousand seven hundred dollars, and the whisky of a child. The writ was issued by a lady who took the child, a foundling, when it was slx weeks old, and has kept it until within three weeks and the cargo, consisting of about two hundred barrels of whisky. millions of wealth into the lap of the civilized world.

It is safe, says a writer, to predict that this same Great American Desert is really the most valuable, and will ere long become the During the month of March there was shipped from the State of Nevada, \$10,018,977 67 in bullion. This is the shipment for one month alone, and from a State which ten years ago was almost entirely uninhabited, and which formed a part of the Great Desert.

Colorado, Montann and Idaho formed a portion of that great waste also, and now portion of that great waste also, and now are the considerable attendance of speculators anxious for it obtains a storage of the child also was on the child also was cared for it. The child is now about ten years of the child also waste of it. The child is now about ten years of the child also waste of it. The child is now about ten years of the child also waste of it. TRAVELERS' GUIDE NOMMON COUNCIL OF PHILADELPHIA, HAVANA, May 23.—Special dispatches from Mazat-CLERK'S OFFICE. an, dated May 14, show that the cause of the rebels PHILADELPHIA, May 8, 1868. In accordance with a resolution adopted by the Common Council of the city of Philadelphie on Thursday, the seventh day of May, 1868, the annexed bill, entitled OUIOKEST TIME ON RECORD. NEW YORK AND BOSTON THE PAN-HANDLE ROUTE. Galveston, Moy 23.—General Basque, the agent or ganta Anna, is still at Brownsville.

Quivoga is reported at Laredo, Texas, with a force, for the purpose of invading the State of Nuevo Leyn, with revolutionary intent.

San Francisco, May 23.—The steamship Sierra Nevada, from Mexican ports, brings advices from Lower vada, from Mexican ports, brings advices from Lower California to the 1th instant.

The ex-collector of La Par had returned with a force of two hundred troops, under General D'Avaiez, who ment archives, selzed and imprisoned acting Governor Galons, who is accused of conspiring to transfer the country to the Americans, but the cause of this action is not clear. One correspondent suggests that it may be on account of admitting cargoes of European goods at a reduction from the regular duties.
