LEITER PROM BEHLIN. Political Intelligence-Austria and the Zollverein-A New Creaty-The Eastern Question-The Sultan and Francis Joseph .- The Fortifications of

Prussia had urged Austria to a like policy.
Austria not only declined to take this step in
the direction of free trade, but sought to
induce the States of Southern Germany
to repeal the treaty with France, leave the
Zollverein and aid in forming a new Protectioniste' league. These States found, however, that
existence was impossible for them apart from
the Zollverein, and therefore gave their sanction
to the objectionable treaty with France. Austria the Zollverein, and therefore gave their sanction to the objectionable treaty with France. Austria then discontinued her relations with the Zollverein. Then followed a hard struggle, which, in the language of the Free Traders, "resulted in a commercial Sadowa for the Imperial Cabinet, as decisive as the military and political rout that was to follow." Austria, foiled in her attempt to offset a commercial requirements for many relief. effect a commercial reunion with Germany, raised her tariff to an extraordinary height. She, however, then derived some advantage from the reduction of the Zollverein tariff. That her I.ONDON, May 29, A. M.—Consols firm. PRILADELPHIA, Friday, May 22.—There is no essential change to record in the money market. Capital is abundant at 5@6 per cent. "on call" and all the good mercantile paper offered at the Backs is taken at the legal rate. Trade is, however, very dull, and there is very little ne paper being created.
The Stock market was less active to day, and in all th

The Stock market was less active to day, and in all the speculative shares there was a marked reaction in prices. Berlin, May 13th, 1868.—Sixteen years ago Prussia was defeated by Austria in the field of Gorman politics, and the latter, among other issues of the victory, exacted a treaty of commerce intended to pave the way for admission to the Zollverein. By this agreement, the customs were reduced by both parties, the benefits being confined exclusively to them. In 1865 this treaty expired, and then Prussia, having recovered from her political defeats, entered into a still more liberal treaty with France, the protests and opposition of Austria to the contrary notwithstanding.

The Stock market was less active to day, and in all the speculative shares there was a marked reaction in prices. Government Loans were in demand at a further advance. State Loans were stendy. City Loans were a fixed in contract of the contract of comments were in demand at a further advance. State Loans were stendy. The Flour Market is dull and weak, there being no invested to many the invested to many the invested to the sale of the sale on him at one o'clock this afternoon. [Special Despatch to the Philadelphia Evening Bulletin. Washington, May 29.—As soon as the reading members of the House which had been called, was prevented by the late session over Woolley's case. It will be convened again at the earliest opportunity. One of the principal subjects which it was proposed to decide was the tax on whisky. There seems to be an almost universal impression that it will be reduced to 25c., though a compromise may be had at 50c. per gallon. Many Republicans who have hitherto opposed any reduction of the stax now favor it, saying that the of the Journal in the House was finished the struggle between the Radicals and Democrats over the case of Woolley commenced. Mr. Morgan of Ohio offered a resolution providing for the appointment of three Democrats on the Board of Managers to conduct the investigation. Tale was objected to, but it came before the House as a privileged question. The yeas and nays were called as to whether it should be considered at The New York Stoney Market the present time, and it was decided in the nega-

mare continually pressing on the stomach of the sick man. Had Austria been strong, there would have been no need of seeking aid farther west. Therefore the Turks instinctively drew near to the Austrians, as the latter, by degrees, temerge from their difficulties. The pleasure found in this turn of affairs may not be altogether without misgivings with the Türks, for the question will sometimes obtrude: Will not the change in the Austrian system produce a change in \(\sim \) her polley, and will not populations which find no satisfaction for their national cravings in Turkey look towards the neighbor where all such legitimate claims are now allowed and satisfied;

There is, too, that unfortunate thing of compenive by a vote of 56 ayes to 65 nays. The vote was no sooner announced than up jumped Mr. Boyer, of Pennsylvania, and offered a shrewd resolution to the effect that three members who voted against impeachment should th to the questions of the Committee. The money market continues extremely easy at five

No. 719 CHESTNUT STREET.

3-10's Converted into 5-20's As the Government will change its terms June 1st onversions should be made at once, as after that date her will be much less favorable to holders. These Bonds are issued by the Government as a subsidy to the Pacific Railroad. They have 30 years to run, and bear interest at the rate of Six per cent. per annum currency. Principal and interest payable by the Government. They are at present the cheapest Government Bond on the list.
