UNION PACIFI

RAILROAD · · · · ·

Are now finished and in operation. Sixty miles of track than twenty incueand men are employed, and it is not imposeible that the entire track, from Omaha to Bacra-mento, will be finished in 1869 instead of 1870. The means provided are ample, and all that energy, men and mone

an do to secure the completion of this GREAT NATIONAL WORK.

at the earliest possible day, will be done. The UNION PACIFIC RAILROAD COMPANY receive: I.-- A Government Grant of the right of way, and all necessary timber and other materials found

along the line of its operations. -A Government Grant of 12,600 acres of land to the mile, taken in alternate sections on ca side of its road. This is an absolute donation, and will be a source of large revenue in the future. III.-A Government Grant of United States Thirty-year Bonde, amounting to from \$16,000 to \$48,000 permile, according to the difficulties to be various sections to be built. The lovernment takes a second mortgage as securit and it is expected that not only the interest, but th

principal amount may be paid in services rendered by the Company in transporting troops, mails, &c. The interest is now much more than paid in this way, besides recurring a great saving in time and money to the Government. IV.--- A Government Grant of the right t A GOVERNMENT GIVEN OF THE OF THE TIGE TO Issue its own FIRST MORIGAGE BONDS, to aid in building the road, to the same amount as the U.S. Bonds, issued for the same purpose, and no more. THE GOVERNMENT PREMITS the Trustees for the First Morigage Bondholders to deliver the Bonds to

First Mortgage Hondholaers to deriver the black to the Company only as the road is completed, and after it has been examined by United Status Commis-sioners and pronounced to be in all respects a first-class Hallroad, laid with a heavy T rail, and com-pletely supplied with depots, stations, turnouts, car-

hors, locomotives, cars, &c. -A Capital Stock Subscription from the sto kholders, of which over Eight Million Dol. lars have been paid in upon the work already done and which will be increased as the wants of the SIX PER CENT. BONDS

VI.-Net Cash Earnings on its Way Business, indication of the vast through business that must follow the opening of the line to the Pacific, but they

upon such a property, costing nearly three times heir amount,

Are Secure beyond any Contingency The Company have abundant means in their treasury and make no appeal to the public to purchase their Bonds as the daily subscriptions are entirely satisfactory; but they submit that, for entire sociarity and liberal returns, there is certainly no better investment in the market. The Union Facific Bonds are for \$1,000 each, and have coupone attached. They have thirty years to run, and

coupons attached. They have thirty years to run, an bear annual interest, payable on the first days c January and July, at the Company's office, in the offy u New York, at the rate of six per cent, in gold. The Frin ipal is payable in gold at maturity. At the present r f Gold these bonds pay an annual income on their cost

NEARLY NINE PER CENT.,

nd it is Believed that they may soo be at a Premium.

The Company referve the right to advance the rice to a rate above par at any time, and will no any orders or receive any subscription on which t oney has not been actually paid at the Company's office efore the time of such advance. Partics subscribing will remit the par value of the bonds, and the accrued interest in currency at the rate of eix per cent per annum, from the date on which the last

upon was paid. Subscriptions will be received in Philadelphia by DE HAVEN & BROTHER.

Those. The paper is now before the House, and is inbodied in his answer made on the 26th last. Woolley is pressing, as far as he can, a statement of some particulars in which his testimony is reported by the managers so that a very small part of it, so roported, differs from the testimony really given by him. I will only refer to one instance. Mr. Butler, in his report, says Woolley testified that he had obtained

report, says Woolley testified that he had obtained the sppointment of an assessor in Cincinnai from the President. He testified to no such thing. His testi-mony was that the appointment was made on the recommendation of another person, though he be 'o lieved the President was aware that he wanted the appointment made. Mr. Batler's object in this rep-resentation is apparent. He wanted to connect Wool lieve with the President, and thus perverts his answer to second by purpose. mplish his purpose.
