GEORGE FRANCIS TRAIN has withdrawn his name as a candidate for the Presidency, though we believe no one ever thought of him in that connection. This gives us an opportunity to bring out P. Lorillard for that high position. The platform on which he stands is a desire to advance, the best interests of the people. One of the best planks in it is the "Yacht Club" Smoking Tobacco, and this he fortifies by the offer of a certain number of genuine meerschaum pupes distributed through the packages. Let the war cry be Lorillard and the "Yacht Club."
