1.1.1 LEAST AND AND MADE AND AND A county is within in wo years, offers his yote? He is rejected. Why? Because of this act of Legislature. Yet the Constitution declares that the voters with the above quali-fications shall have the right to yote. Another deficiency in the act is that if imposes upon Justices of the Peace duties not judicial. To impose such duties is unconstitutional. The aldermen need not take moon the motions the Idermen need not take upon themselves the nties imposed by this act, and hence a mojority or partisan purposes may decide not to act, and et if the state constitutional every voter is disyet if the ist be constitutional every voter is dis-franchised because there is no registry. Mr. Rawle followed on the other side. If the right of franchise is so sacred, it is worth some trobble to secure it. This court will not interfor by injunction upon the ground that a wrong may be done. We are not to presume that any voter's vote will be wrongfully received or re-jected. The taxpayer's bill is destitute of merit, because the court will not interfere if it is right. Ship Leasing Last on the Scotland Const. FROM LANCASTER Obsequies of EL-Freeident Buchana A Large Concourse of People Present. Constanting a statement of the contribution statement. The contribution of the contribution statement. The contribution of the contribution statement. The contribution of the contribution of the contribution statement. The contribution of the Then came the act of 13th September, 1783, which elabo-rately resulted the memore of holding elections. The Constitution, as anonded in 1789, provided that "In elections by the clitzens, every freeman, of the age of twenty-one years, which has resided in the State two years next before the days of the election, respectively, and paid taxes within that time, shall enjoy the rights of an elec-tor. The some of fresholders, of the age aforeasid, shall be catifued to vote, though they have not paid taxes." "It was under this constitution that the act of 15th Fob-rusry, 1799. (Furdon, Ed. 1812, 100, was pazzed, under which, for just forty years, our elections were held. It provided for the circlin of certain functions, it such is and these judges and inspectors appointed judges, and these judges and inspectors appointed judges, the truth resultions and elections in this page in result of the first met al conducted by judges, inspectors and consucted by judges inspectors and the county commissions and of naturalized childers, and the county commissions of anturalized childers, and the county commissions and of naturalized childers and the county commissions and inter the science of the mails in such a state of the science as a fart resultions are allowed to origo unless the moline distance of anturalized childers and the county commissions and not on such list, was allowed to origo unless he produced a fax recipt. "or give other astisfactory evidence, either on the own and the family, and no one, whose name was the paid with list. The sails actory evidence, either and paid such tax. <text><text><text><text><text><text> act was to enable citizens in advance to establish their right to vote, and relieve them of the necessity of pro-ducing the proof on election day, when all is turnoil and Mr. Mann carneedly contended that no man who had the act itself instituted a great reform and would prite the the sense bill to provide for giving effect to the va-tics five for vote could be disquilifed by this act, while the act itself instituted a great reform and would prite the would put an end to the ten days' residence scheme, under which men went from division to division to vote ille-fally. The argument was still in progress when our report Alternative of the second day, which are subscribed to a second day which are subscribed to a second day which are subscribed to a second day and the second day and STEPHEN A. Fire in New York

NEW YORK, June 4.—The buildings Numbers 4 and 16 Amity Place, owned by Mr. Diagee, of fonkers, and occupied by Henkle & Co., furniture manufacturers and Stein, plano maker, Gei-sejman & Co., tobacco merchants, and several others, were completely destroyed by fire this morning. The loss is estimated at \$50,000. The

B hereas, The revenue laws of the United States, now existing, were enacted long before steam locomotion, both by lawd and on the cc an h-d revolutionized the man ner of conducting the great commercial exchanges of the world; and whereas, The provisions of these laws requiré entry and appraisal of all goods imported for account of parties resident at interior ports, to be made at the port of artis, Whereas, This provision of law, without benefit to any one, by greatly over rowding, certain custom houses, by one, by greatly over rowding certain custom he inter posing unnecessary delays and expenses, by tating many intermediato agencies at the port of operate to retard and obstruct the legitimute or trade hotrogen forwign, reduces and the accounce

trade between to reign producers and the consumers of interior of our own country, and chus to curtail the renues of the Government by discouraging foreign tra-Whereas, a bill No. 788 lins been paised by the House of errerentatives designed to remove many of the difficult Representatives designed to remove many of the difficul-lice interposed by two present law ; therefore Recoursed, That this organization, the National Board of Trade, serembled in Philsdelphia do most urgently clict of the homorable the Smare of the Usired Sta es, low Insersion an early and favorable consideration of The Precident ruled the resolution, to be out of the other the Convention resolution, to be out of the refer as the Convention order, as the Convention was only under tempo ry organization. Mr. Fraley then moved to refer the resolution to the National Board, when organized, with a favorable recommendation of the present organization. A motion was made to lay the A communication from Hon. Morton Mc. A communication from Hon. Morton Mc-Michael, Mayor of the city, enclosing the resolutions parsed by City Councils May 14, tendering the bospitalities of the city, to the delegates of the Convention, and inviting them to partake of a banquet at the Academy of Music on Friday evening at seven o'clock, was presented by Mr. Fraley, of Philadelphia, and was read.

The invitation was accepted, and the President was instructed to tender the thanks of the Conention to the municipal authorities of Phili Mr. John A. Gans, of Cincinnati, Chairman of the Committee on Organization, reported a con-stitution, which, on motion of Mr. Fraley, was nsidered and acted upon by sections. The a les as adopted were as follows ;

AUTICLE 1. SECTION 1. This Association that be designated and known as the National Board of Trade.

Association, and shall be accorded the following representation: Each such association. Having fifty to bac hundred active mombers having the right to vote in their respective organizations, shall be entilled to one delegate; having 100 to 3.0 members, two delegates; having 300 to 600 members, three delegates; having 500 members, for delegates, and for each additional 600 members, for delegates, and for each additional 600 members a additional delegate. Sho 9, Telegates and for each additional 600 members, for delegates, and for each additional 600 members, for delegates, and for each additional 600 members, for delegates, and for each additional 600 members, for the film one year. At each meetius of the Asso-ciation ther shall present ordenitals from the, objects of their respective constituencies, showing them to be en-titled to re present such badles in this Association, which iz d to fot the connected with the body claiming ro-presentatives, which has a copy of the charter on file in the hand of the wreters, " BEC. 3 It uters mombers may be elected to the Asso-ciation the present organ in your of the constitutional organizations. They shall have no voice in its anthre or in disposing of its business.
