RECONSTRUCTION. spite of all the intrinsic difficulties of Roads

In spite of all the super-added obstacles which the wretched apostacy of Andrew Johnson has thrown in the way, the Republi-can Congress of the United States has kept its face steadfastly toward the great purpose of restoring the Union in its perfect integrity; of building up the ruins to which the Re-building up the ruins to which the Re-building up the ruins to which the Re-building hed advaced the Southern States and advoct the Southern States and by thus butting hisself out uv the way, make or building up the runs to which the Re-bellion had reduced the Southern States, and of setting the country forward once more on the path of progress and prosperity which is based for the beremoved. Sich talk may be safely set down ez incendiary."

strange foundation of human bondage and the old Roman fashion misery, and, in time, by gradual conquest and adroit diplomacy, the Southern Empire was | The Republican caucus of Select Council and to rule the world.

minitary office and the label of the balance of the censure of Select Council, should be per-mitted to retire from the Board as rapidly as their terms of office expire. To re-instate them after the action of Select Council is their terms of office expire. To re-instate them after the action of Select Council is there iterms of office expire. To re-instate them after the action of Select Council is there iterms of office expire. To re-instate them after the action of Select Council is there iterms of office expire. To re-instate them after the action of Select Council is there iterms of office expire. To re-instate them after the action of Select Council is there iterms of office expire. To re-instate them after the action of Select Council is there iterms of the reled debt. They have, by their intrinsic merits, overcome preli-tice and ectabled the brand in public favor much more rapidly and more fully than we had dared to hope. Sential terms upon which these States come back to the Union. And yet, easy and light as the terms are, unheard-of in all past his-tory for their leniency and magnanimity, the Republican party has had to "compet them to ceme in," in the face of the determined poposition of the whole Democratic party, and in spite of all the hindrances which the obstinecy of the President has inter-rc.xed. Over all these difficulties the Republican party marches toward the goal of a perfected Union. From first to obstinacy of the friends and winnerstreets, recred. Over all these difficulties the Republican party marches toward the goal of a perfected Union. From first to last, the work has been done by the friends of human integrational progress, and, from first to last, the sham Democracy has from first to last, the sham Democracy has been within the sham Democracy has from first to last, the sham Democracy has hear how their loyalty is appreciated in the hear how thear hear of Lurar liberty and national progress, and, from first to last, the sham Democracy has labored to keep these States out, simply be-cause they felt that their return would bring cause they felt that their return would bring to be a call their advantage to give me a call many English papers. When the Australians hear how their loyalty is appreciated in the mother country, they may conclude to repeal to the california down the advantage to give me a call Nos. 50 and 52 S. TO-DAY'S CABLE NEWS. State of the Markets. CONVICTION OF A MURDERER

By the Atlantic Cable LONDON, June 13, A. M .- Consols 95 for money and 55@951% for account. Five-twenties, 72%@ 72%; Illinois Central, 100%. Erie, 56. Atlantic and Great Western, 3314.

San Francisco, June 12, 1868.—Governor Galan, who was arrested by order of General Davalos, is still a prisoner, and is confined to his room under a guard of soldiers. He was arrested be-cause he permitted an American vessel from San Francisco to discharge her cargo at a reduction of twelve and a half per cent. Of all Governors of twelve and a han per cent. Of an overhous who admitted European vessels to discharge cargoes at other ports at fifty per cent reduc-tion, not one has been arrested; but Galan is a friend of Americans, and that is his only crime. The feeling of the dominant party here against Americans, and especially against Gov. Galan and United States Consul Elmer, is very bitter, c

Ex-Governor Vega, of Sinaloa, is somewhere in this Territory. The authorities are pursuing him with vengeance. It is reported that he had been captured at Cape St. Lucas by some of Da-The present general stagnation of business may soon be enlivened by revolution. MazarLAN, June I, Via San Francisco, June 12, 1868.—Carlos T. Galan, Goyernor of Lower Call-fornia, arrived here to-day as prisoner under guard, from La Paz, by the steamship Montana. The Goyernor is now in prison in this city, await-ing trial before the Federal District Court for Difference in office A La Par degrafe de guard

acted otherwise than friendly toward Americans, denounced these acts in severe terms, and said he believed the government would justly punish the guilty parties. This Monterey piece of vil-lainy, coming so soon after the robbing and shooting of Americans employed on the Vera Cruz railroad, and the conduct of the govern-ment towards the American Legion, may lead to the most disagreeable results. Certainly the United States government, in defence of its citi-zens, should investigate these matters and de-mand redress. There is not a more law-abling class of foreigners in the republic of Mexico than the Americans.

bious for Juarez's administration to relieve such a man as General Corona from this important

At a meeting in Montgomery, Alabama, to ratify the nomination of Grant and Colfax, the following letter from Hon, Richard Busteed, United States District Judge, was read: MONTGOMERY, Ala., May 29, 1868.—B. W. Norris, J. Q. Smith, J. D. Cunninghum, Esgs., Committee on Investigation—GENTLEMEN: I am in receipt of your invitation to attend and address Committee on Investigation—GENTLEMEN: I am in receipt of your invitation to attend and address a Republican Union mass-meeting; to be held in this city on Saturday, next, to ratify the nomi-rations of the Republican National Convention,

"file-leader." and Colfax for "color sergeant," the Union Republican Party will march on to success, conquering and to conquer. Grant-prudent and forbearing in council, brave and magnanimous in war, modest in victory, imper-turbable in defeat, discreet in peace, obdurate in war! Colfax-the civilian statesman, inflexible in adhesion to principle, devoted to friends, for-bearing to enemies, generous to all! Is is my purpose, if my health will admit it, to "bear a hand" in the coming canvass. Let it be conducted on our side free from personal asperi-ture, and with a deep consciousness that free Con-stitutions stand or fail as we succeed or are de-feated. Yours, for the whole country, Richard Bustern.

\_\_\_\_

FROM NEW YORK. New YORK, June 18 .- Mr. Charles Kuox, the tion, not one has been arrested, but Galan is a friend of Americans, and that is his only crime. The feeling of the dominant party here against Americans, and especially against Gov. Galan and Ubited States Consul Elmer, is very bitter, and the hidalgo and Nevarro factions have grossly misrepresented Gov. Galan's official conduct to President Juarez and his Cabinet, and having peutralized the kind offices of Minister Plumb and Colonel Luce in the Governor's behalf at the city of Mexico. These factions are now all power-ful, and for the present are strong Juarez men. Gen. Davalos is now Millitary Governor of Lower California. As such he keeps the legal Governor a prisoner, and by the next steamer will send him under guard to the national anthorities at Mazatlan. Gov. Galan will leave behind his wife, an excellent tody, educated in the United States, and are util two dy ducated in the United States, and are util the fulled. Mazatian. Goy. Galan will leave behind his wife, an excellent ady, educated in the United States, and six littlochildren. His case is an extremely hard one and demands the investigation of the authorites of the American Government.

The New York Money Markets The New York Money Markets (Brom the New York Herald of Today, 1 JUNE 12.—The gold market has been very firm but gult today, and the fuctuations werefrom 180% to 140% wit the closing transactions at the highest point untouches become demand for coll. At Johns were made "flat," and at rates varying from one to six per cent per, annum, and L64 per diem. The gross clearings amounted to §33,0000, the gold balances to \$1 22,220, and the currency balances to \$1,735,183. The Sub Treasury disbursed \$12,000 in coin in payment of in-terest on the public dok, and the convertions of sysen-thirty notes into five-twenty bonds amounted to \$1,483, 300. The supply of morey continues superabundant at block changes ight. There is very little commercial par er offering, and strictly prime is in request at five per cent. Covernment securities were dull and rather drooping during the greater part of the day, and there was some hammening dame by the dealers for the purpose of buying without advancing prices. After the quarter-part two call, however, there was an active demand for all the is-tues of fiver twenties, and prices advanced about a quarter-

the same time list year, including 830.643.520 in specie. [From the New York World of today.] JUNE 12.—'I he Government bond market gaincetsrength reshe day advanced, owing to an increase in the demand. for invertment, which compelled the dealers. to huy in or-der to execute their daily orders. The small dealers seem to have been cleared out, and there is a considerable short interest which causes a good borrowing demand for some of the bonds. The domestic demand is running chiefly on the 1857s, which advanced from 113 to 1132. The in-terest due on July 1 makes these bonds the cheepest on the list. The seven-thritics are quiet owing to the delay in conversions.

The money market is without change; easy at 8 per The money market is without change; easy at 3 per cent, to Government bond dealers, 8 to 4 in dovernments, and 4 to 5 per cent, on stock collaterals. Primo discounts are 5 to 6 per cent, on stock collaterals. Primo discounts the foreign eachange market closes dull and inactive. Rates are nominally the same, but with a little firmer ione than for the last packet. Prices of produce are too high for exporters, and commercial bills are therefore scarce. Bankers are unwilling to sell below species ship-ing affirm buying, in expectation of lower rates for ex-change, and the result is the present inactivety of the market place in the leading stocks. As regards the shipments of specie to imorrow the City of Boston has about \$1,000,000 engaged, and the total is esti-mated at \$1,200,000. The Latest Ouronation New York.

pecial Despatch to the Philadelphia. Evening Bulletin.] WASHINGTON, June 13.—In the Senate to-day a memorial was presented from a number of citi zens of Colorado, protesting against the passage of the bill making that territory a State, saying that the people did not ask such a change. Also, that Messre. Chaffee and Evans, the Sen-A full was passed providing that no person shall be prosecuted for capital crimes committed galast the United States, if no indictment shall be instituted before the expiration of five years be instituted before the expiration of five years from the time such crime was committed.

Session of the House. secial Despatch to the Philadelphia Evening Balletin. WASHINGTON, June 18th .- The House asgembled at eleven o'clock, with not over one third o

Election at Mound City, Illinois, Sr. Louis, June 13.—The election at Mound City, Illinois, yesterday, resulted in the election of the entire Democratic ticket, the gain being about 100. The trains on the Mobile and Ohio railroad are stopped by the strikers.

XLth Congress-Second Session. WASHINGTON, June 13. SENATE.—Mr. Conkling (N. Y.) presented the protest of 120 citizens of Colorado against the admission of that territory under the pending bill, on account of the scarcity of population and the consequent heavy favation to support a State on account of the scherety of population and the consequent heavy taxation to support a State government, pronouncing it contrary to the wishes of the people, who, at the election had, treated the question of admission as a dead issue, and claiming that the Senators seeking admis-sion are not the choice of the people. Laid on the table. and claiming that the Senators seeking admis-sion are not the choice of the people. Laid on the table. Mr. Trumbul called up the bill in addition to an act passed March 1st, 1854, for the punish-ment of certain crimes committed against the United States. ment of certain crimes committed against the United States.
 Mr. Trumbull explained that it extended the time in which men guilty of capital offences against the United States may be punished, and arises ont of a particular case in which the limitation is likely to expire. The bill was passed.

7%@77%. The Washington Contested Mayor-alty. (Special Despatch to the Phila. Evening Bulletin.) WASHINGTON, June 13.—The bill to settle the

isputed mayoralty election in this city by legalizing the action of the City Register in giving out rtificates of election to those whom he con sidered properly elected, was called up, and is now being discussed. Mayor Bowen this morning received a notice

from Mr. Lloyd, whom the Democratic Council and the Board of Aldermen elected Mayor ad interim, warning him to make no further attempts to discharge the duties of Mayor, or he must take the consequences. Mayor Bowen disregarded the notice entirely.

and intends to let the Democratic Mayor ad interim resort to force, if he wants to create trouble. when his arrest will be ordered, and he will be

Nominations by the President. Special Despatch to the Philadelphia Evening Bulletin WASHINGTON, June 13.—The President sen the following nominations to the Senate to-day Michael Coyle Brenan, of Pennsylvania, Assistant Surgeon in the Navy; William Brown, Surveyor of the Port Customs at Hannibal, Mo. George J. Anthony, Collector of Internal Reve nue. Fourth District of Kansas.

The National Currency Bill. (Special Despatch to the Philadelphia Evening Bulletin.) WASHINGTON, June 13.—The Senate postponed the further consideration of the National/ Currency bill until Monday next, and made it the special order for that day.

XLth Congress Second Session. [STNATE-Continued from the Fourth Edition.] r. Davis inquired if the law was not retrospective in its action. Mr. Harlan replied that it was to meet an existing case, to meet which there was no law. Mr. Davis believed the difficulty could be settled by the conts under existing laws, and denounced the bill as having been concocted by the District committee, in the interest of one of the partice. While Consultation, it was Mr. Harlan explained that there could be no decision as to the rights of such partice, because each board was equally divided. The purpose of the bill therefore was to procure a decision in the cases on their merits by the

Courts. Mr. Hendricks contended that it was grossly unjust to establish a new kind of or idence to test the result of an election. After mon had been prima facis elected they should go into office on their prime facts case and remain there until legally deposed aftor a judicial investigation The Register has no right to make that investigation, an if the courts has mot iurisdiction in the matter, he (M he courts have not jurisdiction in the matter, he ( ndricks) would chcerfully vote to give it to them, he meantime the prima facts case should stand.
