THE MASONIC BANQUET .- The greatest preparations are being made for the grand banquet to be given by the Masonic Fraternity, at the Academy of Music, on Wednesday next, in connection with the laying of the corner-stone of the new Temple, and no efforts have been or are being spared to make it one of the most magnificent affairs of the kind ever given in this country. A grand march, written expressly for the occasion, will be performed by the combined bands, comprising one hundred musicians, upon the entrance of the guests to the banquet. This will be followed by singing by a selected chorus, under the direction of Mr. Aaron R. Taylor. Authems and odes have been written for the event by R. W. Grand Master Richard Vaux, and others, and set to music by some of the first composers in the city. The floral decorations will be the finest ever furnished in this city, and are to be supplied from the Graham nurseries, of which Mr. Walter Balley is Superintendent. The decorations proper will be furnished gratuitously by Messrs. Horstmann, Bros. & Co., Blanchard, and Cornelius & Baker.

Her screams attracted the attention of a young German, named Reamer, who was passing the house at the time. He entered and went to the assistance of Mrs. Schonebacher. The husband didn't like any such interference in his domestic affairs, and at once made an attack on Reamer. The latter went out and got a porter-bottle. He then returned and struck Schonebacher on the head. Schonebacher then went up stairs, and got his gun. Reamer ran out into a field, S. raised his gun, and as he did so Reamer dropped to the ground. The weapon, which was loaded with shot, was fired, and the shot took effect upon three children who were in the field. A girl named Allen, 13 years of age, was wounded in the head and breast; John Blumer, aged 11 tracted the attention of a young German, named A girl named Allen, 13 years of age, was wounded in the head and breast; John Blumer, aged 11 years, and Susan Blumer, aged 9 years, in the face, legs and body. CITY NOTICES. .

Brown's Jamaica Ginger.—Families leaving the city should not fail supplying themselves with this invaluable remedy. Its merits are now so well established that it does not require a detail of its efficiency as a tonic. There has been introduced into the market by druggists at various time a ginger to cope with Brown, but so far he has maintained the palm for superiority.

FINE WATCHES.—We desire to call the attention of watch-buyers to the very fine Watches made by the American Watch Company of Waltham, and known as the ½-plate, 16 size.

To the manufacture of these watches the Company have devoted all the science and skill in the art at their command, and confidently claim that for fineness and beauty, not less than for the greater excellencies of mechanical and scientific correctness of design and execution, these Watches will compare favorably with the best made in any country. In this country the manufacture of such Watches is not even attempted except at Waltham.
