one. It stands, "The History of a mouthful of Bread, and its effect on the organization of men and animals."

Another work by the same delightful author, "Les Serviteurs de l'Estomac," in author, "Les Serviteurs de l'Estoma," in which a view is taken of the whole philo-sophy of our anatomy, was two years after-wards laid before the English juveniles, and was likewise warmly appreciated. The author had not flagged in the graceful fancy and suggestiveness with which he carried off is scientific details. The word biceps in-stantly reminds him of Mount Parnassus, which Ovid says is bicephalous, and when he comes to speak of the skull, he introduces it with that story of Goethe, picking up sheep's head on the Adriatic beach near Venice, and observing that the cranial bones were only transformed vertebre after all. The Messrs. Harper issue this volume like-, wise from the English (anonymous) transla-the ding a change of title, which the Bnglish ranslator had idly improved into "The Little kingdom." The book as presented to the tingdom." The book as presented to the trade is reciprocal, and would only affect trade imerican public wears its proper name, of our breadstoffs and other articles of export demerican public wears its proper name, The Servants of the Stomach," and nearly rresponds in dimensions with the former. bth are put out in chaste and attractive le, like school books in the guise of keep-es, by Messrs, Harper, who have likewise built which will correct some of its evils, and pre-pared two more popular works of the hor, with the assistance of the American the transformation of the space to the commercial interests of the country.

Morley Punchon, an Englishman, now Association." visiting among us, during a year's Mr. Maynard, as a member of that committee, visiting annuary, us, during a years an active min-istry, has composed these beautiful poems, evincing the warmest religious feeling coupled the set of the action of the sub-committee had nothing in

His Committee—Treasurer Spinner 6 oes Fishing and is Much Improved Thereby—Johnson's Bid for Southern Support Met with Scorn and Sneers, Because He is Afraid to Pardon Jeff. [Correspondence of the Philadolphia Evening Bulletin.] WASHINGTON, July 8, 1868.—Judge Morrell,

cal Series a capital Mental Arithmetic, by G.
 P. Quackenbos, A. M., in which the calculations constantly needed in business life are indications of short methods and infinite and short methods and infinite and short methods and booksellers generally.
 The recond scular provides that upon the oblight of any more than the calculation of any cooks by educational booksellers generally.
 The recond scular provides that upon the oblight of any more than the calculation of any cooks were or methods and and experiments. The organization shall be oblight of any more than the calculation of the other and the of any cooks were or methods and the oblight of any more than the same that the theory of the same that theory theory the theory of the same that theory theor

declamation, had not been jadged to need particular citations. In the Americar, particular status and a proving print, however, this advantage is added.⁴ Mr. Chas. E. Grinnell has superimposed upon his has verified every quotation, with references the date, volume and edition; a marked gate cellence which the Americar, passessed over the German issue of this noble little work. Seme notes, which the Dr. had prepared for the printed form of his discourses, have re-ceived the same attention; their quotations, are referred and collated with much ability. We think this small volume one of the mode admirable contributions to the study of "Christianiam" which ever appared[n little dimensions. For sale by J. B. Lippincol. & Co.
 "The Worl of God Opened," by Kraf. Fundford K. Peirce, is a familiar demonstra-tion of the inspiration and truth of the Sori-tures, adapted to confirm the humble by eight with affance and threehandfells appeaks well for Mr. Peirce's scholarship. He is familiar apparently with the works, appeaks well for Mr. Peirce's scholarship. He is familiar apparently with the works, appeaks well for Mr. Peirce's scholarship. He is familiar apparently with the works, appeaks well for Mr. Peirce's scholarship. He is familiar apparently with the works, appeaks well for Mr. Peirce's scholarship. He is familiar apparently with the works, appeaks well for Mr. Peirce's scholarship. He is familiar apparently with the works, appeaks well for Mr. Peirce's scholarship. He is familiar apparently with the works, appeaks well for Mr. Peirce's scholarship. He is familiar apparently with the works, appeaks well for Mr. Peirce's scholarship. He is familiar apparently with the works, and for verse millions elifet of with avaious ready. The mortaility, confirmed by all the texts bearing for the guession of the Bible doctrine of the and the scholar opparent for the scholar opparent of the forter and there handfells apperent withing an interesting, are left out of this little work and interesting,
