UNBETTLED CLAIMS,

Arise anew to the panting heart
That lived in their life-long years ago—
Whether Donizetti or rare Mozart
Bade the tide of melody flew.

And Mario's voice immortal scems: Though the song that slaked our musical the Has passed afar to the land of dreams With the love that our hearts felt first.

Tis a sexagenarian century this:

And the glittering horseshoe glitters more
Than it did when a poet had to pass
To the ghost of the girl he had loved of yore And the swells are the good old English type— Fops now and then, never cowards or fools; And the girls are the same, with hearts blood-

Ah, the weary world is a tangled web:
Yet he is not utterly weary who
To the godlike music's flow and ebb
Sees young breasts pulsate too.

A Recent Trip to Yosemite.

s best to go on from Mariposa with saddle. only required if you have other baggage than | themselves.

happy with what an English tourist calls "blarsted luggage, you know."

Provided with a shrewd and useful guide—
Peter Gordon—we took horses from Mariposa, intending to come out by way of Couterville. The horses are generally trained to the business, and are sure-footed and safe. At Mariposa there are two very good establishments where horses are furnished, that of McCready & Miller being widely known among all Yosemite travelers as one of the merely say that none of our party deserved the view, I will merely say that none of our party deserved the name of being enthusiastic. Still, the sight was a giorious one. The gigantic walls of the valley, painted by the declining sun, winding in an immense vista into the distance, the emerald glow of meadow land, divided by the snakelike Merced between, the innumerable waterfalls, leaping like cataracts of snow from the heights above, and the tall, sharp, white peaks oldest in the region. They often put parties of mountains which stand guard over all, form Mutual Admiration Society, they have be THE MARIPOSA BIG TREES.

These magnificent growths, known to the learned as the Sequoia (tigantea, are about six miles up the mountains, on the right of the Mariposa Trail, and can only be reached by taking the branch trail at Clark's. They are well worth seeing, and are generally visited by the Yösemite travel
are generally visited by the Yösemite travelers. The grove is scattered along over an extent of six miles or more, and comprises experience differs from that of every other Sons, of Glasgow. The vessel is a twin about six hundred frees. Of these the largest is the "Grizzly Giant," which is 102 feet in circumference, and stands quite alone in its grizzled and appeared dignity. Others stand grizzled and savage dignity. Others stand in groups of twos and threes, over rolling souls as we were received into the Hutchings builder's measurement. The sides are proslopes and sharp mountain spure, bearing, for the most part, such absurd and maladroit names as the vanity or shallowness of casual names nam visitors appear to have suggested. Ex-Duke | beds and hearty cheer. Rest, repose and re- | it is intended to admit water between the Gwin and other political celebrities have left | freshment are here—behind all the pictu- inner and outer bottom, so as to sink her to their names here, only to be succeeded by other and later stars. INTO THE YOSEMITE.

Leaving the hospitable ranch of Mr. Clark, now huge banks of snow, twenty or thirty AT THE LONDON OPERA. BY STEPHEN B. FISH. where we have had the wild luxuries of veni- feet deep, under which the water runs son, bear meat and mountain trout, we cross rapid torrents, seen at the bases of the cirthe South Fork of the Merced, and commence cular pits which are melted around the great the ascent of the mountains which intervene | trees which grow up through the snow. One between us and the famous Yosemite Valley.

This is work in earnest, and is rough travelof the great fall of the Yosemite. Sublenly rating about the pure, cool atmosphere, the Ab, why remember? Yet why forget?
We still may hear what of old we heard.
We have Titlens, Nilsson, Kellogg yet.
We have Patti, as bright as a bird. these sun-checkered, breezy heights, if it did

ing, especially at this season, when little or no labor has been done on the trails, and snow is still lying on the mountains. Still, there is something inspiriting and invigoting shout the about the process of the cipitates itself upon the rocks and snow cipitates itself upon the rocks and snow beneath with a sullen roar. By a devious aromatic odors of the pines and furs, the freshness of the opening spring; and the sunny face that nature wears. He must be upper fall. The summer air was rudely upper fall. a very poor sort of drone indeed who can withstand these cheerful influences, and I suppose our company would have been an drenched with blinding showers of spray, exception to every other that ever crossed | which filled the whole vast recess down which the waters leaped. To pass into this not break forth into singing-exhausting haunt of wind and waters was to pass from every popular air, from ancient opera down balmy summer into the cheerless rains of Another pilgrimage to the Nevada and Verthrough Georgia," which last is, for some occult reason, specially dedicated to this trip nal Falls was amply rewarded by sublime and through the mountains to Yosemite.

SALAD OIL—100 BASKETS OF LATOUR'S SALAD through the mountains to Yosemite.

SOLID OIL—100 BASKETS OF LATOUR'S SALAD through the mountains to Yosemite. through the mountains to Yosemite.

We had twenty-six miles of horseback rid
We had twenty-six miles of horseback riding from Clark's to Hutching's hotel in the in the mountain wall, came upon the Vernal alley, and, while I would not say one word Fall, which is 350 feet high, and tumbles against the reliability of the surveyors of these | over a level ledge of rocks. The spray from paths, I must declare that their miles are most | this cataract is like a heavy rain, and is generous and ample. It is just so all through the region; on all the trails the miles partake slope on the right, over which we pass to the of the greatness of everything else, and are

ladders leading to the ledge above. Once on n up regardless of expense or the small the rocky precipice that forms a vaulting iderations of size or space. A mile in place for the falls we find ourselves in a new otten up regardless of expense or the small this region is positively an undetermined quantity. Particularly long were the miles through the snow. Passing up the summit, over sharp crests and ice-cold mountain the base of the Nevada Fall, about half a mile streamlets, we saw through sudden openings back or above the Vernal. Here we can the magnificent valley of the San Joaquin, look back at the green curve of the top of miles and miles beneath us, mapped out in level verdure, and stretching away, laced with of another, both being united by the foaming

level verdure, and stretching away, laced with winding streams, to the blue distance of the Coast Range, whose peaks lay like cumulous clouds upon the horizon. Nearer the dull level of the plain billowed up into the heaving footherast earns and the passenger desires to stop over in Stockton, he must make his calculations accordingly. Another line of stages leaves Stockton for Coulterville on the same days as those of the Mariposa line, but, for reasons hereafter to be mentioned. I would get the reason why the name of the eminant divine, Mr. Bellows, we could be put there. From the apex, which we reached after a same days as those of the Mariposa line, but, for reasons hereafter to be mentioned. I would so the sum rained its fiery arrows glorious panorama of mountain, streams and sum of another, both being united by the foaming torrent which plunges through its rocky walls with the sum stretching away, laced with winding streams, to the blue distance of the Coast Range, whose peaks lay like cumulous of the latest styles.

Overlooking all these rises the magnificent rocky dome of "the Cap of Liberty," 4,600 feet above the valley. This peak, like many others, has had sundry titles, its last before the present being "Bellows Butte." I can the present being a windy place, but there is no other reason why the name of the emiaent divine, Mr. Bellows, should be put there. From the apex, which we reached after a plorious panorama of mountain, streams and glorious panorama of mountain, streams and glorious panorama of mountain, streams and stretching to the latest styles. same days as those of the Mariposa line, but, for reasons hereafter to be mentioned, I would recommend parties to go to the Valley by the laze of light, we traveled over long wastes of snow, long and moorious chine, we could see a glorious panorama of mountain, streams and down, we now took our way. Blinded by valley. We could look down upon the New the blaze of light, we traveled over long wastes of snow, long and moorious chine, we could see a glorious panorama of mountain, streams and valley. We could look down upon the New the blaze of light, we traveled over long the stream of the same of the Mariposa line, but, on which the sun rained its fiery arrows glorious panorama of mountain, streams and valley. We could look down upon the base of the Mariposa line, but, on which the sun rained its fiery arrows glorious panorama of mountain, streams and valley. We could look down upon the base of the blaze of light, we traveled over long valley. Mariposa route, and come out by the Coul- swells of snow, which were occasionally the rocky peak on which we stood, took its swells of snow, which were occasionally broken by curious patches of marsh land, green and brown with new verdure, and sloppy and soppy with melted snow; guided sloppy and soppy with melted snow; guided on the valley we could see the snowy was the latest designs and best of the most celebrated makers, JEWELRY and SILVER WARE, always the latest designs and best of the most celebrated makers. JEWELRY and SILVER WARE, always the latest designs and best of the most celebrated makers. White & Hatch's, thirteen miles, by wheeled vehicles, but unless ladies are in the party it on our uncertain trail by a few "blazed" trees range of the Sierras from whence are drawn Here you find the advantage of the firm surface, slid down the more sharp the torrents which dash in wild, forceful having a party of three or four, or more, as the expense of a guide and pack animal, if wallowed in the treacherous drifts which gave like, slide over smooth precipices for a space,

you have both, or either, is divided among the party. A guide is quite useful, though not absolutely needful, and a pack animal is not absolutely needful, and a pack animal is only required if you have other baggage than that which you carry about the person. The tourist should leave his "boiled shirts" and superfluous clothing where the wagon-road of civilization leaves off and the trail of semi-barbarism begins. Serviceate boots, stout woolen clothes, woolen traveling shirts and a small package of indispensable toilet articles are all that tourists need, unless they are very fussy, and require city conveniences in the wilderness. Some travelers in the mountains here that they are now fully it may be thought necessary. For one I themselves.
But the longest day has an end, and after

THE CHARGE OF THE LIGHT BRI-

with the Grand Ducal Government, identical in tween the United States and Prussia, Bavaria and Wartemburg.

LAST Thursday, by special invitation, Admiral Furragut visited, with his staff, Queen Victoria, narrative of the famous charge of the Light at Osborne House. His reception was most cor-dial, her Majesty, the Prince of Wales, the Dake of Edinburgh and the members of the royal court being present.

Junge Sutherland, of the New York Supreme
Court, on Saturday, set aside, with costs, the
enormous judgment of \$4,600,000 recently obtained by Ross, Steele & Co., contractors, against
the Kansas Pacific Raliroad Company, tor an
elegent claim of \$45,600. A First broke ont in Trenton, N. J., in a blacksmith shop in the State Prison, Friday night,
which communicated to the south wing and
burned off nearly the whole roof. There was

much excitement amongst the prisoners, all of whom were taken out of the south wing and put in the new wing, some narrowly escaping from being burned to death. The fire continued to excitement prevailed in the vicinity of the burnwere present. The proceedings were orderly, and there was no interference on the part of the

THE EFFECTS OF THE HEAT.—The following cases of sunstroke were reported yesterday:—

James Reynolds, residing at No. 30 Mayland street, died from being sunstruck.

James B. Peake. of Poughkeepsie. N. Y. fell

James B. Peake. of Poughkeepsie. N. Y. fell

first to last, his sole guiding star.

\* \* \* Pressing always deeper and deeper into this pen of fire, the devoted brigade, with Lord Cardigan still at its head, continued to move down the valley. The continued to move down the valley. The fire the brigade was incurring had not yet fire was removed to a neighboring house. Robert Craig was found at Forty-first and Haverford streets in an insensible condition, caused by being sunstruck.

John Smith, residing at No. 927 North Fifth street, fell on Sixth street, below Girard avenue, overcome by the heat.

An unknown man was found yesterday at Johnson and Main streets, Germantown over-come by the heat. He was removed to the sta-

His Will.—The will of the late John F. Mc-Devitt was admitted to probate on Saturday morning. By its terms Right Rev. Bishop Wood is appointed sole executor, and among other beis appointed sole executor, and among other bequests made are one thousand dollars to the Swiftly forward, each man at the greatest pace he can exact from his own charger, thus destroying, of course, the formation of the same name at Twentieth and Christian Sts.

Twentieth and Christian, was laid yesterday was firm in repressing the fault. afternoon with appropriate ceremonies, by Right "Thus, when Captain White, of the 17th Rev. Bishop O'Hara, in the presence of a number of societies and a vast audience. Addresses were made by Right Rev. Bishop Wood, Right Rev. Bishop Shanahan, Very Rev. Father Carter, and other reverend clergymen.

Highway Robbert — A colored man, named Wm. H. Reading, aged 25, and reading in Lombard row, near Seventh and South streets, was yesterday afternoon knocked down in the street, robbed of his money, and badly beaten about the

Suicide.—Robert Wilson, an inmate of the Almshouse, put an end to himself yesterday by cutting his threat. The Coroner was notified.

Hell into doubt concerning its true path of duty, never wavered (as the best squadrons will if the leader, for even an instant, appears to be uncertain of purpose), and was guiltles.

DEATH OF A MISSIONARY.—The funeral of of even inclining to any default except that Rev. Robert F. Hill took place this morning at of failing to keep down the pace.

\* Supposing Lord Carligan to be the Shiloh' Baptist Church, and was largely at-Sun, died yesterday at Wallington, Conn.

There were 19 fatal cases of sunstroke at Cleveland, Ohio, on Friday and Saturday last.

Nearly 60 persons died of sunstroke in St.

Louis last week.

Two hundred and three deaths from sunstroke

Two hundred and three deaths from sunstroke

NEW JERSEY MATTERS. FIRE IN CAMDEN.—Another destructive fire oc-curred in Camden on Saturday afternoon, by this establishment the flames communicated to some sheds under which a large quantity of dry

Armstrong, the provision and grocery store of his misfortune, was the isolation, Arassunger train was thrown from the track of the Boston and Fitchburg Railroad, near Framingham, Mass., on Saturday, by running over a cow. Several passengers were severely injured.

A Building in Chicago was struck by lightning on Saturday, and of three persons in it two were instantly killed, the third being so injured that he was not expected to live.

Four cars of the emigrant train on the Pennsylvania railroad were thrown from the track at Newtown Hamilton Station, yesterday, and one of them was overturned. A number of the seen of the much greater. They deserved and received the thanks of the citizens. The loss is, escapers were more or less injured.

This American Squadron sailed on Saturday from the Solent. The flagship Franklia, with Admiral Farragut on board, has gone to Gibralater; the Ticonderoga to Havre, and Canandaigua to Cork.

There were no seed over the carried to a place where medical aid was given them, and they soon after revived. A firmen named Mullen, the residence of Frederick Sherrier, were seriously damanded entirely consumed. A number of other buildings, were seriously damands of the came worked nobly, but there was an insufficient supply of water, and their efforts were of little avail. Several Philadelphia companies of the citizens. The loss is, established the seven much greater. They deserved and received the thanks of the citizens. The loss is, established to covered by insurance. While the fire was raging, two gentlemen, connected with the Camden countries that his exit from the scene in which he had been playing so great a part was, at least, two gentlemen, connected with the Camden countries that his exit from the scene in which he had been playing so great a part was, at least, and were the very companies. W. J. Murray, a man named Allibene, and Robert S. Bender were overcome by the hade of them.

\*\*Cord Cardigan was not amongst the last of the horsemen who came out of the fight; and his movement There men who left Nebraska City for Fort Randall, on the 11th, were attacked by Indians.

Randall, on the 11th, were attacked by Indians.

One of the mer was killed, and the others wounded the Indians carrying off the cattle.

Three Indians were killed.

Competence in emergency, which marred his last act, he yet gave, on the whole, an example of the mer was killed, and the others custody on Saturdav night, on a charge of carry.

Indiangle, and was paddy nurt.

Strating Goods.—Two men, who gave their last act, he yet gave, on the whole, an example of that kind of devotion which is hardly less than absolute. He construed his last act, he yet gave, on the whole, an example of the find and the others custody on Saturdav night, on a charge of carry.

Three Indians were killed.

Kinglake's Vivid Narrative. In Mr. Kinglake's new volumes of "The Invasion of the Crimea" is the following vivid DENEDICTINE. Brigade at Balaklava: "Soon the tated advance of the Light Bri-"Soon the lated advance of the Light Brigade had proceeded so far as to begin to dis-gade had proceeded so far as to begin to dis-grandice, Champagnes, Clarete, and other Wines and

alleged claim of \$25,600.

Mr. Oned Jones, residing in Canton, Mass., that is a doubly flanking fire of round-shot, grape and rifle-MR. OBED JONES, resigning in Caucon, Mass, was found dead in his bedroom on the 5th of July, with a pistol near him, and was supposed to have committed suicide, but subsequently Mrs. Madden, his mother-in-law, and his wife, were from the slopes of the Causeway Heights on the one side and the Easternhia. arrested for murdering him, and the evidence is said to be very strong against them. where they were in order to cover the retreat of the Russian battalions, found means to take their part in the work of destroying burn until 1 A. M. Three prisoners are said to have escaped. The loss is \$10,000. The greatest his squadrons rode thus under heavy crossfire, the visible object they had straight be-A ropular demonstration took place in Lon- time to time pierced by issues of flame, which don on Sunday, in favor of the Parliamentary marks the site of a battery in action; for in truth the very goal that had been chosen for

fore them was the white bank of smoke, from measures for the abolition of the Irish Church establishment. A procession of workingmen, carrying banners and wearing green ribbons, proceeded to Hyde Park, where a mass meeting was organized. After addresses by several sneak. in rear of it, which crossed the lower end of the valley; and so faithful, so resolute, was Lord Cardigan in executing this part of what he understood to be his appointed task, that he chose out one of the guns which he judged to be about the centre of the battery

According to the opinion of the members of the Paris Academy of Medicine, this article is superior to all the ferruginous preparations known. It agrees oet with the stone to of the blood and the oseeous frame, and succeeds where other preparations fail, ruchas Valletre pills, iron reduced by hydrogen, lactate of from, and ferruginous preparations contains three grains of salt of iron. They are both colorless. ers, resolutions were adopted, strongly protesting against the rejection, by the House of Lords, of the Irish Church bill. Two thousand persons the valley: and so faithful, so resolute, was

or his ungoverned pressure had commonly the effect of enforcing upon the neighboring come by the heat. He was removed to the standard morning and in this way there was occasioned a slight distribution of the rank in which the casualty had occurred; but in the next instant, when the troopers had ridden clear of the disturbing cause, they closed up, gold watch and chain, valued at \$300, from the jewelry store of A. B. Warden, Fifth and Chestnut streets. It is alleged that they were at the store about 10 o'clock on Saturday morning, and after looking at various arricles, Ellen purchased a pair of ear-rings. Shortly after their departure after looking at various articles. Ellen purchased a pair of ear-rings. Shortly after their departure the loss was discovered. They were held for a further hearing this afternoon.

FATAL BURNING.—On Saturday night, about eleven o'clock, a coal oil lamp exploded at a house on Tenth street, near Peplar. It was thrown into the street and struck Mrs. Margaret Childs. Her clothing was set on fire and before the flames could be extinguished she was burned in a shocking manner. She was taken to her home, No. 917 North Tenth street, when she dleat evening.

Was so constantly recurring and so constantly followed by the same process—the process of re-closing the ranks—that to distant observers the re-closing the ranks—that to distant observers the alternate distension and contraction of the line seemed to have the precision and sameness which belong to mechanic contrivance. Of these distant observers there was one—and that, too, a soldier—who so felt to the heart the true import of what he saw that, in a partoxysm of admiration and grief he burst into tears. In well-maintained order, but growing less every instant, our squadrons still moved lowen the valley.

Syrup of Hypophosphite of Lime.

Grimault & Co., Chemits, Paris.

A syrup compounded with this new salt has been futrodiced by Dr. Churchill, for the treatment of pulmonary phthisis. Recent trials made at the Brompton Consumption of the treatment of seament observers there was one—and that, too, a soldier—who so felt to the heart the true import of what he saw that, in a partoxysm of admiration and grief he burst into the street, when she died is the same process. The process of the cheet, have abundantly demonstrated the absolute necessity of obtaining this new the treatment of seament observers there was one—and that, too, a soldier—who so felt to the heart the true import of what he saw that, in a partoxysm of admiration and grief he burst into the street, when she died is the same process. In well-maintained order, but growing less every instant, our squadrons s

down the valley.
"Their pace for some time was firmly the corner-stone of which was laid yesterday uniform order was a propensity having all the force of a passion; and as long as it Corner-Stone Laying.—The corner-stone of seemed possible to exert authority, by voice the new church of St. Charles Borromeo, at or by gesture, the leader of this singular onset afternoon with appropriate ceremonies, by Right Rev. Bishop O'Hara, in the presence of a number Lancers (who commanded the squadron of

yesterday attended to the robbed of his money, and badly beaten about the head and body. He was taken to the Pennsylvania Hospital.

Fell Through A Bridge.—Samuel Wood fell through the railroad bridge, at Washington street, Manayunk, about two o'clock yesterday morning, and injured himself so severely that he died in a short time. His body was removed to the robbed of his money, and badly beaten about the head and body. He was taken to the Pennsylvanja Hospital. ing, and injured himself so severely that he died in a short time. His body was removed to the corner of Jefferson and Cresson streets.

and erect, he never once turned in his saddle with the object of getting a glance at the state of the squadrons which followed him; and DROWNED.—Roger Knifton, aged 28 years, was drowned yesterday, while bathing in Wissaflickon creek. His body was recovered.

The squatrons while into this rigid abstinence—giving proof, as such abstinence did, of an unbending resolve—it was apparently owing that the brigade never fell into doubt concerning its true path of

1829. —CHARTER PERPETUAL: to sum up a good deal of truth in a spirit of For eight or ten minutes Lord Cardigan had led the whole field, going always straight as an arrow; he then was Perhaps if he had followed the instipcts of the sport from which the phrase has

been taken, he would have been all eye, all ear, for a minute, and in the next would have found his brigade. But with him, the sound-The disturbance at Mullican, Texas, is not sended. The negro rioters have sent defiant replies to the authorities who have ordered them to plies to the authorities who have ordered them to five o'clock in the afternoon, and in a few mindred to lengthened experience of overlaid by a too lengthened experience of overlaid by a disperse.

A negro was taken from jail at Franklin,
Tenn., on Friday, and hanged by a mob. He was
confined on a grave charge.

The sawmill of McDougall & Co., at Peterboro',
The sawmill of McDougall & Co., at Pete have done at home after any mock charge in Hyde Park. of \$49,000.

The crops in Canada are said to be suffering from the drought. The crops in the Western and Northwestern States are reported to be splendid, and the corn promises well.

How. Whi. P. Howland has been appointed Lieutenant Governor of Ontario, and Hon. L. A. Willmott, Lieutenant Governor of New Brunswick, in the Dominion.

Some sheds under which a large quantity of dry lumber was piled; this acted as additional fuel to fire as-twenty and in less than ten minutes the fire as-twenty from the grocery store of the grocery store of Messre. Marshall & Ware, the dwelling of Charles Armstrong, the provision and grocery store of Brunswick, in the Dominion.

Hyde Park.

"It will always be remembered that he who retired from the now silenced battery was the man who, the foremost of all a few moments before, had charged in through its then blazing front, and that that very isolation, which became the immediate cause of his misfortune, was the isolation, after all, of a leader who had first be-"It will always be remembered that he

and his movement in retreat was so ordered as to prevent him from sharing with his people in the combats which will next be recorded. It must, therefore, be acknowledged that his exit from the scene in which he had the light evolved from a keen, searching con-

troversy—his leadership of this singular charge still keeps its heroic proportions. L'OST.—PERPETUAL P. LICIES, NO.3. 2811, 2.812.
