PHILADRIANIA Tuesday, July 21.- The Bank statement made public this morning is is highly favorable one, showing a large increase in deposite and resources, The supply of more is as large as over, and there is no difficulty in placing "call loans" on Government called rais fat 4@5 per cent, on miscellancons securities at 5@3 per cent. The demand, however, is extremely imited, and the Banks find some trouble in placing their surplus deposits to profitable account. The transactions at the Stock Board to day were again light, without much change in prices. Government Losns were very quiet. State Loans were steady at yesterday's figures. City Loans were dull at 102% for the new and 1934 for the old certificates. Lehigh Gold Loan stead
