The people will re-affirm their view of the modesty of other of the candi-Half usy between Myth and Sizth streets.) 518 MARKETSTREET, PHILADELFHIA, AND 600 BEOADWAY, New York Bays all consistent, with the bing taste, contempt for parade, and pla manners with which direct and eau PHILADELFHIA, have a strong natural sympathy."

had an original idea. A woman sconvention met last week in Chicago for the purpose of establishing a third party, and nominating an establishing a third party. The Bresidence. To **EVENING BULLETIN. Tuesday, August 11, 1868.** Ser Persons leaving the city for the summer, consisting of one man and one woman ought independent candidate tor the Presidency. It held precisely one session, but during that time Mr. Duzer managed to introduce a resolution to the effect "that a dual Presidency, consisting of one man and one woman ought is would not by any means beg him with and wishing to have the EVENING BULLETIN sent consisting of one man and one woman ought to them, will please cond their address to the to be elected to the chair of State." Although Blair promising to declare war upon his per-And wishing to have the Event to be elected to the chair of State." Although to them, will please cend their address to the office. Price, by mail, 75 cents per month. TESTIMONY TO GRANT. Frank Blair, albeit a most hungry and per-sistent seeker after office, is very far from sistent seeker after office, is very far from to be elected to the chair of State." Although the Convention repressed Duzer with a frown and would not accept his resolution, the freshness and suggestiveness of the notion entitle him to some consideration. It is an old theory, and a good one, that a man is that Blair intends to oust the members of that that Blair intends to oust the members of that that Blair intends to oust the members of that that Blair intends to oust the members of that that Blair intends to oust the members of that that Blair intends to oust the members of that that Blair intends to oust the members of that that Blair intends to oust the members of that that Blair intends to oust the members of that that Blair intends to oust the members of that that Blair intends to oust the members of that that Blair intends to oust the members of that that Blair intends to oust the members of that that Blair intends to oust the members of that that Blair intends to oust the members of that that Blair intends to oust the members of that sistent seeker after office, is very far from being deficient in brains. Very reckless in the attainment of his personal ends, he has the other half, and only in union is their abso-the other half, and only in union is their abso-the other half, and only in union is their abso-the other half, and only in union is their abso-the other half, and only in union is their abso-the other half, and only in union is their abso-the other half, and only in union is their abso-the other half, and only in union is the capital. wit enough to hold his adversaries in proper lute unity, completeness and perfection. respect, or, at least, not to transcend the The application of this to marriage is bounds of common sense in assailing them. He has memories of honorable positions which he held during the war which will not ety of extending the theory to the Presidency. The application of this to marriage is natural and beautiful, but despite the sagacious Duzer, we have our doubts about the propri-thing. If they wish to act consistently they must vote for the Benefician or the Benefician of this to marriage is many foolish things, will not have simplicity enough to accept Mr. Blair's word for any-thing. If they wish to act consistently they must vote for the Benefician or the which he has set before himself, to join the and wife, perhaps there would not be much New York World and its partner in de-objection to it. General and Mrs. Grant, class interests that the Irish people profess to cency, the La Crosse Democrat, in abus-ing General Grant as a man and ridiculing pretty ticket, and all good and true Republi-hate in their own land. cans would vote it. But even then a diffi- At last our joy ous, frolicksome young Sec-At Leavenworth, recently, in reply to a culty might arise if we should gallantly elect retary of the Navy is upon the ocean, and if of them. Oliver Gromwell and Napoleon Bona-parte were both great men, but, sir, I tell you that Grant is a greater man than Cromwell and that Grant is a greater man than Cromwell and be endless disagreement. Every male office-secker would be certain to seek the favor of the lady, and we are afraid that the is one of the greatest thinkers in the world. He is ambitious, but he don't show it; and I ten in the matter of expressive even such a comprehende the extent of his in the matter of expressive even such a comprehende the extent of his in the matter of expressive even such a comprehende the extent of his in the matter of expressive even such a comprehende the extent of his epring-right up from poverty and obscurity, and that data the dual government might engage and the perils of pirates and privateers. do what he has done, is no mere creature of cir-comstances. Chreumstances don't run so much in dualing so carnestly, that the coarser half There is nothing like actual experience to fit would often sorrow for a scratched face. The a man for position, and when the Secretary Of course the twaddle about "setting up a man might wish to veto bills, and the woman returns, a bold mariner, with sailor phrases knowing, as well as any man alive, the utter too gallant to do its duty, and pass them over tempt such mighty reforms as will work a absurdity of any such idea. GEN. GRANT. His Visit to His Home in lilinois-A Cordial and Enthusiastic Welcome from Friends and Neighbors. (From the Chicago Tribune.) GALENA, Ill., Aug. 7.—The arrival of General

Frant this afternoon was the occasion of a demonstration on the part of the cltizens, which in point of numbers and enthusiasm excelled any-thing of the kind ever before witnessed here. He left Chicogo at 9. A. M.—the General Superintendent's car being placed at his disposal—in com-pany with his wife and children. All along the route the sturdy tillers of the soil assembled to welcome him, and cheer after cheer rent the air At Freeport the crowd numbered fally 3,000.

A cannon, stationed near the depot, belched forth salute as the train neared the station, and while awaiting the arrival of the train for Galena the firing was kept up. A number of the prominent men of the city were favored with an introduc.

arrived, and the train moved forward, followed by some who had not yet seen the greatest Cap-tain of the age, in hopes of catching a glimpse of Stocks were dull to day, and the "bear" influ-Stocks were dull to day, and the "bear" influ-(By Telegraph.)

was one mass of human beings. The response to the call of one gentleman for three cheers, gave twice the number with a hearty good will. A company of young men had secared a 12-pound howitzer, and stationed it on the top of a high minence, and, while the cheering was going on, a salute was fired. The Company of Compan
