IMMEASURABLY SIMPLE,

A nice looking young lady came into a photographer a shop the other day arrayed in her Sunday-go to-meeting lothes. She was a shy looking youn lady. She looked at the photograph man, and the photograph man looked at

her. Finally she spoke : "I want to get my measure taken for a photograph, sir ... Will you please to tell me how soon I can have the photograph after I get my measure taken, sir?" And the man of photographs was taken with a fit of laughter at the nice young lady; and she was afraid the measure wouldn't be a good fit; and so she went to her home in the country; and she hasn't any photograph yet; she is so timple. We con't get measured for our pho-
